Crisp, 2016-09-20 A Fresh Theological Account of the Person and Work of Christ The literature on Christology is large and ever expanding The same is true for work on the atonement which has blossomed in the last decade Few studies attempt to connect the dots between these two theological topics however In this volume respected theologian Oliver Crisp offers a fresh analytic theological account of the person and work of Christ focusing on the theme of union with God Incarnate Along the way he engages a range of contemporary and historic Christian thinkers and tackles a number of key issues in contemporary discussions Wide ranging and carefully argued this unified account of the person and work of Christ will be of interest to scholars and students of Christian theology

The Theater of God's Glory W. David O. Taylor, 2017-08-21 A theological framework for the liturgical arts rooted in John Calvin Both detractors and supporters of John Calvin have deemed him an enemy of the physical body a pessimist toward creation and a negative influence on the liturgical arts But says W David O Taylor that only tells half of the story Taylor examines Calvin's trinitarian theology as it intersects his doctrine of the physical creation in order to argue for a positive theological account of the liturgical arts He does so believing that Calvin's theology can serve perhaps surprisingly as a rich resource for understanding the theological purposes of the arts in corporate worship Drawing on Calvin's Institutes biblical commentaries sermons catechisms treatises and worship orders this book represents one of the most thorough investigations

available of John Calvin's theology of the physical creation and the promising possibilities it opens up for the formative role of the arts in worship

Who God Says You Are Klyne R. Snodgrass, 2018-01-08 WHO ARE YOU For respected New Testament scholar Klyne Snodgrass this is the most important question a person can ask the question from which everything else in life flows Other questions follow What made you who you are Who gets to say who you are And perhaps most vital Who does God say you are In this book Snodgrass offers wise guidance to all who are wrestling with such universal human questions He examines nine factors including one's body personal history commitments and boundaries that shape human identity and he expertly draws out what the Bible tells us about who God says we are how we fit within God's purposes and how our God-given identity can and must impact the way we live our lives Uncovering Calvin's God Forrest H. Buckner, 2020-08-20 Although God loves you is a common summary of the central message of Christian teaching and preaching a close reading of the Bible and attention to the Christian tradition will reveal passages of Scripture and Christian doctrines particularly John Calvin's doctrine of predestination that seem to undermine confidence in God's love for all people For numerous theologians including many within the Reformed tradition the secret decree of Calvin's God to save some and condemn others seems to undercut completely one's assurance of salvation along with one's ability to trust in and worship God However pastor and scholar John Calvin confidently spoke of God as a loving Father throughout his teaching and preaching In Uncovering Calvin's God Forrest H. Buckner unearths Calvin's teaching about the God of love who reigns sovereign over predestination Drawing upon sources from across Calvin's corpus Buckner examines Calvin's teaching on the knowledge of God and the doctrine of predestination to provide a more robust and cohesive understanding of Calvin's theology which Buckner then confirms through an extensive examination of Calvin's preaching in Geneva He then offers a critical comparison of Calvin's approach with the teaching of Luther Zwingli Bullinger Arminius and Barth Using Calvin's system as a starting point this book helps readers perceive the essentials and trade offs of any doctrine of predestination that takes seriously both the Bible and the loving God revealed in Jesus Christ

Assurance of Adoption Chun Tse, 2020-09-21 This book presents a new paradigm for assurance of salvation It argues that an adoption-centric understanding of salvation based on union with Christ enables one to appreciate salvation in its fullest splendor Seeing assurance from historical exegetical and theological perspectives it contends that assurance of adoption is assurance of salvation

Radcliff, 2014-11-05 In this volume Jason Radcliff examines T F Torrance's reading of the church fathers Radcliff explores how Torrance reconstructs the patristic tradition producing a Reformed evangelical and ecumenical version of the Consensus Patrum Consensus of the Fathers This book investigates how Torrance uniquely understands the Fathers and the Reformers to be mutually informing and how as such his approach involves significant changes to both standard readings of the Fathers and Torrance's own Reformed evangelical tradition Torrance's approach is distinctive in its Christocentric rootedness in the primary theme of the Nicene homoousion of one essence with the Father and its champion Athanasius of Alexandria The book explores Torrance's inherently broad ecclesiology and constructive achievements both of which contribute to his ongoing ecumenical relevance Seek First Jeremy R. Bates, 2017-03-14 We are saved by faith when we trust that Jesus died for our sins This is the gospel or so we are taught But what is faith And does this accurately summarize the gospel Because faith is frequently misunderstood and the climax of the gospel misidentified the gospel's full power remains untapped While offering a fresh proposal for what faith means within a biblical theology of salvation Matthew Bates presses the church toward a new precision we are saved solely by allegiance to Jesus the king Instead of faith alone Christians must speak about salvation by allegiance alone The book includes discussion questions for students pastors and church groups and a foreword by Scot McKnight **Sacramental Preaching** Hans Boersma, 2016-07-19 Leading Scholar Offers a Theological Approach to Preaching This primer on the ministry of preaching connects reading the Bible theologically with preparing and preaching sermons Hans Boersma explains that exegesis involves looking beyond the historical and literal meaning of the text to the hidden sacramental reality of Christ himself which enables us to reach the deepest meaning of the Scriptures He provides models for theological sermons along with commentary on exegetical and homiletical method and explains that

patristic exegesis is relevant for reading the Bible today The book includes a foreword by Eugene H Peterson How Then Shall We Guide? Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition's distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work's thesis **Seeing by the Light** Ike Miller, 2020-05-05 How can we understand God's revelation to us Exploring both Augustine's and Karl Barth's readings of the Johannine literature Ike Miller casts a broader vision of divine illumination arguing for a fully Trinitarian view of illumination that forms not just our intellect but also appeals to the affections and encourages our ethical action *Homo Florens?* Nadia Marais, 2023-10-09 What does it mean to flourish Human flourishing lies at the heart of the good news of the gospel and yet contemporary theologies know not only one way of speaking about what it means to flourish If we embed our theological grammars of flourishing in the doctrine of salvation as the doctrine in which theological flourishing talk is arguably rooted and from which rich fruit may be borne there is not one but various ways in which to speak about what it means to flourish Yet what governs our speaking Why do we speak of flourishing as we do The various conceptions of human flourishing that are outlined in this book piety joy and comfort being fully alive healing and dignity grace happiness and blessing represent a collection of attempts not only to imagine human flourishing but also to imagine ways of speaking about human flourishing Perhaps what theology could offer to the vibrant and robust conversations on human flourishing lies exactly in the reminder to take care about how we speak about that which is truly and deeply human our longing to flourish Ex Auditu - Volume 33 Stephen Chester, 2018-08-03 Introduction Stephen J Chester You Become What You Worship Theosis and the Story of the Bible Ben C Blackwell Response to Blackwell Cynthia Peters Anderson The Old Testament and Participation with God and in Christ Re Reading the Life of Moses with Some Help from Gregory of Nyssa Brent Strawn Response to Strawn J Nathan Clayton Cruciform or Resurrectiform Paul's Paradoxical Practice of Participation in Christ Michael J Gorman Response to Gorman Markus Nikkanen Union's with Christ Colossians 1:15-20 Grant Macaskill Response to Macaskill Constantine R Campbell Why Bother with Participation An Early Lutheran Perspective Olli Pekka Vainio Response to Vainio Stephen J Chester The Geography of Participation In Christ is Location Location Location Julie Canlis Response to Canlis Mary Patton Baker Jews and Gentiles together in Christ The Jerusalem Council on Racial Reconciliation Ashish Varma Response to Varma Hauna Ondrey Letting the Music Play Matthew 22:34-40 Cynthia Peters Anderson **Catholic Today** Willem van Vlastuin, 2020-05-11 What is the

real meaning of the church for Christian life If we confess Christian faith the church is one of the twelve articles which implies that the church is rather important In the creeds of the early church catholicity is confessed as characteristic for the church This means that the church cannot exist without catholicity What does this qualification mean In this study the author listens to the understanding of the concept of catholicity in the theology of Ignatius Cyprian Cyril Augustine and Vincent In the second part of the book some representatives of the reformed tradition are analyzed namely John Calvin James Ussher John Owen Herman Bavinck and Gerrit Berkouwer This analysis leads to a comparison between the early church and the reformed tradition Listening to theologians from the early church and the reformed tradition Van Vlastuin presents an up to date concept of the catholicity of the church which clarifies among others that the visibility of the church belongs to the essence of Christ's body that practicing the catholicity of the church is necessary against denominationalism and party formation that loss of catholicity leads to spiritual and theological impoverishment that the understanding of catholicity implies also orthodoxy with consequences for the interpretation of *semper reformanda* and that the consciousness of catholicity is related to the citizenship of two worlds

Conclusion 17 Implications Joseph B Modica **A Theology for the Church** Dr. Daniel L. Akin, 2014-06-01 The revised edition of *A Theology for the Church* retains its original structure organized under these traditional theological categories: revelation, God, humanity, Christ, the Holy Spirit, salvation, the church, and last things. Each chapter within these sections contains answers to the following four questions: What does the Bible say? What has the church believed? How does it all fit together? How does this doctrine impact the church today? Contributions from leading Baptist thinkers R. Albert Mohler Jr., Paige Patterson, and Mark Dever among others will also appeal to the broader evangelical community. Included in this revision are new chapters on theological method from a missional perspective, Bruce Ashford and Keith Whitfield, and theology of creation, providence, and Sabbath that engages current research in science and philosophy, Chad Owen Brand. Chapters on special revelation, David Dockery, and human nature, John Hammett, have also been updated. **Converting Witness** David W. Congdon, John G. Flett, 2019-06-05 Building on the work and legacy of Darrell L. Guder, *Converting Witness: The Future of Christian Mission in the New Millennium* explores key questions and new possibilities in missiology in light of the world Christian context. The conversation around missional theology and the missional church has examined the gap between theology and mission with the intent of fostering renewal within North American Christianity. But this can only fully occur in relation to the reality of world Christianities and the framing significance of global cultural diversity. Many of the classic categories and methods such as church planting, catholicity, and even the term world Christianity itself are in need of fresh examination and thoughtful analysis. The contributors to this volume address a range of important missiological topics including globalization, interfaith dialogue, integral mission, intercultural hermeneutics, and church practices.
