Hundreds of thousands of people each week have transformative encounters with God through Adult Bible Studies Bible based Christ focused Sunday school lessons and midweek Bible studies endorsed by the Curriculum Resources Committee of the The United Methodist Church In 2020 we reintroduced printed focal Bible passages in both the Student and Teacher books Lessons follow the church seasons including Advent and Lent and include suggestions for developing spiritual practices to help nurture your faith Adult Bible Studies Fall 2021 Theme Belong Unit 1 Outside In Sociologists studying the story of the early church often attribute the growth of the church to the sense of belonging that it offered people in a world where belonging was limited to those with things such as property high status and or birthright This unit of lessons looks at the various ways that the Bible makes clear how we belong to God's people even when we appear to be outsiders Several of the lessons point out where we as human beings insert distinctions that restrict membership within the community of Christ Scriptures Jeremiah 29 1 23 Luke 7 36 50 Galatians 2 11 21 Philippians 3 2 21 Ephesians 2 19 21 Spiritual Practice Hospitality Unit 2 Into the Future After over 2000 years of existence as an institution we can easily take for granted that we know what the church is This unit invites readers to look at it from the view of the community living into the future The Greek word for church ekklesia is not a word that the first members of the church associated with a religious activity The word signifies the assembly of the people of God It is instructive to look at what their understanding of the purpose of assembling as a group signified how it has shaped our understanding of church and how reading these texts might renew and expand our understanding Scriptures Acts 2 37 47 1 Corinthians 12 12 31 Matthew 16 13 19 Revelation 3 1 6 14 20 Deuteronomy 29 10 29 Spiritual Practice Community Unit 3 The Fellowship of the Table Once one enters the Church through baptism the central identity marker for membership in the church is participation in Communion The opening of God's people to both Jews and Greeks men and women masters and slaves required people previously unaccustomed to eating together to sit down at a common table When we look at the Gospel narratives we see Jesus modeling open table fellowship In this unit we will look at the significance of the practice of open table fellowship in the church as a sign of God's shared abundance ministry of reconciliation and celebration Scriptures John 6 1 15 1 Samuel 25 2 39 1 Corinthians 11 17 34 Isaiah 25 6 10a 55 1 3 Spiritual Practice Open Table Fellowship Adult Bible Study components include Student Book Published quarterly each week's Student Book lesson lists background Scripture features key verses provides reliable and relevant biblical explanation and application and more in a readable font size that is accessible to everyone Teacher Book The Teacher Book provides small group leaders with additional biblical background and exposition and suggestions for guiding group discussion for each quarterly theme Video DVD Does your group enjoy watching videos to generate conversation around Bible studies Video sessions directly correspond to the Adult Bible Studies quarter's theme and content and features a

Matthew McMahon, 2013-11-18 This is the second volume in the Reformed Apprentice workbook series teaching Reformed Theology in a simple but interactive manner This workbook covers the Doctrine of Scripture and the science of hermeneutics the art of biblical interpretation The main purpose of the workbook is to come into a deeper knowledge and relationship with the Lord Jesus Christ as he has revealed himself to the church in his Word and by his Spirit through the centuries in Reformed Theology The workbook extensively quotes the early church fathers the Reformers the Puritans and Reformed theologians from various ages in order to aid the Reformed Apprentice in understanding how the Bible is God's Word and how to interpret it both exegetically and practically There is nothing like this series of interactive workbooks anywhere in the Reformed community They are unique workbooks designed to bring Reformed Theology to students of the bible in its various facets In old England an apprentice is a novice who engaged in a covenant with a tradesman to learn a particular trade A workbook of this kind was created to engage the student of Scripture to be apprenticed under the teachers of Reformed Theology thus a Reformed Apprentice This workbook does not need to be completed in a short timeframe nor is it governed by a specific amount of time The Reformed Apprentice has as much time to complete each section at their own pace as they need in order to walk more closely with Jesus Christ and understand the importance of the doctrine of Scripture *Understanding Scripture* A. Mickelsen, Alvera M. Mickelsen, 2002-07 Without question studying the Bible can be one of the most rewarding experiences of the Christian life Unfortunately if you are ill equipped studying the Bible can also be intensely frustrating For example how do we know when the Bible is being literal and when it's being figurative and how can we tell the difference without a degree in theology What do history and culture have to do with studying the Bible Are there principles for interpreting parables allegories prophecies Is Revelation different Because questions like these are inescapable *Understanding Scripture* How to read and Study the Bible is a must for the individual interested in maximizing his or her time in Bible study This book arose out of Alvera and Berkeley Mickelsen's life long passion for helping people understand the Bible and its significance for their lives Now in a thorough revision of the 1978 edition co authored with her husband Alvera Mickelsen once again shows how principles of interpreting God's word can make Scripture come alive in an unprecedented way [The Lord of Victory](#) Jonathan Underwood, 1988 *Teaching Activities Manual for Breakthrough! the Bible for Young Catholics* Rick Keller-Scholz, Jeannie Pomanowski, 2006 Each chapter includes these features an overview of the character scripture passages related to the character Breakthrough articles that pertain to the character a list of similarities between young adolescents and the biblical figure biblical quotes that point to
