we are almost forced solely into the expedient With little room left for a faculty that requires us to slow down for it to function imagination reflection and wonder have to hitchhike to find their way to our deeper places Like the old phonographs that played vinyl records poems are running at 33rpm whereas the business of the everyday is running on 45 or 78rpm 45 or 78rpm gets through the records a lot quicker but the beauty and clarity of the music are missed The poems contained here are for when you have a moment to take that evening walk The invitation is to find an experience of delight in an image or the association of images that we normally don't put together My hope is that there are many pieces here that offer you a perspective that speaks to you in some way and maybe to a place in yourself that hasn't been spoken to for a while **Send Out Your Light** Sandra McCracken, 2021-09-28 In the middle of Psalm 43 God offers us a dynamic invitation Send out your light Prolific singer songwriter Sandra McCracken believes we each have the opportunity to hear and answer this invitation This book is written in three parts part one is the becoming the creation how God makes us and gives us an identity Part two is the disorientation of loss displacement and the dark night of the soul Part three is reorientation how God brings us through the darkness and illuminates our path with Scripture sending us out to take his light to others This has been the shape of Sandra McCracken's life Through it all songs and Scripture have been there to light the way helping her respond to God's call How will you respond to God's call to send out his light *Journal of James Hale* James HALE (late Sergeant in the Ninth Regiment of Foot.), 1826 *The Holy Days of God, the Holidays of Man* Holly M. Snead, 2012-12-07 For two thousand years the Church Universal has celebrated the life of our Lord At Christmas we remember and celebrate his birth in a stable in Bethlehem We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel After his three years of ministry we prepare for his suffering and death and grieve at the foolishness of the people who could not believe We stand at his cross and watch as his disciples who followed him fled in fear for their lives but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord To their wonder and ours we rejoice in his resurrection and celebrate the life he has given us through his suffering death and resurrection We celebrate his ascension to Heaven with his promise that he would be with his disciples in the Presence of the Spirit to teach and prepare them for his return Ten days after his Ascension we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church We hear the words of Peter and sit in wonder of all the Spirit promised Then suddenly the Church stops its celebration There is silence for six months until in December we return to the stable in Bethlehem and start our celebration again What have we forgotten what do we neglect What are we missing Why has the celebration stopped at Pentecost Where is the mature Church the victorious Church Where is the promised Return of our Lord in His Father's Glory Where is the Bridegroom How much longer must the Bride wait Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost God calls us to celebrate the entire story from

beginning to end He promised his faithful remnant that he would return to them and they would dwell with him in His Presence He promised the rejoicing would have no end Come with us as we learn and celebrate the Rest of the Story A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israels Feast Days The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israels festal calendar but Gods faithfulness in bringing all those feast days to final fulfillment in Christs Parousia What she brings to the reader is tremendous and exciting insight into how the NT writers applied Israel s feast days to the work of Christ If you have never considered Israels New Moons feast days and sabbaths as they relate to the End Times you owe it to yourself to read this book Whatever you do read the Appendices These special studies are more than worth the price of the book all by themselves Don K Preston D Div President Preterist Research Institute www.eschatology.org 365 Level steps Volume 2: Masonic Meditations for Every Day of Another Year Jonti Marks,2025-01-31 This second compilation of books from the Masonic Meditations series brings together the full texts of Distant Peaks Travelling light and Widow s Sons as well as selections from Blessings of Peace Once again the author has set out to present a work that will accompany every mason through a full year of deep contemplation of the spiritual aspects of our beloved craft and which will be a vehicle for a daily advancement in meaningful and heartfelt knowledge **Unfolded** Brian Schubring,Linda Schubring,2025-04-28 A provocative allegory to help individuals and leaders develop a sense of their true identity permission to dream and courage to transform An allegory about an origami crane s dream of becoming a paper plane Unfolded imparts a philosophy and strategy to help leaders meet their full potential cultivate better relationships and grow their leadership capacity Through purposeful storytelling the book encourages readers to join a journey of transformation self acceptance and expression helping them unpack their identity and build confidence in themselves Readers will learn how to look within to navigate their lives and about the importance of understanding the internal map of their life story lived experiences lessons learned and shaping relationships This book gives readers permission to dream and shows readers how to Work with your feelings of self doubt fear shame guilt and judgment when taking the next step forward See play as practice in disguise and trying as intentional practice Track stories maps creases folds and dreams to look at your life and learn something important Unfolded is a critical business book empowering individuals and leaders to begin a discussion on personal wellbeing and professional influence and help their people understand how meaningful relationships and lived experiences are shaping how they show up on their teams their families and in the world *Brave Intuitive Painting-Let Go, Be Bold, Unfold!* Flora S.
