Understanding Health Policy Sixth Edition:

Understanding Health Policy, Sixth Edition Kevin Grumbach, Thomas Bodenheimer, 2012-10-22 This highly readable text gives a broad but detailed picture of how health care is organized and dispensed in the United States. The first edition of this well-known book provides a short introduction to U.S. health care policy by two leading experts who are themselves practicing physicians. The fourth edition features the latest information on cost containment, health insurance, managed care, hospital payment, and the new two-tier model of physician reimbursement.

Understanding Health Policy: A Clinical Approach, Eighth Edition Kevin Grumbach, Thomas S. Bodenheimer, 2020-04-10 Understand how the healthcare system works and how you can succeed in it. *Understanding Health Policy: A Clinical Approach* remains the most trusted and comprehensive guide to healthcare available and provides everything you need to build a solid foundation on the field's most critical issues. This updated eighth edition covers all aspects of healthcare including finance, organization, reimbursement, the status of the Affordable Care Act, and Accountable Care Organizations, the consolidation of the health system, and much more. Clinical vignettes are used to highlight key policy issues, clarify difficult concepts, and demonstrate how they apply to real-world situations affecting both patients and professionals alike. Expert practitioners in both the public and private healthcare sectors; the authors cover the entire scope of our healthcare system. They carefully weave key principles, descriptions, and concrete examples into chapters that make important health policy issues interesting and understandable.
