The United States Catalog, 1904 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1964 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December

Bible Student and Religious Outlook, 1924 **Christianity Without the Cross** Thomas A. Fudge, 2003 Grounded in primary source research this boldly revisionist book examines the doctrine of salvation in Oneness Pentecostalism United Pentecostal Church from its origins through its several developmental stages The gradual rise of a literal interpretation of Acts 2:38 eliminated a tradition of doctrinal diversity within Oneness thought which regarded salvation as occurring at repentance prior to water and Spirit baptism With this development a main link to the wider stream of evangelical Christianity was severed The water and Spirit theology resulted in a form of Christianity which does not necessarily require the cross in any meaningful sense for salvation This study recovers the lost theological tradition associated with important figures such as Howard A. Goss A. D. Gurley W. M. Greer C. H. Tadon Wynn T. Stairs Earl Jacques E. P. Wickens John Paterson and the Pentecostal Church Incorporated Combining traditional historical methodology and theological research with the principles of a broadly based oral history this study argues for a theological diversity within the history of Oneness Pentecostalism and in so doing bridges an important gap in the history and theology of the United Pentecostal Church

The United States Catalog Marion E. Potter, 1912 *Disfellowshipped* Gerald W. King, 2011-08-05 Employing studies in population ecology as a framework for understanding the growth of religious movements *Disfellowshipped* traces the growth of the Pentecostal movement The author explores how the Pentecostal movement developed in relationship to Fundamentalism from its roots in the Holiness movement to the formation of the National Association of Evangelicals Particular attention is given to the various critiques and rebuttals exchanged between Fundamentalists and Pentecostals exploring how these two movements influenced and shaped one another This book shows how despite their mutual antagonism these two movements held far more in common than in contrast This book will be of great importance to all those interested in the history of Fundamentalism and the rise of Pentecostalism **Willing's Press Guide and Advertisers'**

Directory and Handbook, 1911 **Messenger and Visitor**, 1908 **Nigerian Pentecostalism and Development** Richard Burgess, 2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub-Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest

that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region Pentecostal Penetration Into the Indian Community in Metropolitan Durban, South Africa Gerhardus Cornelis Oosthuizen,1975 **The Publishers Weekly** ,1911 **Organized Sunday-school Work in America** ,1908 Organized Sunday-school Work in America, 1905-1908 ,1908 **The United States Catalog** Mary Burnham,Carol Hurd,1928 **Catalog of Copyright Entries.
