Odle, 2013-08-06 On November 8 1985 18 year old Tom Odle brutally murdered his parents and three siblings in the small southern Illinois town of Mount Vernon sending shockwaves throughout the nation The murder of the Odle family remains one of the most horrific family mass murders in U S history Odle was sentenced to death and after seventeen years on death row expected a lethal injection to end his life However Illinois governor George Ryan's moratorium on the death penalty in 2000 and later commutation of all death sentences in 2003 changed Odle's sentence to natural life The commutation of his death sentence was an epiphany for Odle Prior to the commutation of his death sentence Odle lived in denial repressing any feelings about his family and his horrible crime Following the commutation and the removal of the weight of eventual execution associated with his death sentence he was confronted with an unfamiliar reality A future As a result he realized that he needed to understand why he murdered his family He reached out to Dr Robert Hanlon a neuropsychologist who had examined him in the past Dr Hanlon engaged Odle in a therapeutic process of introspection and self reflection which became the basis of their collaboration on this book Hanlon tells a gripping story of Odle's life as an abused child the life experiences that formed his personality and his tragic homicidal escalation to mass murder seamlessly weaving into the narrative Odle's unadorned reflections of his childhood finding a new family on death row and his belief in the powers of redemption As our nation attempts to understand the continual mass murders occurring in the U S *Survived by One* sheds some light on the psychological aspects of why and how such acts of extreme carnage may occur However *Survived by One* offers a never been told perspective from the mass murderer himself as he searches for the answers concurrently being asked by the nation and the world      *The Trouble in Room 519* Thomas Aiello, 2021-08-18 At approximately seven o'clock in the evening on May 7

1950 Gordon Malherbe Hillman filled an empty bottle with water capped it and walked into his mother's room in the pair's fifth floor suite at Boston's luxurious Copley Plaza Hotel He then edged up behind the semi invalid woman and bludgeoned her to death Hotel staff had planned to evict the two the following day after several weeks of unpaid rent Mounting debts had finally broken the fifty year old Hillman a now struggling author of mixed success but it had not always been that way as Thomas Aiello shows in his study of the life and work of this forgotten midcentury figure As a youth Hillman attended the prestigious Noble and Greenough School near Boston Pursuing a career as a writer he published several dozen pieces of short fiction and a critically acclaimed novel *Fortune's Cup* 1941 Hollywood studios purchased the rights to two of his stories and made them into films *The Great Man Votes* 1939 and *Here I Am a Stranger* 1940 But Hillman remained for the most part a middling magazine writer like the majority of fiction authors working during the Depression Although most did not resort to acts of manic violence Hillman's tenuous position in literary circles along with his gradual descent into financial ruin proved a far more common tale than the stories of literary success often pored over by critics and historians of this period In *The*

Trouble in Room 519 Money Matricide and Marginal Fiction in the Early Twentieth Century Aiello weaves a compelling true crime narrative into his exploration of the economics of magazine fiction and the strains placed on authors by the publishing industry prior to World War II Examining Hillman s writing as exemplary of Depression era popular fiction Aiello includes eight stories written by Hillman and originally published in prominent midcentury American magazines including Collier s Liberty and McCall s to provide additional context and insight into this trying time and tragic life
