For almost two decades investigative journalist Jerry Mitchell doggedly pursued the Klansmen responsible for some of the most notorious murders of the civil rights movement This book is his amazing story Thanks to him and to courageous prosecutors witnesses and FBI agents justice finally prevailed John Grisham author of The Guardians On June 21 1964 more than twenty Klansmen murdered three civil rights workers The killings in what would become known as the Mississippi Burning case were among the most brazen acts of violence during the civil rights movement And even though the killers identities including the sheriff s deputy were an open secret no one was charged with murder in the months and years that followed It took forty one years before the mastermind was brought to trial and finally convicted for the three innocent lives he took If there is one man who helped pave the way for justice it is investigative reporter Jerry Mitchell In Race Against Time Mitchell takes readers on the twisting pulse racing road that led to the reopening of four of the most infamous killings from the days of the civil rights movement decades after the fact His work played a central role in bringing killers to justice for the assassination of Medgar Evers the firebombing of Vernon Dahmer the 16th Street Church bombing in Birmingham and the Mississippi Burning case Mitchell reveals how he unearthed secret documents found long lost suspects and witnesses building up evidence strong enough to take on the Klan He takes us into every harrowing scene along the way as when Mitchell goes into the lion s den meeting one on one with the very murderers he is seeking to catch His efforts have put four leading Klansmen behind bars years after they thought they had gotten away with murder Race Against Time is an astonishing courageous story capturing a historic race for justice as the past is uncovered clue by clue and long ignored evils are brought into the light This is a landmark book and essential reading for all Americans
