David S. Love Thy Body Nancy R. Pearcey, 2018-01-02 Why the call to Love Thy Body To counter a pervasive hostility toward the body and biology that drives today's headline stories Transgenderism Activists detach gender from biology Kids down to kindergarten are being taught their body is irrelevant to their authentic self Is this affirming or does it demean the body Homosexuality Advocates disconnect sexuality from biological identity as male or female Is this liberating or does it denigrate biology Abortion Supporters say the fetus is not a person though it is biologically human Does this mean equality for women or does it threaten the intrinsic value of all humans Euthanasia Those who lack certain cognitive abilities are said to be human but not persons Is this compassionate or does it ultimately put everyone at risk In *Love Thy Body* bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues arguing that a holistic Christian view sustains the dignity of the body and biology Throughout the book Pearcey entrances readers with compassionate stories of people wrestling with hard questions in their

own lives their pain their struggles their triumphs The Jane Austen Guide to Happily Ever After Elizabeth Kantor,2012-04-02 Reveals how women can follow the examples of Jane Austen characters in order to navigate through modern dating love relationship and sex dilemmas and discover the path to happiness *Hard to Get* Leslie C. Bell,2013-03-08 Examines the love lives of twenty something American women in the San Francisco Bay Area revealing that young women have more opportunities and information than previous generations but that unsatisfying sex and relationships tend to stem from sexual freedom **Kiss Me Again** Barbara Wilson,2009-09-15 Do you ever wonder why marriage can seem like the end of intimacy and sexual desire instead of the beginning Ever wonder why it was so hard to resist sex before marriage and so easy to resist it now If so you re not alone Many married women genuinely want to feel more desire toward their husbands and can t figure out what went wrong But there s good news In *Kiss Me Again* Barbara Wilson shows how powerful invisible bonds from past relationships can cause heartache disappointment and distance for couples in the present Then with sensitivity honesty and hope Barbara walks you step by step toward healing and a rekindling of the closeness and passion with your husband that you really want You don t have to live any longer with confusion disappointment resentment or shame You can rediscover desire You can say Wow again Consent on Campus Donna Freitas,2018-08-01 Americans have finally started to pay attention to the sexual assault crisis on our college campuses Yet Donna Freitas warns the way universities educate students about sexual assault and consent is wholly inadequate Universities are she argues more focused on avoiding lawsuits and scandals than on addressing the heart of the problem Freitas advocates for teaching not just how to consent but why it s important to care about consent and for doing so in the university s most important space the classroom *Consent on Campus* is a call to action for university administrators faculty parents and students themselves to create cultures of consent on their campuses **The New Laws of Love** Marie Bergström,2021-12-21 Online dating has become a widespread feature of modern social life In less than two decades seeking partners through commercial intermediaries went from being a marginal and stigmatized practice to being a common activity How can we explain this rapid change and what does it tell us about the changing nature of love and sexuality In contrast to those who praise online dating as a democratization of love and those who condemn it as a commodification of intimacy this book tells a different story about how and why online dating became big The key to understanding the growing prevalence of digital dating lies in what Marie Bergström calls the privatization of intimacy Online dating takes courtship from the public to the private sphere and makes it a domestic and individual practice Unlike courtship in traditional settings such as school work and gatherings of family and friends online dating makes a clear distinction between social and sexual sociability and renders dating much more discrete Apparently banal this privatizing feature is fundamental for understanding both the success and the nature of digital matchmaking Bergström also sheds light on the persisting inequalities of intimate life showing that online dating is neither free nor fair it has its winners and losers and it differs significantly according to gender age and social class Drawing

on a wide range of empirical material this book challenges what we think we know about online dating and gives us a new understanding of who why and how people go online to seek sex and love *Sex and the Soul, Updated Edition* Donna Freitas, 2015 First published in 2008 Donna Freitas's *Sex and the Soul* achieved national acclaim illuminating the as yet unexplored struggles of college students navigating the lines of faith and sexuality Conducting face to face interviews at a wide range of colleges and universities from public to private Catholic to evangelical Freitas discovers what students really think about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face This updated edition includes a new Afterword in which Freitas reflects on the hundreds of conversations she has had with college students since the book was first published and offers further practical advice for dealing with hookup culture *Unveiling the Left* Alex Locay, 2008 Locay breaks the misconceptions and offers a broad spectrum of conservative thought Christian *Sex and the Soul, Updated Edition* Donna Freitas, 2015-02-27 First published in 2008 Donna Freitas's *Sex and the Soul* revealed what college students at institutions large and small public and private secular Catholic and evangelical really think about sex dating religion and spirituality Based on face to face interviews with students across the country *Sex and the Soul* achieved national acclaim illuminating the as yet unexplored struggles of college students navigating the lines of faith and sexuality Now in this updated edition Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all new afterword and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance *Lost in Transition* Christian Smith, Kari Christoffersen, Hilary Davidson, Patricia Snell Herzog, 2011-09-01 Emerging adulthood is fraught with more problems than most people realize The bright side of freedom growth and opportunities for emerging adults is accompanied by a darker more troubling side Based on a major national study of emerging adults ages 18-23 this volume gives readers an inside view of some of the unsettling aspects of emerging adulthood and seeks to understand the deeper roots of such problems **The End of Sex** Donna Freitas, 2013-04-02 Hookup culture dominates the lives of college students today Most students spend hours agonizing over their hopes for Friday night and later dissecting the evenings successes or failures often wishing that the social contract of the hookup would allow them to ask for more out of sexual intimacy The pressure to participate comes from all directions from peers the media and even parents But how do these expectations affect students themselves And why aren't parents and universities helping students make better informed decisions about sex and relationships In *The End of Sex* Donna Freitas draws on her own extensive research to reveal what young men and women really want when it comes to sex and romance Surveying thousands of college students and conducting extensive one on one interviews at religious secular public and secular private schools Freitas discovered that many students men and women alike are deeply unhappy with hookup culture Meaningless hookups have led them to associate sexuality with ambivalence boredom isolation and loneliness yet they tend to accept hooking up as an unavoidable

part of college life Freitas argues that until students realize that there are many avenues that lead to sex and long term relationships the vast majority will continue to miss out on the romance intimacy and satisfying sex they deserve An honest sympathetic portrait of the challenges of young adulthood The End of Sex will strike a chord with undergraduates parents and faculty members who feel that students deserve more than an endless cycle of boozy one night stands Freitas offers a refreshing take on this charged topic and a solution that depends not on premarital abstinence or unfettered sexuality but rather a healthy path between the two
