Crafting Peace in Kashmir Verghese Koithara,2004-08-30 Presenting a completely new perspective on the Kashmir conflict this book argues that resolving the situation can be brought about through a peace strategy rather than a war strategy Through an analysis of the conflicts in Northern Ireland Sri Lanka and Palestine the author draws parallels between the India Pakistan conflict He also presents reasons why a durable peace based on the Line of Control becoming the settled border and the two parts of Jammu and Kashmir being given parallel and substantial autonomy can be achieved in today's conditions The book concludes that peace between India and Pakistan is possible based on political realism and that strategic solutions that safeguard the interests of both countries are available **Cutting the Fuse** Robert A. Pape,James K Feldman,2024-05-31 Cutting the Fuse offers a wealth of new knowledge about the origins of suicide terrorism and strategies to stop it Robert A Pape and James K Feldman have examined every suicide terrorist attack worldwide from 1980 to 2009 and the insights they have gleaned from that data fundamentally challenge how we understand the root causes of terrorist campaigns today and reveal why the War on Terror has been ultimately counterproductive Through a close analysis of suicide campaigns by Al Qaeda and other terrorist organizations in Iraq Afghanistan Pakistan Lebanon Israel Chechnya and Sri Lanka the authors provide powerful new evidence that contrary to popular and dangerously mistaken belief only a tiny minority of these attacks are motivated solely by religion Instead the root cause is foreign military occupation which triggers secular and religious people alike to carry out suicide attacks Cutting the Fuse calls for new effective solutions that America and its allies can sustain for decades relying less on ground troops in Muslim countries and more on offshore over the horizon military forces along with political and economic strategies that empower local communities to stop terrorists in their midst **The Zionist Bible** Nur Masalha,2014-10-20 Throughout the history of European imperialism the grand narratives of the Bible have been used to justify settler colonialism The Zionist Bible explores the ways in which modern political Zionism and Israeli militarism have used the Bible notably the Book of Joshua and its description of the entry of the Israelites into the Promised Land as an agent of oppression and to support settler colonialism in Palestine The rise of messianic Zionism in the late 1960s saw the beginnings of a Jewish theology of zealotocracy based on the militant land traditions of the Bible and justifying the destruction of the previous inhabitants The Zionist Bible examines how the birth and growth of the State of Israel has been shaped by this Zionist reading of the Bible how it has refashioned Israeli Jewish collective memory erased and renamed Palestinian topography and how critical responses to this reading have challenged both Jewish and Palestinian nationalism **War Resistance** ,1973 **Palestinian Secular Terrorism: Profiles of Fatah, Popular Front for the Liberation of Palestine, Popular Front for the Liberation of Palestine - General Command, and Democratic Front for the Liberation of Palestine** Yonah Alexander,2021-10-25 For the fourth volume of terrorist group profiles we

Epp,1976 **When Politics Are Sacralized**

Nadim N. Rouhana,Nadera Shalhoub-Kevorkian,2021-05-27 This book provides a comparative interdisciplinary analysis of

the invocation and interaction of religious and national assertions in sacralizing local and global politics *Musings* William Charles Arbaugh, 2005 It is often said that in polite conversation the topics of religion and politics should be avoided but how long can most of us carry an engaging conversation on the weather One who is concerned about the directions in which this nation is moving must necessarily discuss controversial topics Have the labels liberal and conservative outlived their usefulness Is liberalism truly a bad word What are conservatives trying to conserve Is it possible to rise above the din of partisan debate These brief essays are critical comments on society politics and religion in which the author avoids the pitfalls of extremism The author a minister of the Lutheran Church and with an interest in education sees danger in extreme positions religious or political noting that the right produced Mussolini's Fascism and Hitler's Nazism whereas the left resulted in Stalinist Communism Against rigid absolutist positions as well as spineless relativism one is reminded of the church mouse who once delivered a pertinent aphorism If you stand in the middle of the road the traffic in two directions will flatten you into road kill Essay 10 The point is that controversial topics must not be ignored Problems of narrowness for example have been tackled by the author in Essay 6 which begins with this paragraph Some years ago an acquaintance who liked to speak in grand terms said to me in all seriousness My philosophy is the pursuit of happiness It was narrow and egocentric but at the time I had no response However now many years later I have an answer to that unforgotten statement thanks to a guest at St James Last month Dr William Foege from the Carter Center and Emory University speaking at St James stated that there have been many attempts to define civilization One of these is happiness which caused him to wonder whether a three year old with a chocolate might be more civilized than the parents *Palestinian Religious Terrorism: Hamas and Islamic Jihad* Yonah Alexander, 2021-10-01 This volume profiles Hamas Harakat al Mugawama al Islamiya main radical Islamic terrorist group dedicated to the destruction of the State of Israel and the Palestinian Islamic Jihad smaller in size but equally committed to eliminating Israel through political violence The aim of this book is not to glorify terrorist movements Rather it is designed to provide an easily accessible reference for academics policy makers reporters and other interested individuals on two of the most notorious Palestinian terrorist groups Published under the Transnational Publishers imprint
