

UNIT #2 Study Guide

FORMING A NEW GOVERNMENT

1. Articles of Confederation

- I. There was already a Constitution in place which was known as the "Articles of Confederation" (1781)
 - A. In the American Revolution, America went from **self-rule to independence** which is not drastic.
 - B. Establishing democracy in the US was easy during the War because the **Loyalists** (people who were fighting from the British side) left the United States as they lost the War.
 - C. In the Articles of Confederation, **most of the power is vested in the people**
 - D. The US does not want the **stronger central government to rule them as it is a threat.**
 - E. It came into effect in **1781** and lasted until **1789.**
 - F. The main purpose of the Articles of Confederation was to **deal with foreign power interactions.**
 - G. The structure just has the **legislative branch** which includes the 13 states.
 1. This branch cannot tax or regulate trading but can declare war and borrow money.
 - H. If the articles need to be amended, **ALL 13 colonies must agree.**
 - I. Positives:
 1. it helped establish the Constitution
 2. It was a weak government and people did not trust the Articles of Confederation anymore. Aiming for a much more stable government, they were doing trial and error. Since they are trying, the people will also be **VULNERABLE** to try the Constitution to see if it's stable enough.
 3. **Land Ordinance of 1785: EQUITABLE DISTRIBUTION OF LAND**
 - a) the land was divided into **grids which are 6 miles** on each side
 - b) once the land is **divided**, it is put up for **SELL**
 - c) anyone, no matter the wealth or social status, can **BUY** it.
 4. Northwest Land Ordinance of 1787:
 - a) people purchased more land and moved to the West
 - b) Once **60,000 people** move to an area, people can apply for statehood.
 - c) After they have statehood, they will be accepted as an **EQUAL MEMBER in the government.**
 - J. Negatives: Shays's Rebellion

2. Shays's Rebellion

- I. Daniel Shay was a farmer from Massachusetts who fought in the American Revolution and went back to farming when the war was over
- II. In the war, **people borrowed money to fit and even states were in debt.** Each state can tax
- III. **The taxes were really high in Massachusetts because of high debt**
- IV. Shay, being a farmer, cannot afford to pay the taxes and if he does not pay, his land will be taken.
