Barth **The Oracles of God... Or the Words of Men?** Curtis Pillsbury, 2010-11 Why don't people believe the Bible like they used to? Do Christians themselves truly believe the Bible? Is the Word part true, part superstition? Is it fair to claim that the Bible is superior to other sacred writings? Curtis Pillsbury has encountered these controversial questions and more and has set out to answer them using biblical proof and personal experiences. If you have ever questioned Christianity, fear not: Curtis himself has battled similar doubts and has spent over twenty years disproving the myths. You will never again wonder, "Is the Bible The Oracles of God or the Words of Men?" In a day in which postmodernism and humanism seek to dissolve absolute truth, Curtis Pillsbury has given us a tool to create a Christian worldview. The Oracles of God or the Words of Men is a tool to combat New Age mumbo jumbo and establish God's Word as an anchor for transformation and productivity. Curtis's work will help you wade through the minutiae of philosophies combating real truth. Read this book as a key to your freedom.

Ron McIntosh, President of Ron McIntosh Ministries, Executive Director of Victory Bible Institute: The Oracles of God or the Words of Men will help secure for you a strong foundation in the Word of God and will strengthen your faith in the fact that God's Word is your final authority. With this revelation, you can stand in the midst of any trial or temptation. This book will keep you in love with Jesus and his Word.

Terry Nance, author of God's Armorbearers: *Toward a Phenomenological Rhetoric*

Barbara Couture, 1998: Current rhetorical and critical theory for the most part separates writing from consciousness and presumes relative truth to be the only possible expressive goal for rhetoric. These presumptions are reflected in our tradition of persuasive rhetoric, which values writing that successfully argues one person's belief at the expense of another's. Barbara Couture presents a case for a phenomenological rhetoric, one that values and respects consciousness and selfhood and that restores to rhetoric the possibility of seeking an all-embracing truth through pacific and cooperative interaction. Couture discusses the premises on which current interpretive theory has supported relative truth as the philosophical grounding for rhetoric; premises she argues that have led to constraints on our notion of truth that divorce it from human experience. She then shows how phenomenological philosophy might guide the theory and practice of rhetoric, reanimating its role in the human enterprise of seeking a shared truth. She proposes profession and altruism as two guiding metaphors for the phenomenological activity of truth seeking through interaction.

Among the contemporary rhetoricians and philosophers who influence Couture are Pierre Teilhard de Chardin, Martin Buber, Charles Altieri, Charles Taylor, Alasdair MacIntyre, and Jürgen Habermas.

THE MAP OF TWO ETERNAL DESTINATIONS Dipo Toby Alakija: Most people are oblivious of the fact that the world is fast coming to an end despite the warnings of Jesus Christ in Mark 13:7-22, where the signs of the inevitable destruction of the world are revealed. These signs include wars with nations rising against nations, earthquakes in various places, famines, pandemic depressions, persecutions of Christians, abominations, desolations, lockdowns, and other tribulations. Despite these events, which are obvious fulfillments of these prophecies in these modern days, most people, including Christians, are still not prepared for eternity. In order to prepare Christians and inform every other person about eternal destinations,

these illustrative and authoritative sermons which are delivered by the preacher and author of this book to hundreds of thousands of people online are compiled for group or personal studies The author uses real life events and illustrations to explain the mysteries of the two eternities teaching the ways to reach each of destinations as revealed in the Bible

A 366-Day Journey to Knowing God Jason Lawson,2021-11-16 The day Jason Lawson s stress reached a tipping point he found himself shaking so badly he couldn t even pour orange juice into a blender for his family s breakfast He felt like his world was falling around him and he was afraid of losing his family his job and his mind But that was the day Jason met the Potter Not the cartoon God on nursery walls or the religious God preached about in many churches That day Jason began a journey with the Potter to learn Who He really is and why He created man and this journey is compiled in his new devotional The Potter s Hands A 366 Day Journey to Knowing God The Potter s Hands tackles questions such as If the Potter is so good then why did He create me to hurt and struggle Why am I so cracked and flawed Why does He fill me with so much pain and many more The answer Jason found was simple He is the Potter and we are the clay He formed us for His glory not our comfort He decides our size and shape He chooses what to pour into us and He is the One Who determines where He places us Our role in this is to trust Him as the Potter the Savior the Counselor the Servant the Commander the Spirit the Creator the Father the Rabbi the Redeemer the Healer and the Shepherd The heartbeat of The Potter s Hands is to remind readers that the clay can do nothing apart from the Potter s hands but in the Potter s hands He can create a masterpiece for His glory What more could we ask for Come along for one year and walk with Him Let the Potter reveal to you Who He really is

Suicide in Modern Catholic Literature Martin Lockerd,2025-06-10 Suicide plays a major role in modern literature and the philosophy that informs it For Catholic authors who have always understood the act within the framework of sin and redemption it carries a special significance In the last century Catholic literary figures as diverse as J R R Tolkien and Walker Percy Robert Hugh Benson and Muriel Spark J K Huysmans and Graham Greene wrestled with the problem of suicide in their work and produced art that confronts the despair so common in modern existence As suicide rates continue to increase across the developed world and entire nations embrace and expand legalized assisted suicide this book draws readers back to Catholic literature as a resource for understanding and perhaps even resisting this trend **“Not Afraid to Tell the Truth”** Ken M. Schmidt,2011-07-22 This book was originally intended to be a 3 Volume set or Trilogy but has been shortened to a single volume and edited for publication as a single title Not afraid To Tell The Truth which could be subtitled Exposing the conspiracy of silence in the Last Days it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of Gods Word which the author believes have become confused by Western Christian wrong thinking preaching and practice in the last days of the Church age False teachers and heretical teachings have crept into the Church

Facing Loss and Death Peter Hühn, 2016-08-22 Lyric poetry as a temporal art form makes pervasive use of narrative elements in organizing the progressive course of the poetic text This observation justifies the application of the advanced methodology of narratology to the systematic analysis of lyric poems After a concise presentation of this transgeneric approach to poetry the study sets out to demonstrate its practical fruitfulness in detailed analyses of a large number of English and some American poems from the early modern period to the present The narratological approach proves particularly suited to focus on the hitherto widely neglected dimension of sequentiality the dynamic progression of the poetic utterance and its eventful turns which largely constitute the *raison d'être* of the poem To facilitate comparisons the examples chosen share one special thematic complex the traumatic experience of severe loss the death of a beloved person the imminence of one's own death the death of a revered fellow poet and the loss of a fundamental stabilizing order The function of the poems can be described as facing the traumatic experience in the poetic medium and employing various coping strategies The poems thus possess a therapeutic impetus

As We Await the Blessed Hope Mark Kyriakos, 2015-12-18 Too many books are published today with too little rigor This is a book that has been rigorously researched and written In a world that often seems full of the shallow and superficial it is deep and filled with important insights It is not for everyone but those that make the effort will be richly rewarded Matthew Kelly New York Times bestselling author of Rediscover Catholicism Mark Kyriakos has written a book on Bible prophecy that is most unique among Catholic scholars today It is thoroughly biblical and Catholic It is both scholarly and approachable to read for a serious student of Scripture I welcome it as a fresh offering at a time when we usually read treatments of this topic from a predominantly non Catholic perspective John Michael Talbot Founder and Minister General of the Brothers and Sisters of Charity Its impossible to understand the whole range of Gods plan and indeed the Gospel message itself without an understanding of the Second Coming and Final Judgment I am grateful for the immense work that Mark Kyriakos has put into this book and for his effort to make these valuable resources available to a wider audience Ralph Martin S T D President Renewal Ministries
