Understanding Prophetic People Blessings And Problems With The Prophetic Gift:

Understanding Prophetic People R. Loren Sandford, 2007-06-01 Prophecy is cherished by many as one of the fivefold ministry gifts described in Ephesians 4:11 and foundational to the life of the church. Yet prophetically gifted people have a reputation of being different and difficult to live and work with. *Understanding Prophetic People* written by a prophetic pastor who grew up as the son of a prophetic pastor and leader helps readers better understand, relate to, and even minister to prophetically gifted people. R. Loren Sandford answers fascinating questions such as: What is it like to grow up as a prophetically gifted person? What is the difference between adrenaline and anointing? Who validates authentic prophetic ministry? How does a pastor rightly relate to a prophet? This rich resource seeks deeper understanding and wisdom on issues of foundational importance for prophetic people and everyone who loves God's gifts.

The Prophetic Church R. Loren Sandford, 2009-02 Since 9/11 the Jordanian Abu Muhammad al Maqdisi b. West Bank 1959 has emerged as one of the most important radical Muslim thinkers alive today. While al Maqdisi may not be a household name in the West, his influence amongst like-minded Muslims stretches across the world from Jordan where he lives today to Southeast Asia. His writings and teachings on Salafi Islam have inspired terrorists from Europe to the Middle East, including Abu Musab al Zarqawi, the former leader of al Qaeda in Iraq, and Ayman al Zawahiri, Osama Bin Laden's successor as the head of al Qaeda Central. This groundbreaking book, which is the first comprehensive assessment of al Maqdisi, his life, ideology, and influence, is based on his extensive writings and those of other jihadis, as well as on interviews that the author conducted with former jihadis, including al Maqdisi himself. It is a serious and intense work of scholarship that uses this considerable archive to explain and interpret al Maqdisi's particular brand of Salafism. More broadly, the book offers an alternative insider perspective on the rise of radical Islam, with a particular focus on Salafi opposition movements in Saudi Arabia and Jordan.

Renewal for the Wounded Warrior R. Loren Sandford, 2010-02 Speaking from experience, longtime renewal leader plumbs the depths of burnout, offering help and healing to believers going through this dark night of the soul.

Visions of the Coming Days R. Loren Sandford, 2012-05-15 In these uncertain times, this highly respected prophetic leader casts a striking prophetic vision for the coming days, helping you understand and prepare for them.

The Last Great Outpouring R. Loren Sandford, 2020-08-18 After four hundred years of prophetic silence, God sent John the Baptist to announce the coming of the Messiah, the baptism He would bring, and the in-breaking of the kingdom of God on earth. In response, people streamed to the Jordan River to hear John's words and be baptized by him in the Jewish ritual mikveh bath for cleansing from sin and defilement. John's calling was to prepare the people for the coming glory. Our God is nothing if not consistent: the same yesterday, today, and forever. As in the days leading to the return of Jesus, He therefore continues to send messengers in advance to announce coming moves of the Spirit in order to prepare His people to receive. Author R. Loren Sandford believes God is about to do something huge, wonderful, and even unprecedented in scope and impact, and he is urging Christians everywhere to prepare for it. Beginning

with the prophet Haggai and moving through the Bible Loren lays a foundation for his belief that the time of the last great outpouring and the Lord's return is now. He writes, "The church in our day has been ravaged and diminished in influence under pressure from the idolatrous culture that surrounds us and that figuratively speaking a remnant is even now returning from exile. It's time to rebuild on a biblical foundation and construct a temple adequate to contain the outpouring God is about to send." Loren says we must reject our present culture which is steeped in consumerism and a focus on self and return to a culture of covenant. The former has weakened and destroyed us while the latter will edify and strengthen us. As John the Baptist came in the spirit and power of Elijah to prepare the way, prophetic voices are now rising to proclaim that the greatest outpouring of the Holy Spirit in history is coming. The great last days move of God approaches and the call for preparation now is the same as John preached so long ago. Through reliable prophetic voices God now cries for holiness and cleansing to uproot everything in ourselves and in our churches not solidly rooted in the nature of Jesus and the Father.

Welcoming a Visitation Wesley Campbell, 1996. In *Welcoming a Visitation of the Holy Spirit* Wesley Campbell takes a refreshing firsthand look at the renewal movement known as the Toronto Blessing. He combines the expertise of a biblical scholar with the unabashed enthusiasm of someone who's fallen in love with his Savior all over again. Learn about Prophecies in 1984 that pointed to events in Toronto in 1994. Biblical tests you can use to identify a visitation of the Holy Spirit. The spiritual meanings behind falling down, shaking and laughing. New outbreaks of renewal and the future of the movement.

Leaving Home--Finding Home Jessie C. Mejias, 2010-02-26. *Leaving Home Finding Home: My Journey from Shame to Sonship through Journaling* is the first book of its kind showing how God Himself brought inner healing by speaking into one woman's life. In it, author Jessie Mejias shares how God counsels and heals her through journaling. The central theme of *Leaving Home Finding Home* is healing through intimacy with God, an intimacy that develops as she writes out her conversations with Him. The author devotes several chapters to her background and childhood, but the heart of the book is Jessie's actual journal. About her decision to share her journal verbatim, she says, "When the Lord first instructed me to write this book, my natural instinct was to transform the ramblings of my mind and heart into a nice, neat package that the reader could easily follow. However, as I prayed about His instructions, I felt very strongly that He wanted me to demonstrate how I received my healing through journaling itself." Jessie Mejias grew up in what she would have described as an Ozzie and Harriet kind of home: loving parents, close siblings, good schools, and a religion that dictated solid values. What she did not know was that beneath the surface lay a shaky foundation of dysfunctional family rules and generational patterns. As a young adult, Jessie watched her neat world crumble when two of her siblings succumbed to mental illness while the family stood by helplessly. Subsequently, her family scattered and she unwittingly married an abusive alcoholic man. Her disastrous marriage precipitated her decision to give her life to Christ. But despite her newfound faith at age 27, she found herself a single mother of two young sons. In the ensuing years, Jessie sought and found healing and growth through studying the Bible and receiving

Christian counseling Miraculously she and her husband were remarried after seven years of separation and divorce She became involved in teaching and leading Bible studies within her local church and was confident that she was already experiencing the abundant life that God promised to His children However when she decided to return to school to earn a degree in Christian counseling God began to show her that she was still suffering from the traumas of her childhood and that shame was an integral part of her life that He wanted to remove This revelation launched her into an unprecedented time of accelerated healing that was to be the inspiration for this book Leaving Home Finding Home chronicles that journey from shame to sonship through one on one dialogue with God Shame is a universal problem that is sometimes hard to pinpoint We describe ourselves as embarrassed shy fearful or hesitant but we never actually understand that the source of these emotions is shame Shame is a terrible feeling that we are a mistake that somehow we were never supposed to exist The author found that this feeling of shame was so deeply hidden in her heart that it was not until God began to unwrap her from her emotional chains that she could see that this was the true source of her poor self image Jessie vividly describes her feelings of shame It was as if all my life I had been living in a slum that I would leave from time to time to go the nice clean neighborhood down the block at first for short times then for longer and longer periods of time but inevitably I would end up at some point back in this dump The sight of it would make me sick but I did not know how to leave it completely behind God Himself initiated this unique approach to inner healing as He took Jessie back to her childhood home and school and walked with her through each traumatic event of her young life reaching deep into her heart to show her what was hidden there

faith practices and rituals thereof within the larger framework and context of African Independent Churches This theology is used to help place the faith of patients and the importance of God s role as healer ahead of the healing rituals Its unique theme driven interconnected chapters contain discussions around various practices encompassing purification and protection rituals as well as therapeutic worship Consequently scholars in religious studies theology anthropology and history will find this book an important resource in understanding the role of healing rituals among African Independent Churches

Christian Theological Education and the Response to the Crisis in Zimbabwe Bekithemba Dube, Gift

Masengwe, 2025-10-02 The book offers an incisive examination of the governing philosophy of the Zimbabwe African National Union Patriotic Front ZANU PF referred to as Zanupfism characterizing it as marked by callousness and malevolence towards dissenting voices from civil society and opposition factions This pernicious application of power extends beyond mere verbal aggression to encompass militaristic actions engendering a profound generational crisis within Zimbabwe The contributors explore the compelling juxtaposition between President Emmerson Mnangagwa and the biblical Nebuchadnezzar II a ruler notorious for his autocratic reign and expansive ambitions Further critically scrutinizing the complicity of neo Pentecostal prophets in the book reveals how these religious figures promote an esoteric understanding of the divine diverging from a theology rooted in justice thereby enabling the oppressive regime s practices This critique underscores the imperative for prophets to recalibrate their theological perspectives urging them to move beyond magical interpretations of faith toward an authentic engagement with a personal God who champions justice The book further encompasses the complex interplay of political and religious narratives examining how church leaders either bolster or undermine Mnangagwa s political ideology highlighting the tendency among certain religious factions to deify political authority ultimately exacerbating societal inequities In advocating for a transformative theological discourse in Zimbabwe the book asserts that religious narratives must serve as instruments for fostering democracy social justice and equity rather than sustaining a status quo that entrenches authoritarian governance The necessity for unified principled resistance grounded in the collective agency of the populace emerges as a salient theme in the quest for meaningful political and social reform
