United States Cuban Relations A Critical History

Esteban Morales Domínguez

United States Cuban Relations A Critical History:

United States-Cuban Relations Esteban Morales Dominguez, Gary Prevost, 2008-03-07 *United States Cuban Relations* breaks new ground in its treatment of this long and tumultuous relationship. The overall approach, mirroring the political science background of both authors, does not focus on historical detail that has been provided by many other works but rather on a broad analysis of trends and patterns that have marked the long relationship between the two countries. Dominguez and Prevost argue that U.S. policy toward Cuba is driven in significant measure by developments on the ground in Cuba. From the U.S. intervention at the time of the Cuban Independence War to the most recent revisions of U.S. policy in the wake of the Powell Commission, the authors demonstrate how U.S. policy adjusts to developments and perceived reality on the island. The final chapters of the book focus on the contemporary period with particular emphasis on the changing dynamic toward Cuba from U.S. civil society. Dominguez and Prevost describe how the U.S. business community, fearful of being isolated from Cuba's reinsertion in the world's capitalist markets, has united with long-standing opponents of the U.S. embargo to win the right to sell food and medicines to Cuba over the last four years. Ultimately, the authors are realists about the possibility of better relations between the U.S. and Cuba, pointing out that short of the collapse of Cuba's current political and economic system, fundamental change in U.S. policy toward the island is unlikely in the immediate future. **Debating**

U.S.-Cuban Relations Jorge I. Dominguez, Rafael M. Hernández, Lorena G. Barberia, 2012-03-22 Two decades ago, affairs between the United States and Cuba had seen little improvement from the Cold War era. Today, U.S. Cuban relations are in many respects still in poor shape, yet some cooperative elements have begun to take hold and offer promise for future developments. Illustrated by the ongoing migration agreement, professional military to military relations at the perimeter of the U.S. base near Guantánamo, and professional Coast Guard/Guardafrontera cooperation across the Straits of Florida, the two governments are actively exploring whether and how to change the pattern of interactions. The differences that divide the two nations are real, not the result of misperception, and this volume does not aspire to solve all points of disagreement. Drawing on perspectives from within Cuba as well as those in the United States, Canada, and Europe, these authors set out to analyze contemporary policies, reflect on current circumstances, and consider possible alternatives for improved U.S. Cuban relations. The resulting collection is permeated with both disagreements and agreements from leading thinkers on the spectrum of issues the two countries face: matters of security, the role of Europe and Latin America, economic issues, migration, and cultural and scientific exchanges in relations between Cuba and the United States. Each topic is represented by perspectives from both Cuban and non-Cuban scholars, leading to a resource rich in insight and a model of transnational dialogue. *Cuba* Louis A. Pérez, 2015 Spanning the history of the island from pre-Columbian times to the present, this highly acclaimed survey examines Cuba's political and economic development within the context of its international relations and continuing struggle for self-determination. The dualism that emerged in Cuban ideology between liberal constructs of patria

and radical formulations of nationality is fully investigated as a source of both national tension and competing notions of liberty equality and justice Author Louis A P rez Jr integrates local and provincial developments with issues of class race and gender to give students a full and fascinating account of Cuba s history focusing on its struggle for nationality *Regional Cases in U.S. Foreign Policy* Donald M. Snow,2017-05-01 *Regional Cases in U S Foreign Policy* is the perfect accompaniment to U S Foreign Policy Back to the Water s Edge It provides micro level bilateral interactions among specific states material that is often ignored or downplayed in more general treatments of the subject Each of the seven chapters is devoted to a region of the world in which the United States conducts significant foreign policy Each chapter features case studies of American interaction with two different countries in that region allowing students the opportunity to compare policy interactions across as well as within particular regions *Rewriting Histories of the Use of Force* Agatha Verdebout,2021-09-23 It is commonly taught that the prohibition of the use of force is an achievement of the twentieth century and that beforehand States were free to resort to the arms as they pleased International law the story goes was indifferent to the use of force Reality as it stems from historical sources however appears much more complex Using tools of history sociology anthropology and social psychology this monograph offers new insights into the history of the prohibition of the use of force in international law Conducting in depth analysis of nineteenth century doctrine and State practice it paves the way for an alternative narrative on the prohibition of force and seeks to understand the origins of international law s traditional account In so doing it also provides a more general reflection on how the discipline writes rewrites and chooses to remember its own history *Cuban Missile Crisis* Priscilla Roberts,2012-04-23 Drawing on revealing new research this richly informative volume is the definitive concise introduction to the crisis that took the world to the brink of nuclear war Cuban Missile Crisis The Essential Reference Guide captures the historical context the minute by minute drama and the profound repercussions of the Missiles of October confrontation that brought the very real threat of nuclear attack to the United States doorstep Coinciding with the 50th anniversary of the crisis it takes full advantage of recently opened Soviet archives as well as interviews with key Russian Cuban and U S officials to explore the event as it played out in Moscow Havana Washington and other locations around the world Cuban Missile Crisis contains an introductory essay by the author and alphabetically organized reference entries contributed by leading Cold War researchers The book also includes an exceptionally comprehensive bibliography Together these resources give readers everything they need to understand the escalating tensions that led to the crisis as well as the intense diplomacy that resolved it including new information about the back channel negotiations between Robert Kennedy and Soviet ambassador Anatoly Dobrynin **Latinos and Latinas at Risk** Gabriel Gutiérrez,2015-01-26 This two volume collection of essays addresses the Latino a experience in present day America covering six major areas of importance education health family children teens and violence The Latino a presence in this country predates the United States itself yet this group is often marginalized in the American culture Many noted experts

explore the ideology behind this prejudicial attitude examining how America views Latinos as how Latinos as view themselves and what the future of America will look like as this group progresses toward equitable treatment Through the exploration process the book reveals the complexity and diversity of this community tracing the historical trajectories of those whose diverse points of origin could be from almost anywhere including the Americas Europe or other places Written with contemporary issues at the forefront this timely collection looks at the resolve of the Latino people and considers their histories contributions concerns and accomplishments Pointed essays address disparate quality of life issues in education health and economic stability while depicting individual and group efforts in overcoming barriers to mainstream American society Each chapter discusses key challenge areas for the Latino American population in everyday life An engaging Further Investigations feature poses questions about most of the essays leading to critical thinking about the most important topics affecting Latino as today

Problems and Alternatives in the Modern Americas Pablo A. Baisotti, 2021-09-30 This volume explores several notable themes related to political processes in Latin America and offers insightful historical perspectives to understand national regional and global issues in the continent from the beginning of the 20th century to the present day The collected essays focus on Latin American politics such as political cycles left wing political parties nationalism progressivism crime and resistance violence authoritarianism and relationships with the United States Venezuela Chile Ecuador Brazil Colombia and Paraguay The perspectives of the chapters presented an attempt to seek lines of continuity by highlighting traditional interpretations of new scenarios and refusing to impose a traditional and uncritical linear historical narrative The fundamental objective of the volume is to provide a rational and critical political historical explanation of Latin America since the early 20th century with the purpose among others of deepening understanding of the present

Politics of Latin America Harry E. Vanden, Gary Prevost, 2021 An introduction to twenty first century Latin America Early history Democracy and dictators a historical overview from independence to the present day The other Americans Society family and gender Religion in Latin America The political economy of Latin America Democracy and authoritarianism Latin American political culture Politics power institutions and actors Struggling for change revolution social and political movements in Latin America U S Latin American relations Mexico Nora Hamilton and Patrice Olsen Argentina Aldo C Vacs Brazil Wilber Albert Chaffee Chile Eduardo Silva Colombia John C Dugas Venezuela Daniel Hellinger Bolivia Waltraud Q Morales and Annabelle Conroy Cuba Gary Prevost Guatemala Susanne Jonas and Harry E Vanden Nicaragua Gary Prevost and Harry E Vanden Appendix 1 Presidential elections Appendix 2 Recent legislative elections

Fifty Key Scholars in Black Social Thought Marie-Claude Jipguep-Akhtar, Nazneen M. Khan, 2024-10-15 *Fifty Key Scholars in Black Social Thought* is a collaborative volume that uplifts and explores the intellectual activism and scholarly contributions of Black social thinkers It implores readers to integrate the research of Black scholars into their teaching and research and fundamentally to rethink the dominant epistemological claims and philosophical underpinnings of the Western social sciences The volume features 50

chapters written by 55 scholars who explore the diverse contributions of notable Black thinkers both historical and contemporary Four thematic areas organize this work Black epistemology Black geopolitics Black oppression and resistance and Black families and communities Through a close analysis of the fifty thinkers presented here the chapters explore these themes while dismantling the whitewashed disciplinary histories methodologies and content that obscure and or subjugate the significance of Black social thought In addition to offering insightful and timely analysis each chapter offers suggested readings for readers who would like to dive deeper into the work of Black social thinkers This volume offers an accessible starting point for exploring the work of Black scholars past and present and their contributions to sociology and the social sciences more broadly It is useful to students academics practitioners and the lay public who are curious about Black social thought

Cuba and Revolutionary Latin America Dirk Kruijt, 2017-01-01 The Cuban revolution served as a rallying cry to people across Latin America and the Caribbean The revolutionary regime has provided vital support to the rest of the region offering everything from medical and development assistance to training and advice on guerrilla warfare Cuba and Revolutionary Latin America is the first oral history of Cuba's liberation struggle Drawing on a vast array of original testimonies Dirk Kruijt looks at the role of both veterans and the post Revolution fidelista generation in shaping Cuba and the Americas Featuring the testimonies of over sixty Cuban officials and former combatants Cuba and Revolutionary Latin America offers unique insight into a nation which in spite of its small size and notional pariah status remains one of the most influential countries in the Americas

Cuban Identity and the Angolan Experience C. Peters, 2012-09-17 Exploring the cultural politics of Cuba's epic military engagement in the Angolan civil war this book narrates the transformation of Cuban national identity from Latin African to Caribbean through the experience of internationalism in Angola

The United States and Cuba Francisco López Segrera, 2017-04-17 This timely book takes the historic restoration of diplomatic ties between Cuba and the United States in 2015 as the point of departure for a Cuban perspective on future relations Tracing the history of the long and contentious relationship Francisco López Segrera analyzes the pre revolutionary and Cold War periods as well as more recent changes within each nation and in the international environment that led to the diplomatic opening and the abandonment of regime change as the goal of U S policy He considers factors such as the declining influence of hard line Cuban exiles in the United States almost universal calls from Latin America Europe and other U S allies for constructive diplomatic engagement and the economic restructuring underway in Cuba following the crisis of the Special Period triggered by the collapse of the Soviet Union The author also identifies conditions favoring further progress as well as outstanding issues that may constitute barriers especially the blockade U S demands for a Western style democracy in Cuba and its refusal to return the Guantanamo naval base to Cuban sovereignty Comparing the differing perceptions shaping policies on both sides López Segrera weighs the steps that will be necessary for the two countries to move toward full normalization

Cuban Studies 40 Louis A. Perez, Jr., K. Lynn Stoner, Gladys Marel Garcia Perez, Teresa Chapa, Rachel M.

Hynson,2010-01-31 Includes essays on the role of race in the revolution of 1933 the subject of disaster in eighteenth century Cuban poetry developments in Cuban historiography over the past fifty years a profile of the work of historian Jos Vega Suol and a remembrance of essayist and literary critic Nara Arajo who also contributed an article on travel in Cuba for this volume

Ethnic Interest Groups in US Foreign Policy-Making H. Rytz,2013-10-09 This book comprises the first systematic study on the impact of ethnic interest groups on US foreign policy using the case study of how the Cuban American National Foundation CANF influenced the outcome of three different legislatives debates that directly affected US Cuba policy

Race in Cuba Esteban Morales Domínguez,2013 As a young militant in the 26th of July Movement Esteban Morales Domínguez participated in the overthrow of the Batista regime and the triumph of the Cuban Revolution The revolutionaries he understood sought to establish a more just and egalitarian society But Morales Dominguez an Afro Cuban knew that the complicated question of race could not be ignored or simply willed away in a post revolutionary context Today he is one of Cuba s most prominent Afro Cuban intellectuals and its leading authority on the race question Available for the first time in English the essays collected here describe the problem of racial inequality in Cuba provide evidence of its existence constructively criticize efforts by the Cuban political leadership to end discrimination and point to a possible way forward Morales Dominguez surveys the major advancements in race relations that occurred as a result of the revolution but does not ignore continuing signs of inequality and discrimination Instead he argues that the revolution must be an ongoing process and that to truly transform society it must continue to confront the question of race in Cuba

People's War Thomas A Marks,Paul Rich,2019-12-18 Far from being an anachronism much less a kit bag of techniques people s war raises what has always been present in military history irregular warfare and fuses it symbiotically with what has likewise always been present politically rebellion and the effort to seize power The result is a strategic approach for waging revolutionary warfare the effort to make a revolution Voluntarism is wedded to the exploitation of structural contradiction through the building of a new world to challenge the existing world through formation of a counterstate within the state in order ultimately to destroy and supplant the latter This is a process of far greater moment than implied by the label guerrilla warfare so often applied to what Mao and others were about This volume deals with the continuing importance of Maoist and post Maoist concepts of people s war Drawing on a range of examples that include Peru Colombia Bolivia the Caucasus and Afghanistan the collection shows that the study of people s war is not just an historical curiosity but vital to the understanding of contemporary insurgent and terrorist movements The chapters in this book were originally published as a special issue of Small Wars Insurgencies

Cuban Studies 49 Alejandro de la Fuente,2020-03-03 Cuban Studies is the preeminent journal for scholarly work on Cuba Each volume includes articles in English and Spanish and a large book review section In publication since 1970 and under Alejandro de la Fuente s editorial leadership since 2013 this interdisciplinary journal covers all aspects of Cuban history politics culture diaspora and more Issue 52 contains three dossiers two on urban Habana and one on

understandings of the Cuban Revolution in 1960s Latin America **Social Movements and Leftist Governments in Latin America** Gary Prevost, Carlos Oliva Campos, Professor Harry E Vanden, 2013-04-04 In recent years the simultaneous development of prominent social movements and the election of left and centre left governments has radically altered the political landscape in Latin America These social movements have ranged from the community based piqueteros of Argentina that brought down three governments in the space of a month in 2001 to the indigenous movements in Ecuador and Bolivia that were instrumental in toppling five governments in the last decade And in the cases of Venezuela and Brazil social movements helped to provide the political base from which leftist leaders like Hugo Chavez and Lula were swept into power by election This wide ranging volume moves beyond simple discussion of these social movements to address an issue that is crucial for politics in the region today but has yet to be properly analysed specifically what is the position of the social movements after progressive governments take power Are they co-opted in support of government policies or do they remain at arm's length as continuing opponents How many of the movement's demands are actually met and what happens when the government almost inevitably disappoints its supporters in such movements This unique and important work explores these questions shedding new light on how these social movements continue to operate in Latin America **The New Global Politics** Harry Vanden, Peter Funke, Gary Prevost, 2017-03-16 Over the past decade there has been an unprecedented mobilization of street protests worldwide from the demonstrations that helped bring progressive governments to power in Latin America to the Arab Spring to Occupy movements in the United States and Europe to democracy protests in China This edited volume investigates the current status nature and dynamics of the new politics that characterizes social movements from around the world that are part of this revolutionary wave Spanning case studies from Latin America North and South Africa the Middle East Asia Europe and North America this volume examines the varied manifestations of the current cycle of protest which emerged from the Global South and spread to the North and highlights their interconnections the globalized nature of these social movements Analytically converging around Sidney Tarrow's emphasis on protest cycles political opportunity structures and identity the individual chapters investigate processes such as global framing internationalization diffusion scale shifts externalizations and transnational coalition building to provide an analytic cartography of the current state of social movements as they are simultaneously globalizing while still being embedded in their respective localities Looking at new ways of thinking and new forms of challenging power this comprehensive volume will be of great interest to graduates and scholars in the fields of globalization social movements and international politics
