Understanding Prophecy A Biblical Theological Approach:

Understanding Prophecy Alan S. Bandy, Benjamin L. Merkle, 2015 An authoritative guide to clearly understanding the place and meaning of prophecy in the Bible For thoughtful readers who are curious about biblical prophecy this book will help them learn the place of prophecy in the message of the Bible and clear up the confusion that often surrounds reading these texts Studying biblical prophecy is about much more than predicting end times events Rather a proper approach to prophecy acknowledges that the threads of prophecy crisscross throughout Genesis to Revelation forming the fabric of canonical Scripture This is why having a good grasp of the prophetic genre is essential for understanding the message of the entire Bible Authors Alan Bandy and Benjamin Merkle not only offer thoughtful and careful explanations of individual biblical prophecies but also give the reader the big picture of how all prophecy relates to and should be interpreted in light of Jesus Christ This book examines the nature themes purposes and theology of biblical prophecy and provides a framework for how to interpret any passage in the context of the Bible as a whole A Basic Guide to Biblical Theology Alan J.

Thompson, 2025-11-04 Serious students of the Bible quickly discover the diversity that stems from the human origins of Scripture such as different authors writing in different times places genres and languages Written by an expert in biblical theology this short accessible book helps readers understand the unity that springs from the divine authorship of Scripture and how the whole Bible fits together Alan Thompson enables readers to see the big picture of the Bible by unpacking nine key themes that unite the Testaments and hold the Bible together creation covenant the exodus law and wisdom sacrifice kingship the prophetic hope the kingdom of God and the final holy city A Basic Guide to Biblical Theology helps readers read the Old Testament in light of the New Testament and the New Testament in light of the Old Testament This book provides an introductory framework for the big themes of biblical theology preparing readers for a lifetime of Bible study It will appeal to anyone who wants to understand how the Bible fits together including students pastors church leaders and laypeople

T&T Clark Handbook of the Doctrine of Creation , 2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation The Baker Illustrated Bible Background

Commentary J. Scott Duvall, J. Daniel Hays, 2020-08-04 We are far removed from the time and culture of the biblical world and this distance easily leads to misunderstanding and misinterpretation Our understanding and appreciation for God's Word increase exponentially when we know about the context in which the biblical books were written So while many Bible commentaries explain the theological meaning of the text The Baker Illustrated Bible Background Commentary provides fascinating cultural and historical insights into God's Word Richly illustrated with full color photos throughout this one

volume background commentary includes articles by leading Old and New Testament scholars on subjects such as countries cities and cultures of the Holy Land and the Greco Roman world warfare and execution religious groups and customs fashion athletics feasts and celebrations honor shame and hospitality and much more This colorful informative volume is an essential companion for pastors teachers and laypeople who want to enhance their personal Bible study and help others do the same

Kingdom through Covenant (Second Edition) Peter J. Gentry, Stephen J. Wellum, 2018-09-20 Kingdom through Covenant is a careful exposition of how the biblical covenants unfold and relate to one another a widely debated topic critical for understanding the narrative plot structure of the whole Bible By incorporating the latest available research from the ancient Near East and examining implications of their work for Christology ecclesiology eschatology and hermeneutics scholars Peter J Gentry and Stephen J Wellum present a thoughtful and viable alternative to both covenant theology and dispensationalism This second edition features updated and revised content clarifying key material and integrating the latest findings into the discussion

Preaching and Teaching Difficult Texts of the New Testament Bryan Murawski, 2025-08-05 Understand how to preach or teach all the New Testament including passages or genres that prove challenging What do preachers do when they come across a difficult passage not covered in seminary What about teachers who haven't even been to seminary This book equips all of them to understand and handle challenging passages and genres in the New Testament such as Introductions lists of names and conclusions in the epistles Well known well worn stories Short passages Texts that may not be considered inspired or that have textual issues Old Testament quotations or allusions References to noncanonical texts such as Enoch or Maccabees Enigmatic passages such as baptized on behalf of the dead 1 Cor 15 29 Potentially explosive topics such as homosexuality and gender Eschatological texts such as Jesus Olivet Discourse or the book of Revelation Preaching and teaching the Bible is difficult work but it's worth the effort As Paul wrote to Timothy all Scripture is inspired and useful for teaching even the difficult ones If we know where to look and how to dig significant treasure awaits the adventurous preacher and teacher

An Illustrated Guide to the Apostle Paul Alan S. Bandy, 2021-08-17 The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen be they commoners or kings His impact on the church and indeed on Western civilization is immeasurable From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome An Illustrated Guide to the Apostle Paul brings his remarkable story to life Drawing from the book of Acts Paul's many letters and historical and archaeological sources this fully illustrated resource explores the social cultural political and religious background of the first century Roman world in which Paul lived and ministered It sheds light on the places he visited and the people he met along the way Most importantly it helps us understand how and why Paul was used by God in such extraordinary ways Pastors students and anyone engaged in Bible study will find this an indispensable and inspiring resource

Three Views on Israel and the Church Andrew David Naselli, Jared Compton, 2019-01-26 A comparison

of three major views on the relationship between Israel and the church The relationship between Israel and the church is a longstanding debate in Christian theology and Romans 9 11 are the most important chapters for understanding it How one interprets these chapters determines how one understands biblical theology how the New Testament uses the Old Testament and how the old and new covenants are related To help readers draw their own conclusion four leading scholars on this issue present a case for their viewpoint followed by a response and critique from the others Michael Vlach argues for a future mass conversion and a role for ethnic Israel in the church Fred Zaspel and Jim Hamilton present a case for a future mass conversion that does not include a role for ethnic Israel And Benjamin Merkle contends that Romans 9 11 promises neither a future mass conversion nor a role for ethnic Israel General editor Andrew David Naselli helpfully sets the debate in its larger biblical theological context in the introduction while Jared Compton provides a useful summary of the views and interactions at the end of the volume

Reading the Prophets as Christian Scripture (Reading Christian Scripture) Eric J.

Tully, 2022-03-29 This survey textbook is grounded in the view that the prophetic books of the Old Testament should be read as Christian Scripture Although it covers critical issues such as authorship background and history its primary focus is on the message and theology of the prophetic books and the contribution they make to the Christian canon Particular attention is given to literary issues such as the structure of each prophetic book Full color illustrations diagrams and artwork bring the text to life Additional resources for instructors and students are available through Textbook eSources

A Theological

Approach to the Old Testament Leslie Tonkin Allen, 2014-09-26 The Old Testament has two great themes creation and covenant They embrace subthemes wisdom in the case of creation Israel s religion and the Davidic covenant under the general umbrella of covenant and internationalism which mostly develops the theme of covenant and partly the theme of creation These topics cluster around a common center Yahweh the God of the Old Testament This God is portrayed in different roles which have attached to them role expectations for both Yahweh and those with whom he assumes relationship Through contextual exegesis of key texts we come to understand these roles and associated themes While the Old Testament has its own distinctive contributions to make to divine revelation much of its material is reused in the New Testament to explain and validate the New Testament message By concentrating on the Old Testament we learn to appreciate the enormous debt the New Testament owes to the Old in clarifying New Testament theological and moral perspectives

Patterns of Ministry among the First Christians Kevin Giles, 2017-07-14 This new edition of Patterns of Ministry Among the First Christians tells the story of how the first Christian leaders emerged and with the passing of time developed The book includes sections on Jesus and Paul and their understanding of Christian leadership on bishops deacons elders apostles prophets and teachers and on ordination The focus is primarily on the first century but historical development is noted The author also discusses the ways the New Testament may speak to the present

The Jesus of the Gospels Andreas Köstenberger, 2020-03-31 A reader friendly guide to the life and teachings of the Jesus of the Gospels The Jesus of the

Gospels brings together the best elements of a survey of the Gospels and a commentary on the Gospels to help readers know Jesus and understand the good news Drawing on decades of experience teaching and writing on the Gospels Andreas K stenberger presents a holistic portrait of Jesus by leading readers through an in depth study of Matthew Mark Luke and John Each chapter explores one gospel account beginning with a short introduction that highlights the gospel s individual distinctives followed by an outline of the book K stenberger breaks each gospel into short sections explaining the meaning and how it sheds light on Jesus and His mission Numerous sidebars maps and diagrams highlight supplemental information and regular Recap sections summarize key points For those interested in further study footnotes point to useful resources In addition to helping readers follow the storyline and theology of each gospel K stenberger also emphasizes practical application showing readers how to apply what they re learning to their lives Ideal for those who are new to the study of the Gospels and for instructors looking for an accessible introduction based on solid scholarship The Jesus of the Gospels offers readers and students to the riches of the Gospels and a deeper knowledge of Jesus and the good news Christ Jesus, the True Israel Brent E. Parker,2024-01-11 What is the relationship between the nation of Israel Jesus Christ and the church Pastors and theologians come to significantly different conclusions The reigning systems of evangelical theology covenant theology and dispensationalism answer this question by stressing the continuity of the Israel church relationship covenant theology or emphasizing discontinuity dispensationalism In more recent times progressive covenantalism has emerged as a via media between these two theological approaches by providing a different proposal for unpacking the biblical covenants and by highlighting that to rightly understand the people of God in biblical theology the person of Jesus Christ must be the focal point In Christ Jesus the True Israel Brent E Parker presents the case for the importance of typology in this debate arguing that national Israel is a type not unlike other Old Testament types e g the sacrificial system the temple etc that reaches its antitypical fulfillment in Jesus Christ Moreover the Israel church relationship is also typological but only through Christ Parker demonstrates that the progressive covenantal approach is a viable system of theology that seeks to preserve what the whole Bible says regarding the people of God from Israel to Christ and from Christ to the church All Things New Brian J. Tabb,2019-04-30 For many readers of the Bible the book of Revelation is a riddle that fascinates and frustrates In this NSBT volume Brian Tabb stresses the importance of the canonical context of the book of Revelation and argues that it presents itself as the climax of biblical prophecy showing how Old Testament prophecies and patterns find their consummation in the present and future reign of Jesus Christ *Lions, Locusts, and the Lamb* Michael Kuykendall,2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John s Apocalypse by not teaching or preaching from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean

Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped Lions Locusts and the Lamb Interpreting Key Images in the Book of Revelation demonstrates a way to unlock John s structure and unravel his symbols The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation

Invitation to Biblical Theology Jeremy M. Kimble, Ched Spellman ,2020-08-04 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God s plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God s glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy

Studies in the Book of Revelation Steve Moyise,2002-02-01 General and scholarly interest in Revelation has never been greater This is a specially commissioned set of state of the art studies on the most important aspects of Revelation and its significance for the 21st century by the world s leading scholars The studies can be grouped in relation to three main themes strategies of interpretation theological literary feminist metaphorical the nature of the violent imagery and passages of particular interest the letter to Laodicea praise and politics Old Testament allusions the second coming of Christ This book will provide an invaluable resource for researchers and students alike

The Undercover Messiah and His Coming Kingdom Jim R. Sibley,2025-01-21 What a profound mystery An undercover Messiah While an undercover agent may assume a deceptive identity an undercover boss assumes an identity that is merely unrecognized The concept of an undercover Messiah suggests that he assumed a role that was largely unanticipated though it was prophesied centuries earlier in Israel s Scriptures Messiah was to come as the Prophet like Moses the Priest like Melchizedek and the King like David Yet in his role as the Prophet he went largely unrecognized in his day and today Changing water to wine may seem undramatic but Moses s first miracle in Egypt was changing water to blood symbolizing judgment and death Jesus changed water to wine symbolizing the joy of redemption With this Jesus presented his calling card After his resurrection when Jesus encountered his confused and disheartened disciples he began with Moses This book unpacks Jesus as Prophet Priest and King and the kingdom he will establish as the future inheritance of believers With insights drawn from the latest scholarly research it offers relevant life
