Understanding The Counselling Relationship Professional Skills For Counsellors Series

Colin Lago, Barbara Smith

Understanding The Counselling Relationship Professional Skills For Counsellors Series:

Understanding the Counselling Relationship Colin Feltham, 1999-07-09 This book presents contrasting views of the relationship between the counsellor or therapist and the client as held by practitioners from diverse theoretical orientations. Each chapter clarifies and considers the elements of the counselling relationship which have the most bearing on therapeutic practice and the strengths of each are highlighted in terms of understanding theory and skills. *New Therapist* It is now widely accepted that the therapeutic relationship referred to here as the counselling relationship may be the most significant element in effective practice. *Understanding the Counselling Relationship* presents contrasting views of the relationship between the counsellor or therapist and the client as held by practitioners from diverse theoretical orientations. Each chapter clarifies and considers the elements of the counselling relationship which have most bearing on therapeutic practice. The strengths of each position are highlighted in terms of understanding theory and skills. The relevance of certain psychological, sociological and research based issues for practitioners from a variety of theoretical backgrounds are also considered.

Understanding the Counselling Relationship Colin Feltham, 1999-09-13 This book presents contrasting views of the relationship between the counsellor or therapist and the client as held by practitioners from diverse theoretical orientations. Each chapter clarifies and considers the elements of the counselling relationship which have the most bearing on therapeutic practice and the strengths of each are highlighted in terms of understanding theory and skills. *The New Therapist* It is now widely accepted that the therapeutic relationship referred to here as the counselling relationship may be the most significant element in effective practice. *Understanding the Counselling Relationship* presents contrasting views of the relationship between the counsellor or therapist and the client as held by practitioners from diverse theoretical orientations. Each chapter clarifies and considers the elements of the counselling relationship which have the most bearing on therapeutic practice and the strengths of each are highlighted in terms of understanding theory and skills. **Contracts in Counselling & Psychotherapy** Charlotte Sills, 2006-06-15 Praise for the First Edition: An excellently edited book. It touches upon the core philosophical bases of psychodynamic, psychoanalytic, cognitive and humanistic counselling and explores the complicated and sometimes contradictory nature of contracting within these approaches. The book is written in an accessible language and often uses very powerful imagery to underline its message. I found this book to be extremely stimulating, accessible and readable. I recommend it to all people interested in counselling and particularly to students of counselling at all levels. *British Journal of Guidance and Counselling*. **Contracts in Counselling and Psychotherapy** Second Edition is a practical guide to an essential area of professional knowledge and skills. Any kind of therapeutic relationship requires an agreement between practitioner and client at the outset. When contracting with clients, practitioners need to consider a whole range of factors including goals of counselling, theoretical orientation, brief or open ended counselling, different personality types, ethical and legal issues. This book provides a unique guide to the nature of counselling contracts, why they are needed and how they are made. For the second edition, the book has been thoroughly updated to take account of the BACP ethical framework. Two new chapters have been added covering the legal aspects of contracting and how to make contracts with trainees. *Contracts in Counselling and Psychotherapy* Second Edition is an

authoritative source of information and practical guidance for trainees and practitioners in counselling and psychotherapy Charlotte Sills is Visiting Professor at Middlesex University and Head of Transactional Analysis Department at Metanoia Institute London

Counselling and Psychotherapy with Children and Adolescents Linda Hopper, 2006-11-07 It is increasingly understood that to counsel children and adolescents effectively requires specialized skills simply adapting techniques developed for adults will not work Drawing on the work of Bowlby Winnicott and others Linda Hopper here gives a brief introduction to the emotional development of young people and shows how play and other creative means can be used to help them to express their inner feelings In a comprehensive overview of the area she also discusses issues of difference and identity the counselling process and ethical issues in counselling children The author's wide experience of working with children and adolescents shines through in vivid case studies covering a range of clients contexts and difficulties Offering a judicious balance of theory and practical discussion *Counselling and Psychotherapy with Children and Adolescents* focuses on the essential knowledge needed to work therapeutically with children It is thus an ideal foundation text for students undertaking training in child counselling either as part of their initial training or in post qualification professional development

Counselling and the Life Course Léonie Sugarman, 2004-03-23 The author introduces counsellors to the concept of the life course as a multidimensional and multidisciplinary framework for thinking about clients lives within and beyond the counselling setting It aims to give counsellors an understanding of human development and how it impacts upon their work with clients

Counselling, Psychotherapy and the Law Peter Jenkins, 2007-08-01 Jenkins book makes the law relevant understandable and manageable to counsellors and psychotherapists It makes clear reassuring and essential reading for therapists in training as well as those in practice All counsellors and psychotherapists need to be up to speed with the law and with how it relates to their work This book is more than timely with the impending introduction of regulation and the fact that increasingly the work of counsellors and psychotherapists is being subjected to legal scrutiny

Healthcare Counselling and Psychotherapy Journal *Counselling Psychotherapy and the Law* is the long awaited Second Edition of Peter Jenkins comprehensive introduction to legal issues in relation to counselling and psychotherapy in the UK This text has been fully updated to include coverage of the key developments in the law that have had major impact on therapists practice with regard to data protection and the management of confidentiality The book breaks new ground by exploring in detail the relationship of ethics to the law and providing a framework for relating the BACP Ethical Framework to legal decision making Key features of this new edition include extensive use of case studies These bring legal examples to life and give a human dimension to powerful ethical dilemmas such as seeking agreement to end medical treatment or clients gaining access to their own confidential records key points which provide quick summaries of complex material and reference guides for professional practice the multiple points of crossover and intersection of law and therapy These are identified and explored ranging from the use of narrative theory to the provision of pre trial therapy for abused children to

the role of the therapist as expert witness This new edition provides clarity and reassurance for practitioners at all levels about the exact nature of their responsibilities and how these can best be managed in order to enable them to comply with the law and focus on their therapeutic work with clients Counselling Psychotherapy and the Law Second Edition provides an essential source of reference in a single volume making a fascinating and complex topic understandable and bringing it to life Peter Jenkins formerly a member of the BACP Professional Conduct Committee and currently a member of the Ethics Committee of the UKCP has been described by Counselling at Work as probably the foremost authority on legal issues in counselling He is Co Director of the Counselling and Psychotherapy Directorate at the University of Salford More reviews Despite requiring real concentration this is an essential read for counsellors and psychotherapists irrespective of background and theoretical orientation Trainers supervisors and agency coordinators especially would benefit from the up to date material contained here Therapy Today Peter Jenkins has consulted widely over the content of this book both within the psychological therapies field and with legal eagles His use of clear flow diagrams and comparison boxes enable the reader to identify the similarities and differences between professional and moral ethical debates It is a thoroughly researched and accessible text Association for University and College Counselling Journal a comprehensive overview of a rapidly evolving field This book represents a helpful addition to practitioners bookshelves as a reference work but also a beneficial read to stimulate thoughtful responses to practical dilemmas It provides a good support to both therapeutic and supervision practices across the spectrum of experience and theoretical models The Psychotherapist Anti-Discriminatory Practice in Counselling & Psychotherapy Colin Lago, Barbara Smith, 2010-09-21 Anti Discriminatory Practice in Counselling and Psychotherapy is a groundbreaking text which identifies the ease with which individuals can be disadvantaged merely on the basis of their gender race culture age sexuality or ability Examining these and other areas of discrimination leading experts highlight how vital it is for counsellors psychotherapists and others in the helping professions to be aware of and engage with their own social political and cultural attitudes and how they must develop their skills as culturally sensitive reflective practitioners if counselling is to be truly accessible to all members of society This substantially revised and updated second edition now also includes chapters on working within an anti discriminatory approach with refugees people with mental health difficulties people with disfigurement or visible differences While each thought provoking chapter now links theory to practice by providing case studies and extracts from therapeutic dialogues assesses the most recent research findings provides exercises for enhancing awareness and skills within each different domain or care setting presents references for further recommended reading Clearly written and accessible Anti discriminatory Practice in Counselling and Psychotherapy is an indispensable addition to the toolkit of everyone either training to be or practising in the counselling and psychotherapeutic professions **Anti-discriminatory Counselling Practice** Colin Lago, Barbara Smith, 2003-02-18 The aim of compiling this book is to increase awareness of the origins of discrimination oppression and disadvantage and how

these elements impinge on therapeutic relationships in counselling settings

Medical and Psychiatric Issues for Counsellors Brian Daines, Linda Gask, Amanda Howe, 2007-09-27 Praise for the First Edition An interesting overview of medical and psychiatric issues that may arise for counsellors readable lucid and free of jargon The issues addressed include referral and assessment ongoing counselling and supervision medical conditions and their treatment psychiatric conditions and their treatment and ethical and legal issues it raises awareness of some important issues to consider when working with clients with medical and psychiatric conditions British Journal of Guidance and Counselling Medical or psychiatric issues frequently arise during counselling and counsellors need to equip themselves with the knowledge and skills to respond appropriately Medical and Psychiatric Issues for Counsellors Second Edition is the perfect guide to this challenging area of practice It provides a clear introduction to the nature of mental illness the relationship between mental and physical health and the role of counselling in relation to both Highly practical and right up to date this Second Edition examines how to manage medical or psychiatric issues as they emerge whether during assessment or at a later stage in the counselling process Guidance is given on how to recognise serious mental health problems the effects of psychiatric drugs assessment and referral to other services and legal and ethical issues The Second Edition covers changes in the context of counselling practice particularly in health care settings such as the use of tools to measure outcomes evidence based practice and clinical governance The common principles of care and working with other professionals are also explored This Second Edition is essential reading both for counsellors in health care settings and those practising in more general contexts It is also suitable for all mental health workers needing a clear practical introduction to working with clients Brian Daines is an independent practitioner Clinical Tutor in Psychosexual Medicine at University of Sheffield and a college counsellor Linda Gask is Professor of Primary Care Psychiatry at University of Manchester and Honorary Consultant Psychiatrist in Salford Amanda Howe is Professor of Primary Care at the Institute of Health University of East Anglia

Group Counselling Keith Tudor, 1999-04-28 This book provides a comprehensive examination of theories and concepts relating to group counselling and shows how differing theoretical frameworks can be used as a basis for practice Organized around the counselling process the book considers the practicalities of establishing and running a group raising awareness of its life cycle its cultural location and many other diverse issues Special emphasis is placed on the importance of therapeutic attitudes and philosophies as a basis for practice and humanistic and existential approaches to group counselling are given particular attention The author encourages readers to be aware of their conceptual framework and how it influences their work

Understanding The Counselling Relationship Professional Skills For Counsellors Series Introduction

In the digital age, access to information has become easier than ever before. The ability to download Understanding The Counselling Relationship Professional Skills For Counsellors Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Understanding The Counselling Relationship Professional Skills For Counsellors Series has opened up a world of possibilities. Downloading Understanding The Counselling Relationship Professional Skills For Counsellors Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Understanding The Counselling Relationship Professional Skills For Counsellors Series has democratized knowledge. Traditional books and

academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Understanding The Counselling Relationship Professional Skills For Counsellors Series. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Understanding The Counselling Relationship Professional Skills For Counsellors Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Understanding The Counselling Relationship Professional Skills For Counsellors Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Understanding The Counselling Relationship Professional Skills For Counsellors Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Understanding The Counselling Relationship Professional Skills For Counsellors Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital

eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Understanding The Counselling Relationship Professional Skills For Counsellors Series is one of the best book in our library for free trial. We provide copy of Understanding The Counselling Relationship Professional Skills For Counsellors Series in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Understanding The Counselling Relationship Professional Skills For Counsellors Series. Where to download Understanding The Counselling Relationship Professional Skills For Counsellors Series online for free? Are you looking for Understanding The Counselling Relationship Professional Skills For Counsellors Series PDF? This is definitely going to save you time and cash in something you should think about.
