Understanding The Arizona Constitution

Toni McClory

Understanding The Arizona Constitution:

Understanding the Arizona Constitution Toni McClory, 2016-10-01 Arizona became the nation's 48th state in 1912 and since that time the Arizona constitution has served as the template by which the state is governed Toni McClory's *Understanding the Arizona Constitution* has offered insight into the inner workings and interpretations of the document and the government that it established for almost a decade Since the book's first publication significant constitutional changes have occurred some even altering the very structure of state government itself There have been dramatic veto battles protracted budget wars and other interbranch conflicts that have generated landmark constitutional rulings from the state courts The new edition of this handy reference addresses many of the latest issues including legislative term limits Arizona's new redistricting system educational issues like the controversial school voucher program and the influence of special interest money in the legislature A total of 63 propositions have reached the ballot spawning heated controversies over same sex marriage immigration and other hot button social issues This book is the definitive guide to Arizona government and serves as a solid introductory text for classes on the Arizona Constitution Extensive endnotes make it a useful reference for professionals within the government Finally it serves as a tool for any engaged citizen looking for information about online government resources administrative rules and voter rights Comprehensive and clearly written this book belongs on every Arizonan's bookshelf

The Arizona Constitution Study Guide Academic Solutions, 2009-01 The Arizona Constitution was written in 1910 amended and ratified by Arizona voters and approved by Congress in 1911 On Valentine's Day in 1912 Arizona was declared an equal State of the Union Since that time Arizona citizens have freely exercised their right to amend the Constitution The Constitution now has 30 articles and over 40 000 words This book will help you to read study and understand the fundamental structure of Arizona's government and the rights and responsibilities of Arizona's citizens and elected officials

Political Encyclopedia of U.S. States and Regions Donald P. Haider-Markel, Michael A. Card, 2009 Providing expert analysis of government and politics in all 50 states and the U S territories this innovative two volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics

Reapportionment and Redistricting in the West

Gary F. Moncrief, 2011-12-22 In *Reapportionment and Redistricting in the West* Gary F Moncrief brings together some of the best known scholars in American state and electoral politics to explore the unique processes and problems of redistricting in the western United States These political scientists examine the specific challenges facing western states in ensuring fair and balanced political representation Western states tend to be geographically large and experiencing rapid population growth and the chapters in this enlightening volume discuss the changing demographics in western states paying special attention to the rise in the Latino population and the effect this has had on reapportionment and redistricting They describe the ways in which some of these states achieve redistricting through independent redistricting commissions a process rarely found in

other regions and they provide policy prescriptions for the future

The Executive Branch of State Government Margaret R. Ferguson, 2006-04-21 This volume offers both historical and contemporary perspectives on the office of the governor covering all 50 states and providing a comprehensive examination of the executive branch at the state level One of three titles in ABC CLIO's About State Government set this work offers comprehensive coverage of contemporary American politics at the state level It explores the critical roles played by the governorship and state level bureaucracies both in managing the state's business and as a component of the overall national system of government Written by some of the nation's foremost authorities on state politics The Executive Branch of State Government chronicles the evolution of the state level executive apparatus from colonial times to the present emphasizing its current importance on the local and national political stage Chapters examine the structure and function of the governorship and state agencies the people who serve as governor and in those agencies and the multitude of forces that impact their work A separate chapter examines the particular characteristics of executive branches state by state

State Constitutional Politics John Dinan, 2018-04-06 Since the US Constitution came into force in 1789 it has been amended just twenty seven times with ten of those amendments coming in the first two years following ratification By contrast state constitutions have been completely rewritten on a regular basis and the current documents have been amended on average 150 times This is because federal amendments are difficult so politicians rarely focus on enacting them Rather they work to secure favorable congressional statutes or Supreme Court decisions By contrast the relative ease of state amendment processes makes them a realistic and regular vehicle for seeking change With *State Constitutional Politics* John Dinan looks at the various occasions in American history when state constitutional amendments have served as instruments of governance Among other things amendments have constrained state officials in the way they levy taxes and spend money enacted policies unattainable through legislation on issues ranging from minimum wage to the regulation of marijuana and updated understandings of rights including religious liberty equal protection and the right to bear arms In addition to comprehensively chronicling the ways amendments shape politics in the states Dinan also assesses the consequences of undertaking changes in governance through amendments rather than legislation or litigation For various reasons including the greater stability and legitimacy of changes achieved through the amendment process he argues that it might be a more desirable way of achieving change

The Constitutionalism of American States George E. Connor, Christopher W. Hammons, 2008 This comparative study of state constitutions offers insightful overviews of the general and specific problems that have confronted America's constitution writers since the country's founding Each chapter reflects the constitutional theory and history of a single state encompassing each document's structure content and evolution Provided by publisher

The Practice of Constitutional Development Filippo Sabetti, Barbara Allen, Mark Sproule-Jones, 2008-12-16 This edited collection further expands our knowledge about what comprises a successful constitution in both theory and application Building on the research and analysis of Vincent Ostrom who as one of America's

leading scholars on constitutions has spent a lifetime writing about constitutions in America and overseas Each essay shows how particular countries governments and organizations devise constitutions to reflect their visions of governance and sets of rules for their leaders On a higher theoretical level the contributors emphasize the importance of choosing the rules of the political game in order to determine the nature of the game itself Extending Ostrom s intellectual quest to solve constitutional dilemmas the scholars gathered here discuss a wide variety of issues ranging from the problems of water scarcity and local public economies in Africa to the prospect of a new political order in the European North

Congressional Record United States. Congress,1995 *The Arizona State Constitution* John D. Leshy,2013-03-15 In *The Arizona State Constitution* John D Leshy provides a comprehensive history of Arizona s constitutional development Adopted at the height of the progressive movement the Constitution contains many progressive innovations Leshy describes these along with the dramatic changes the state has undergone in subsequent decades He also includes a section by section commentary which crisply discusses the evolution and interpretation of each section including significant court decisions Thoroughly updated to reflect amendments and court cases through the fall of 2012 the second edition of *The Arizona State Constitution* is an essential reference guide for readers who seek a rich account of Arizona s constitutional evolution *The Oxford Commentaries on the State Constitutions of the United States* is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the state s constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents *Bilingual Courts Act* United States. Congress. House. Committee on the Judiciary. Subcommittee on Civil and Constitutional Rights,1976 *Bilingual Courts Act* United States. Congress. House.
