Une Histoire Historiens Fran Ais Boer:

History as a Profession Pim den Boer, 2014-07-14 This is a vivid portrait of the French historical profession in the nineteenth and early twentieth centuries concluding just before the emergence of the famous Annales school of historians It places the profession in its social academic and political context and shows that historians of the period have been unfairly maligned as amateurish and primitive in comparison to their more celebrated successors Pim den Boer begins by sketching the contours of French historiography in the nineteenth century examining the quantity of historical writing its subject matter and who wrote it He traces the growing influence of professional historians He shows the increasing involvement of the national government in historical studies paying special attention to the impact of political factions ranging from ultraroyalists to radical republicans He explores how historical research and teaching changed at schools and universities And he shows how nineteenth century historians keen understanding of the past and of historical methodology laid the foundations for historiography in the twentieth century archives including official documents confidential reports and personal letters Den Boer makes use of statistical biographical and methodological analysis and demonstrates comprehensive knowledge of both minor historians and leading scholars including Charles Seignobos and Charles Victor Langlois Originally published in 1998 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *General Catalogue of Printed Books to 1955* British Museum.
