A Guide to the Reading Workshop, Grades 3-5 Lucy Calkins, Kathleen Tolan, 2010

A Practical Guide to Exemplary Professional Development Schools Michael Cosenza, JoAnne Ferrara, Diane W. Gómez, 2024-03-01

Professional Development Schools are complex and comprehensive school-university partnerships focusing on professional development of new teachers and veteran teachers while providing high quality education to P-12 students. The chapters of this book contain the stories of 8 highly successful and nationally recognized professional development schools. Each story provides the reader with practical ideas, procedures, and policies that can be implemented by the reader to begin new partnerships or help improve and sustain existing partnerships. Each chapter discusses the rich clinical preparation combined with progressive experiences in PDSs that have made the partnership successful. The diverse authors from several different states describe their efforts to forge PDS partnerships to develop and deliver high quality teacher preparations, practical experiences for teacher candidates, and simultaneously provide professional development for experienced practitioners. The book will be a valuable resource to school and university faculty and administrators as they transition to a partnering model of clinical preparation for teacher candidates; it will help stakeholders decide if their schools and institutions are ready to commit to a partnership and highlight the benefits they stand to gain. The book also realistically addresses challenges in a way the reader can prepare for to reduce obstacles in establishing and sustaining PDSs.
