Understanding The Grocery Industry Cdfi Fund:

The CEO's Boss William M. Klepper, 2019-01-08 The CEO's Boss originally published in 2010 is the definitive guide to a productive working relationship between corporate boards and CEOs Speaking to an era when company directors must monitor the actions and day to day operations of their CEO William M Klepper offers eight essential lessons to help boards operate more effectively in this bold and independent role Since the publication of the first edition Klepper has continued to develop and apply its lessons for a variety of businesses and settings In this second edition Klepper renews the paradigm set forth in the first with new case studies of companies such as Wells Fargo BP Hewlett Packard and Proctor Gamble Giving directors executives investors and stakeholders the tools to make crucial relationships work Klepper details the best techniques for selecting the right CEO establishing a working relationship and giving effective feedback He affirms the importance of the social contract between directors and their CEOs encourages directors to embrace their independence and teaches executives to value tough love He revisits the first edition's case studies and derives new insights from how these companies followed or failed to heed the book's precepts He also takes a close look at the predictions he made almost ten years ago providing new forecasts and integrating core knowledge to ensure that The CEO's Boss remains essential in our ever changing business landscape

Food Activist Handbook Ali Berlow, 2025-05-01 One person really can make a difference From starting neighborhood kitchens to connecting food pantries with local family farms Ali Berlow offers a variety of simple and practical strategies for improving your community's food quality and security Learn how your actions can keep money in the local economy reduce the carbon footprint associated with food transportation and preserve local landscapes The Food Activist Handbook gives you the know how and inspiration to create a better world one meal at a time

The Global Food System William D. Schanbacher, 2014-07-23 This detailed analysis of the global food system looks at the way food is produced distributed and consumed in an effort to create a more equitable and healthful system worldwide With large scale famine afflicting regions around the globe and overconsumption and unhealthy eating habits destroying others many are beginning to wonder if access to food is less of a class based social problem and more of an ethical issue affecting the lives and livelihoods of people all over the world This thoughtful text provides a thorough examination of the factors contributing to this global concern exploring the complexities of international food supply and demand as well as the efforts to bring about a more just global food system Through this groundbreaking volume author and educator Will Schanbacher sheds light on flaws in the current structure and suggests ways to achieve a more balanced approach He considers the economics politics and activism behind and involved in the production distribution and consumption of the global food system In an effort to illuminate many problems associated with hunger inequality and injustice in the food system the book also offers many potential strategies and solutions for making a more healthy sustainable and equitable world Chapters contain both theoretical models and concrete practices for food security and offer strategies for creating an equitable system

What the Fork Are You Eating? Stefanie Sacks MS, CNS, CDN,2014-12-26 It s labeled natural grass fed or free roaming yet it might be anything but It s time to find out what you re actually eating When your groceries are labeled low fat sugar free and even natural and antibiotic free it s easy to assume that you re making healthy choices Yet even some of those seemingly wholesome offerings contain chemical preservatives pesticides and artificial flavors and coloring that negatively affect your health In *What the Fork Are You Eating* a practical guide written by certified chef and nutritionist Stefanie Sacks MS CNS CDN we learn exactly what the most offensive ingredients in our food are and how we can remove or at least minimize them in our diets Sacks gives us an aisle by aisle rundown of how to shop for healthier items and create simple nutritious and delicious meals including fifty original recipes
