Faucett,2008-04-29 The Future Kingdom of God Fr. Steven Scherrer,2010-12-01 The kingdom of God is not explained anywhere in the New Testament yet it seems to be everywhere understood No explanation was ever needed and so none was given In The Future Kingdom of God A Present Reality and Our Blessed Hope author Father Steven Scherrer presents an in depth study of the kingdom of God as it appears in the scriptures Based on an edited collection of original sermons and essays revolving around the New Testament doctrine of the kingdom of God this thorough discussion provides a guide for those seeking insight into various aspects about the second coming of Jesus Christ Some of the topics on which the essays reflect include the splendor of the kingdom of God now present as seen in the Churchs Advent and Christmas liturgies the millennial hope as the fulfillment of Old Testament prophecy the enchanted expectation of the Parousia as seen in the Churchs autumn liturgies the longing to be found innocent in holiness at the coming of the Lord Using the scriptures and examples from the Bible The Future Kingdom of God demonstrates how Christians can by faith now live in the splendor of Gods kingdom present in their midst The Scarlet Woman and the Red Hand Joshua T. Searle,2014-04-16 This book provides a comprehensive description of how evangelicals in Northern Ireland interpreted the Troubles 1966 2007 in the light of how they read the Bible The rich and diverse landscape of Northern Irish evangelicalism during the Troubles is ideally suited to this study of both the light and dark sides of apocalyptic eschatology Searle demonstrates how the notion of apocalypse shaped evangelical and fundamentalist interpretations of the turbulent events that characterized this dark yet fascinating period in the history of Northern Ireland The book uses this case study to offer a timely reflection on some of the most pressing issues in contemporary negotiations between culture and religion Given the current resurgence of religious fundamentalism in the wake of 9 11 together with popular conceptions of a clash of civilizations and the so called War on Terror this book is not only an engaging academic study it also resonates with some of the defining cultural issues of our time

The Pastor's Personal Friendships: Conflicts, Boundaries, and Benefits David Simmons,2014-04-28 This book examines the pastor s friendships as they impact a pastor s effectiveness in ministry and his or her personal well being Because friendships require high levels of self disclosure friendships introduce potential conflict for the pastor as personal self disclosure may conflict with the pastor s expected role Taking a qualitative approach this study looks at how pastors navigate the areas of friendship both inside and outside their congregations The research involved interviews with ten congregational pastors and reports themes that emerged from the interviews The researcher developed four friendship types that assist the pastor in balancing pastoral role expectation with expression of vulnerability **Dictionary of**

Premillennial Theology Mal Couch,1996 More than 50 scholars combine their expertise to present a historical and topical dictionary of premillennial theology **The Afterlife in Popular Culture** Kevin O'Neill,2022-06-17 The Afterlife in Popular Culture Heaven Hell and the Underworld in the American Imagination gives students a fresh look at how Americans view the afterlife helping readers understand how it s depicted in popular culture What happens to us when we die The book seeks to

Four Views on the Book of Revelation Zondervan, 2010-08-03 Of all the books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It's no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the church Is it essentially an imaginative depiction of historical events in the first century *Four Views on the Book of Revelation* explores four interpretations of the book of the Apocalypse Preterist a historical interpretation arguing that most of John's prophecies occurred in the first century soon after his writing of them Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history Progressive dispensationalism a modification of classical that has its root in the understanding of Christ's reign beginning immediately after the resurrection The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion
