Hampson, 2018-10-02 I Believe Jesus Will Return What More Do I Need to Know Do you tend to avoid studying books of the Bible like Revelation and Ezekiel Does it feel like words such as rapture and apocalypse fly right over your head It's common to dismiss these and other topics related to Bible prophecy as irrelevant and well too complicated But God's Word says Blessed is the one who reads aloud the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near Revelation 1:3 Prepare to be blessed in an entertaining and meaningful way The Non Prophet's Guide to the End Times combines engaging illustrations with down to earth explanations to help you navigate the ins and outs of Bible prophecy There's no better time to grasp God's plans for the future and for you than this very moment

The Simple Book of Profound Truths Matthew L. Williams M.A. Ph.D., 2011-08-04 This book is a revolutionary text for revolutionary spiritual times Facing imminent global financial collapse and great adversity for the foreseeable future people will need a powerful faith in God just to survive But who can have great faith if they don't know anything about God and how he works in our lives or if he even exists God reveals spiritual knowledge to mankind not in an even continuous flow but in rare bursts or quantum leaps forward The last such spiritual burst in Christianity occurred almost 2000 years ago with the teachings of the New Testament Since then virtually no progress has been made in terms of spiritual insight into the Bible Even worse scholars today don't understand very well God's lessons from the last burst That's why you'll find even prominent Christian teachers still debating such basic spiritual concepts as the following Can non Christians be saved What is the role of science and especially evolution in relation to the Bible What roles do free will and predestination play in our lives and salvation Unfortunately while Christian spirituality has remained stuck in the past mankind has pushed ahead into the twenty first century With the explosive growth of knowledge science and global communications Christianity must improve the way it addresses people's spiritual concerns or face irrelevance and eventual extinction This book represents a revolution in spiritual understanding that takes Christianity into the twenty first century and beyond It is the latest burst of spiritual insight 2000 years in coming Mankind's oldest and most vexing spiritual questions are answered here in full accord with logic science and reason In addition the reader will find new insights into understanding the Bible living a spiritual life and for the first time ever a new vision of Bible prophecy and the end of the world There is no book like this *Understanding Bible Prophecy for Yourself* Dave Gilbert, Tim LaHaye, 2009-08-01 Tim LaHaye's bestselling book more than 110 000 copies sold has been redesigned to make its content even more accessible to readers and updated to include timely information relevant

to biblical prophecy and current events This easy to follow guide offers the tools believers need to accurately interpret biblical prophecy Includes solid guidelines for accurately interpreting Bible prophecy charts that present a clear outline of the future step by step examples of how to interpret Bible passages on the rapture second coming and millennial kingdom exercises that help readers understand key Bible prophecies a comprehensive overview of God s plan for the future This resource leads readers to a deeper understanding of how to navigate the exciting and challenging days to come as they also discover the strength and peace of God s sovereignty

Understanding End Times Prophecy Paul Benware,2006-05-01

Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture

Keener,2011-01-01 A helpfully concise commentary on Paul s letter to the early Christians in Rome which the Apostle wrote just a few years before the outbreak of Nero s persecution Keener examines each paragraph for its function in the letter as a whole helping the reader follow Paul s argument Where relevant he draws on his vast work in ancient Jewish and Greco Roman sources in order to help modern readers understand the message of Romans according to the way the first audience would have heard it Throughout Keener focuses on major points that are especially critical for the contemporary study of Paul s most influential and complex New Testament letter **Plagues and Their Aftermath** Brian Michael

Jenkins,2022-09-20 Jenkins has organized his book around themes and as he explores them he leads the reader back and forth through history pointing out parallels in humankind s responses to different epidemics thoroughly researched and cogently written New York Journal of Books A look at the long history of epidemics and pandemics provides an enthralling account of what we can expect of a post COVID world In a concise authoritative and gripping telling Brian Michael Jenkins one of our leading authorities on national security and an advisor to governments presidents and CEOs provides a masterly account of what kind of future the planet might be facing by looking at the world s long history of epidemics and discerning what was common about their aftermath From a plague in Athens during the Peloponnesian War in 430 BCE to another in 540 that wiped out half the population of the Roman empire down through the Black Death in the Middle Ages and on through the 1918 flu epidemic which killed between 50 and 100 million people and this century s deadly SARS outbreak plagues have been a much more relentless fact of life than many realize The legacy of epidemics Jenkins observes is not only one of lives lost but of devastated economies and social disorder all of which have severe political repercussions Thus each chapter of Plagues and Their Aftermath draws on those historical precursors to focus on one particular aspect of their aftermath What happens to political systems What happens in the area of crime and terrorism Do wars happen What are the effects on cultures What was the impact of widespread fear and public hysteria of increased suspicion and scapegoating of the spread of rumors and conspiracy theories Jenkins sobering analysis is riveting and thought provoking reading for general readers and specialists alike and throws welcome light into what many fear is a dark future
