Mid-continent Banker ,1982 *Vaudeville on the Diamond* David M. Sutera,2014-01-09 Over the last couple of decades minor league baseball games have shown substantial attendance figures with more than forty one million spectators in both 2010 and 2011 With all the high tech live streaming fast paced entertainment available to consumers what is it about minor league baseball that still holds appeal with today s audiences With access to major league games broadcast on countless cable networks what draws fans to small stadiums to watch obscure players struggle to make the big time Sports historian David M Sutera set out to answer these questions by visiting fourteen minor league baseball parks around the country In *Vaudeville on the Diamond* Sutera discusses the lure of minor league baseball with fans players and team representatives examining how teams have survived and thrived in today s competitive entertainment world Combining interviews with game day observations Sutera argues that minor league baseball s key to survival lies in the creation of on and off field attractions that invoke the traditions of vaudeville with their unique and quirky spectacle From inviting fans to participate in dizzy bat competitions and races against the mascot to featuring Star Wars theme nights and monkeys riding border collies teams have created a multifaceted form of entertainment that transcends the game itself Part study and part travelogue *Vaudeville on the Diamond* features numerous photographs of on field entertainment showcasing the vaudevillian side of minor league baseball A light hearted and engaging look at the minor leagues this book will appeal not only to scholars and students of popular culture sports and leisure studies and sports management but to all fans of baseball and minor league sports

Embodied Rhetorics James C. Wilson,Cynthia Lewiecki-Wilson,2001 Presenting thirteen essays editors James C Wilson and Cynthia Lewiecki Wilson unite the fields of disability studies and rhetoric to examine connections between disability education language and cultural practices Bringing together theoretical and analytical perspectives from rhetorical studies and disability studies these essays extend both the field of rhetoric and the newer field of disability studies The contributors span a range of academic fields including English education history and sociology Several contributors are themselves disabled or have disabled family members While some essays included in this volume analyze the ways that representations of disability construct identity and attitudes toward the disabled other essays use disability as a critical modality to rethink economic theory educational practices and everyday interactions Among the disabilities discussed within these contexts are various physical disabilities mental illness learning disabilities deafness blindness and diseases such as multiple sclerosis and AIDS

The United Way Scandal John S. Glaser,1994 Understanding the dangers of running a nonprofit the way that William Aramony ran United Way of America is the most important lesson anyone involved in the nonprofit sector can learn today Aramony led the United Way to great heights and great depths including a cloud of discredit through his use of charity funds for both personal and professional gain This insider s scoop on the biggest blue chip charity s fall from grace is a must read for all concerned nonprofit professionals board members volunteers and donors *Rush, Rock Music, and the Middle*

Class Christopher J. McDonald, 2009-11-02 Canadian progressive rock band Rush was the voice of the suburban middle class In this book Chris McDonald assesses the band's impact on popular music and its legacy for legions of fans McDonald explores the ways in which Rush's critique of suburban life and its strategies for escape reflected middle class aspirations and anxieties while its performances manifested the dialectic in prog rock between discipline and austerity and the desire for spectacle and excess The band's reception reflected the internal struggles of the middle class over cultural status Critics cavalierly dismissed or apologetically praised Rush's music for its middlebrow leanings McDonald's wide ranging musical and cultural analysis sheds light on one of the most successful and enduring rock bands of the 1970s and 1980s

PowerSpeaking Frederick Gilbert (Business coach), 1996-04 *From Memory to Memorial* J. William Thompson, 2017-02-15 On September 11 2001 Shanksville Pennsylvania became a center of national attention when United Airlines Flight 93 crashed into a former strip mine in sleepy Somerset County killing all forty passengers and crew aboard This is the story of the memorialization that followed from immediate unofficial personal memorials to the ten year effort to plan and build a permanent national monument to honor those who died It is also the story of the unlikely community that developed through those efforts As the country struggled to process the events of September 11 temporary memorials from wreaths of flowers to personalized T shirts and flags appeared along the chain link fences that lined the perimeter of the crash site They served as evidence of the residents need to pay tribute to the tragedy and of the demand for an official monument Weaving oral accounts from Shanksville residents and family members of those who died with contemporaneous news reports and records J William Thompson traces the creation of the monument and explores the larger narrative of memorialization in America He recounts the crash and its sobering immediate impact on area residents and the nation discusses the history of and controversies surrounding efforts to permanently commemorate the event and relates how locals and grief stricken family members ultimately bonded with movers and shakers at the federal level to build the Flight 93 National Memorial A heartfelt examination of memory place and the effects of tragedy on small town America this fact driven account of how the Flight 93 National Memorial came to be is a captivating look at the many ways we strive as communities to forever remember the events that change us **Literature of the United States: voices of the nineteenth century,**

The Rodrigo Andrés González, Teresa Requena Pelegrí, 2007-07-23 The Literature of the United States Voices of the Nineteenth Century surveys the literary movements of the United States from its origins up to the twentieth century through a selection of texts which includes poetry short fiction and novels written by men and women of different ethnic backgrounds social classes and geographical areas Among these authors the book analyzes representative pieces by Washington Irving Edgar Allan Poe Nathaniel Hawthorne Herman Melville Emily Dickinson Walt Whitman Frederick Douglass Mark Twain and Charlotte Perkins Gilman This book includes suggestions for further research through a general bibliography and on line resources as well as through a number of open questions that suggest connections between the texts with the aim of
