

UNFREE LABOR

American Slavery and Russian Serfdom

Peter Kolchin

Unfree Labor American Slavery And Russian Serfdom Belknap Press

Christopher Castiglia, Susan Gillman

Unfree Labor American Slavery And Russian Serfdom Belknap Press:

Unfree Labor Peter KOLCHIN, 2009-06-30 Two massive systems of unfree labor arose a world apart from each other in the late sixteenth and early seventeenth centuries The American enslavement of blacks and the Russian subjection of serfs flourished in different ways and varying degrees until they were legally abolished in the mid nineteenth century Historian Peter Kolchin compares and contrasts the two systems over time in this magisterial book which clarifies the organization structure and dynamics of both social entities highlighting their basic similarities while pointing out important differences discernible only in comparative perspective These differences involved both the masters and the bondsmen The independence and resident mentality of American slaveholders facilitated the emergence of a vigorous crusade to defend slavery from outside attack whereas an absentee orientation and dependence on the central government rendered serfholders unable successfully to defend serfdom Russian serfs who generally lived on larger holdings than American slaves and faced less immediate interference in their everyday lives found it easier to assert their communal autonomy but showed relatively little solidarity with peasants outside their own villages American slaves by contrast were both more individualistic and more able to identify with all other blacks both slave and free Kolchin has discovered apparently universal features in master bondsman relations a central focus of his study but he also shows their basic differences as he compares slave and serf life and chronicles patterns of resistance If the masters had the upper hand the slaves and serfs played major roles in shaping and setting limits to their own bondage This truly unprecedented comparative work will fascinate historians sociologists and all social scientists particularly those with an interest in comparative history and studies in slavery

Unfree Labor Peter Kolchin, 2005 Slavery in North America Vol 1 Mark M. Smith, Peter S Carmichael, Timothy Lockley, Jonathan Daniel Wells, 2022-01-26 First published in 2009 From the founding of Jamestown to the American Civil War slavery and abolition shaped American national regional and racial identities This four volume reset edition draws together rare sources relating to American slavery systems Volume 1 includes a general introduction and the colonial period covering slavery and the law slave resistance religion and slavery and Pro Slavery Anti Slavery and the Revolutionary Impulse **The Palgrave Handbook of Global Slavery throughout History** Damian A. Pargas, Juliane Schiel, 2023-06-14 This open access handbook takes a comparative and global approach to analyse the practice of slavery throughout history To understand slavery why it developed and how it functioned in various societies is to understand an important and widespread practice in world civilisations With research traditionally being dominated by the Atlantic world this collection aims to illuminate slavery that existed in not only the Americas but also ancient medieval North and sub Saharan African Near Eastern and Asian societies Connecting civilisations through migration warfare trade routes and economic expansion the practice of slavery integrated countries and regions through power based relationships whilst simultaneously dividing societies by class race ethnicity and cultural group Uncovering slavery as a globalising phenomenon the authors highlight the slave trading routes

that crisscrossed Africa helped integrate the Mediterranean world connected Indian Ocean societies and fused the Atlantic world Split into five parts the handbook portrays the evolution of slavery from antiquity to the contemporary era and encourages readers to realise similarities and differences between various manifestations of slavery throughout history Providing a truly global coverage of slavery and including thematic injections within each chronological part this handbook is a comprehensive and transnational resource for all researchers interested in slavery the history of labour and anthropology

The Overseers of Early American Slavery Laura R. Sandy, 2020-04-03 Enmeshed in the exploitative world of racial slavery overseers were central figures in the management of early American plantation enterprises All too frequently dismissed as brutal and incompetent they defy easy categorisation Some were rogues yet others were highly skilled professionals farmers and artisans Some were themselves enslaved They and their wives with whom they often formed supervisory partnerships were caught between disdainful planters and defiant enslaved labourers as they sought to advance their ambitions Their history revealed here in unprecedented detail illuminates the complex power struggles and interplay of class and race in a volatile slave society

Russian America Ilya Vinkovetsky, 2011-04-06 From 1741 until Alaska was sold to the United States in 1867 the Russian empire claimed territory and peoples in North America In this book Ilya Vinkovetsky examines how Russia governed its only overseas colony illustrating how the colony fit into and diverged from the structures developed in the otherwise contiguous Russian empire Russian America was effectively transformed from a remote extension of Russia's Siberian frontier penetrated mainly by Siberianized Russians into an ostensibly modern overseas colony operated by Europeanized Russians Under the rule of the Russian American Company the colony was governed on different terms than the rest of the empire a hybrid of elements carried over from Siberia and imported from rival colonial systems Its economic labor and social organization reflected Russian hopes for Alaska as well as the numerous limitations such as its vast territory and pressures from its multiethnic residents it imposed This approach was particularly evident in Russian strategies to convert the indigenous peoples of Russian America into loyal subjects of the Russian Empire Vinkovetsky looks closely at Russian efforts to acculturate the native peoples including attempts to predispose them to be more open to the Russian political and cultural influence through trade and Russian Orthodox Christianity Bringing together the history of Russia the history of colonialism and the history of contact between native peoples and Europeans on the American frontier this work highlights how the overseas colony revealed the Russian Empire's adaptability to models of colonialism

Russia in the Early Modern World Donald Ostrowski, 2022-01-25 A fundamental problem in studying early modern Russian history is determining Russia's historical development in relationship to the rest of the world The focus throughout this book is on the continuity of Russian policies during the early modern period 1450 1800 and that those policies coincided with those of other successful contemporary Eurasian polities The continuities occurred in the midst of constant change but neither one nor the other continuities or changes alone can account for Russia's success Instead Russian rulers from Ivan III to Catherine II with

their hub advisors managed to sustain a balance between the two During the early modern period these Russian rulers invited into the country foreign experts to facilitate the transfer of technology and know how mostly from Europe but also from Asia In this respect they were willing to look abroad for solutions to domestic problems Russia looked westward for military weaponry and techniques at the same time it was expanding eastward into the Eurasian heartland The ruling elite and by extension the entire ruling class worked in cooperation with the ruler to implement policies The Church played an active role in supporting the government and in seeking to eliminate opposition to the government **Masters & Lords** Shearer Davis Bowman,1993 Among regional landed elites in the Western World of the mid 1800s the two most formidable were the owners of slave plantations in the Southern states of the U S and the proprietors of manorial estates in the provinces of Prussian East Elbia Masters and Lords surveys the economic social and political histories of the two classes from the seventeenth and sixteenth centuries respectively and pays particular attention to Southern planters during the secession crisis of 1860 61 and to Junkers during the revolutionary crisis of 1848 49 In the process Bowman grapples with such ambiguous and contentious concepts as capitalism conservatism and paternalism Despite very different labor systems antebellum planters and contemporaneous Junkers alike presided over landed estates that functioned as both autocratic political communities and agricultural enterprises exporting valuable commodities to industrializing England This book also highlights important geographic demographic and political contrasts between the American South and East Elbia as regional societies Bowman concludes that the crucial distinction between the two landed elites is to be found in the Junkers militarist and statist monarchism versus the planters libertarian but racist republicanism A compelling work in comparative history Masters and Lords will appeal to all those interested in Southern history European history agricultural history and slavery

Understanding 19th-Century Slave Narratives Sterling Lecater Bland Jr.,2016-06-13 African American slave narratives of the 19th century recorded the grim realities of the antebellum South they also provide the foundation for this compelling and revealing work on African American history and experiences Naturally it is not possible to really know what being a slave during the antebellum period in America was like without living the experience But students CAN get eye opening insight into what it was like through the gripping stories of bravery courage persistence and resiliency in this collection of annotated slave narratives from the period Each of the collected narratives includes an introduction that provides readers with key historical context on the particular life examined Moreover each narrative is accompanied by annotations that broaden the reader s comprehension of that primary document The primary source documents in this volume tell enthralling stories such as how slave woman Ellen Craft utilized her particularly pale complexion to pose as a free white man overseeing his slaves to free herself and her husband and how Henry Brown successfully shipped himself to freedom in a box measuring scarcely 3 feet by 2 feet by 6 inches deep despite being more than 6 feet tall A Companion to the American South John B. Boles,2008-04-15 A Companion to the American South surveys and evaluates the most important and innovative writing on

the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women s history Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates future concerns *Racism in Contemporary America* Meyer Weinberg, 1996-05-23 Racism in Contemporary America is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America s most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines **American Indians in the Marketplace** Brian C. Hosmer, 1999 Although it is usually assumed that Native Americans have lost their cultural identity through modernization some peoples have proved otherwise Brian Hosmer explores what happened when cultural identity and economic opportunity converged among two Native American communities that used community based industries to both generate income and sustain their cultures Comparing a lumber business run by the Menominees of Wisconsin and a salmon cannery established by British Columbian and Alaskan Tsimshian communities known as Metlakatla Hosmer reveals how each tribe responded to market and political forces over fifty years Hosmer s innovative ethnohistory recounts how these Indians used the marketplace to maintain their distinctiveness to a far greater extent than those who became wage earners in the white man s world Hosmer shows that by selectively incorporating elements of American capitalism into their cultural lives the Menominees and Metlakatlans came to view modernization less as a threat to their tribal life than as a means for maintaining their independence These tribes embraced the same market accused of hastening the demise of native societies and became comparatively successful in American terms even as they both honored fundamental values and forged new cultural identities Over time these peoples came to understand how the market worked recognized that the broader economy operated according to market principles and learned how to adjust to it Hosmer reveals how their strategies of purposeful modernization brought relative economic independence and sometimes the respect and cooperation of local and federal governments how it helped chart a middle course between unchecked individuality and a communal ethos that might stifle economic development and how economic development and cultural values ultimately affected one another American Indians in the Marketplace is a story of adaptation that acknowledges the hardship and suffering common to most Indian white contact while emphasizing the benefits of selective modernization accompanied by a constant re invention of tradition It

questions the victim thesis of Native American history and shows that native peoples can meet the challenges of surviving in the larger world

After Oriental Despotism Alessandro Stanziani, 2014-07-31 The concepts of economic backwardness Asiatic despotism and orientalism have strongly influenced perceptions of modernization democracy and economic growth over the last three centuries This book provides an original view of Russian and Asian history that views both in a global perspective Via this analysis Alessandro Stanziani opens new dimensions in the study of state formation the global slave trade warfare and European and Asian growth After Oriental Despotism questions conventional oppositions between Europe and Asia By revisiting the history of Eurasia in this context the book offers a serious challenge to existing ideas about the aims and goals of economic growth

When Emancipation Came Sally Stocksdales, 2022-09-09 Linked by declarations of emancipation within the same five year period two countries shared human rights issues on two distinct continents In this book readers will find a case study comparison of the emancipation of Russian serfs on the Yazykovo Selo estate and American slaves at the Palmyra Plantation Although state policies and reactions may not follow the same paths in each area there were striking thematic parallels These findings add to our understanding of what happens throughout an emancipation process in which the state grants freedom and therefore speaks to the universality of the human experience Despite the political and economic differences between the two countries as well as their geographic and cultural distances this book re conceptualizes emancipation and its aftermath in each country from a history that treats each as a separate self contained story to one with a unified global framework

Neither the Time nor the Place Christopher Castiglia, Susan Gillman, 2022-05-17 The usefulness of time and place as defining categories would seem to be baked into the very notion of nineteenth century American literary studies yet they have challenged scholars practically since the field s inception In Neither the Time nor the Place seventeen critics consider how the space time dyad has both troubled and invigorated Americanist scholarship in recent decades and make explicit how time and place are best considered in tandem interrogating each other Taken together the essays challenge depictions of place and time as bounded and linear fixed and teleological or mere ideological constructions They address both familiar and unexpected objects practices and texts including a born digital Melville documents from the construction of the Panama Canal the hollow earth the desiring body textual editing marble statuary the sound of frogs spirit photography and twentieth century Civil War fiction The essays draw on an equally wide variety of critical methodologies integrating affect studies queer theory book history information studies sound studies environmental humanities new media studies and genre theory to explore the unexpected dimensions that emerge when time and place are taken as a unit The pieces are organized around considerations of citizenship environment historiography media and bodies five political cultural and or methodological foci for some of the most provocative new work being done in American literary studies Neither the Time nor the Place is a book not only for scholars and students already well grounded in the study of nineteenth century American literature and culture but for anyone scholar or student looking for a roadmap to

some of the most vibrant work in the field Contributors Wai Chee Dimock Stephanie Foote Matthew Pratt Guterl Coleman Hutchison Rodrigo Lazo Caroline Levander Robert S Levine Christopher Looby Dana Luciano Timothy Marr Dana D Nelson Ifeoma C Kiddoe Nwankwo Mark Storey Matthew E Suazo and Edward Sugden

Black/white Relations in American History Leslie Vincent Tischauser, 1998 An annotated bibliography of more than 700 significant works concerning the function of race in American history It evaluates the most important historical sociological and psychological studies published since 1944 An introductory chapter describes and evaluates key general works on the origin and meaning of race and race relations After the introduction chapters are arranged in chronological order All consequential studies of slavery on the national state and local level are included with a brief synthesis of the major findings of the study The book continues through the Civil War the Reconstruction segregation and Jim Crow up to and including the ongoing Civil Rights movement begun in the late 1950s A final chapter includes works that attempt to imagine the cost economically socially and politically of black white racism and discrimination in the United States

Shifting Grounds Paul Quigley, 2011-11-24 The American Civil War brought with it a crisis of nationalism This text reinterprets southern conceptions of allegiance identity and citizenship within the contexts of antebellum American national identity and the transatlantic Age of Nationalism

The 1905 Russian Revolution, 2025-11-14 These translations by Barbara C Allen of Alexander Shlyapnikov's memoirs of his childhood and youth and of his history of the 1905 Revolution in Russia illuminate how a working class provincial youth from a religious dissenter family became a Marxist revolutionary The book comprises a brief published autobiography an unpublished memoir of Shlyapnikov's childhood a short fictional piece based on his early experience of factory work a published historical survey of the 1905 Revolution in Russia and three article length published memoir histories about his early activities in the revolutionary underground and his leadership of a revolutionary organisation in the town of Murom

Comparison and History Deborah Cohen, Maura O'Connor, 2004-11-15 First published in 2004 Routledge is an imprint of Taylor Francis an informa company

The American Economy Cynthia Clark, 2011-03-11 A compelling compilation of short entries longer topical essays and primary source documents that chronicles the historical development of the United States from an economic perspective Based on a work originally published in 2003 The American Economy A Historical Encyclopedia has been thoroughly updated with information on the accounting scandals of the early 2000s and the recession of 2008 including the government stimulus and bailout programs and the recession's impact on key markets With more than 600 short entries 31 longer essays and 32 primary source documents the encyclopedia spans American history from colonial times to the present Researchers will discover detailed information on people events and government actions that have shaped our economy with entries on such seminal issues as slavery migration patterns the welfare state the rise of the city and the development of financial institutions Throughout special attention is paid to the interdependence of economics with political social and cultural forces Covering everything from the national debt to monetary policy law unemployment inflation

and government business relations this work is the ideal go to resource for quick answers in depth analysis or direction for further research

Unfree Labor American Slavery And Russian Serfdom Belknap Press Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Unfree Labor American Slavery And Russian Serfdom Belknap Press free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Unfree Labor American Slavery And Russian Serfdom Belknap Press free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Unfree Labor American Slavery And Russian Serfdom Belknap Press free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Unfree Labor American Slavery And Russian Serfdom Belknap Press. In

conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Unfree Labor American Slavery And Russian Serfdom Belknap Press any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Unfree Labor American Slavery And Russian Serfdom Belknap Press Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
