Ebook: Understanding Human Sexuality Hyde; DeLamater, 2016-04-16 Ebook Understanding Human Sexuality

Human Sexuality Ami Rokach, Karishma Patel, 2021-01-22 Human sexuality touches us all in intended ways. We all either enjoy it, struggle with it, or may have been victims of it. Sexuality is not just about sex but about human sexual function, the physiology of sex, the hormones involved, and how they affect us, and the cultural norms related to it. Sexual function and dysfunction are closely tied to one's self-esteem, self-respect, and to relationships with intimate partners. Human Sexuality: Function, Dysfunction, Paraphilias, and Relationships explores the interplay of intimacy and sexuality, how it can enhance relationships, and how it can negatively affect them or be affected by them. When individuals or partners encounter sexual problems or dysfunctions, it can have a long-lasting effect, both biologically and psychologically. Dr. Rokach explores the causes and the reasons that these dysfunctions are maintained and successful treatment methods. Chapters on sexual offenses and paraphilias, and what treatment options are available to sexual offenders, are also included. This book is the first to place sexuality where it belongs, within the context of relationships, demonstrating how sexuality relates to intimacy, by both enhancing and negatively affecting it. Explains psychological, biological, and sociological theories of sexuality. Addresses sexual dysfunctions according to various models of sex therapy. Discusses the biological, developmental, and sociological theories of sexual orientation. Explores the specific hormones in male and female sexual behavior. **Understanding Human**

Sexuality Janet Shibley Hyde, 1993 This text approaches the subject of human sexuality from a psychological perspective. It features information from a variety of disciplines such as biology, women's studies, sociology, anthropology, and health education. The text offers extensive coverage of research and theoretical findings, but its informal tone makes it suitable for students at all academic levels. *The Psychology of Women and Gender* Nicole M. Else-Quest, Janet Shibley

Hyde, 2021-01-20 A psychology of women textbook that fully integrates transgender research, issues, and concerns. With clear, comprehensive, and cutting-edge coverage, *The Psychology of Women and Gender: Half the Human Experience* delivers an authoritative analysis of classical and up-to-date research from a feminist psychological viewpoint. Authors Nicole M. Else-Quest and Janet Shibley Hyde examine the cultural and biological similarities and differences between genders, noting how these characteristics can affect issues of equality. Students will come away with a strong foundation for understanding the dynamic influences of gender, sexual orientation, and ethnicity in the context of psychology and society. The Tenth Edition further integrates intersectionality throughout every chapter, updates language for more transgender inclusion, and incorporates new content from guidelines put forth from the American Psychological Association. *The Psychology of Love and Hate in Intimate Relationships* Katherine Aumer, 2016-06-23 Social psychology has made great advancements in understanding how our romantic relationships function, and to some extent, dissolve. However, the social and behavioral sciences in much of western scholarship often focus exclusively on the more positive aspects of intimate relationships and

less so on more controversial or unconventional aspects The goal of this volume is to explore and illuminate some of these underrepresented aspects aspects such as non monogamy female orgasm sadism and hate that often function alongside love in intimate relationships Ultimately by looking at intimate relationships in this way the volume contributes to and advocates for a more holistic and comprehensive view of intimate relationships Throughout the volume contributors from social clinical and evolutionary psychology cover love and hate from a variety of sometimes opposing perspectives The first section covers love and the changing landscape of intimate relationships Its chapters review the current literature and research of understudied topics like non monogamy female orgasm sexual fantasies and the viewpoint of love as something other than positive The second section explores hate and how hate can operate in intimate relationships for example the appearance of sadistic behavior and debates the nature of hate as either a motivation or emotion The volume concludes by looking at ways in which the appearance of hate in relationships can be dealt with and overcome successfully Taken together these two sections reflect the full variety of experiences within intimate relationships With the aim of exploring how love and hate can and frequently do work together The Psychology of Love and Hate in Intimate Relationships is a fascinating psychological exploration of intimate relationships in modern times It is an invaluable resource to academics and students specializing in psychology gender and sociology including clinicians and therapists and all those interested in increasing our knowledge of intimate relationships

Systemic Sex Therapy Katherine M. Hertlein, Nancy Gambescia, Gerald R. Weeks, 2015-02-20 This comprehensive textbook intended for graduate students in couple and family therapy programs as well as for clinicians of diverse orientations offers descriptive discussions of sex therapy based on the Intersystem Approach as developed by Gerald Weeks The Intersystem Approach considers the biology psychology couple dyad family of origin and larger contextual factors of any sexual disorder or issue It is grounded in systems theory and represents a new understanding of human sexuality and sexual problems Appropriate for anyone who wants to progress to a more comprehensive and integrative understanding of sexual dysfunctions this text will teach the reader how to treat the couple rather than the individual Now in a second edition Systemic Sex Therapy presents 12 updated chapters and two new chapters bringing the material up to date with the DSM 5 Each chapter examines the definition and description of a disorder its etiology assessment treatment research and future directions Experts in the field discuss issues ranging from pharmacology sexual compulsivity therapy with lesbian and gay couples to chapters on male and female lack of desire A standard text in the field Systemic Sex Therapy integrates couple and sex therapy to inform the treatment of sexual problems and to give beginning and experienced clinicians the abilities and confidence they need to produce viable change in their patients lives

Females, Males, and Sexuality Kathryn Kelley, 2015-05-28 Females Males and Sexuality examines the differences and similarities between males and females in their sexual attitudes fantasies and behaviors Long a controversial subject the differences between the sexes remains a source of unanswered questions and provocative debates The views of eight behavioral scientists are combined in this volume to

provide biological social and socio biological perspectives on gender and sexuality Sex variations in attitudes and behaviors are integrated in the introductory chapter It provides a theoretical framework for describing current findings presented in subsequent chapters as well as predicting the likelihood of sex differences in future studies In other chapters research on the premenstrual syndrome hormones and sexual expectations are analyzed In chapters on attitudes about contraception female contraceptive behavior serves as a model for organizing predictions about such behavior in males

Understanding Human Sexuality 11th Edition Introduction

In today's digital age, the availability of Understanding Human Sexuality 11th Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Understanding Human Sexuality 11th Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Understanding Human Sexuality 11th Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Understanding Human Sexuality 11th Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Understanding Human Sexuality 11th Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Understanding Human Sexuality 11th Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Understanding Human Sexuality 11th Edition books and manuals is Open Library. Open Library is an initiative of the Internet

Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Understanding Human Sexuality 11th Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Understanding Human Sexuality 11th Edition books and manuals for download and embark on your journey of knowledge?
