Van Horne,1997-01-30 Global Convulsions affords the reader an array of observations data and insights pertaining to both local and global events around the issues of race ethnicity and nationalism at the end of the twentieth century It scrutinizes closely the phenomenon of race in both historical and scientific contexts and calls out a range of sociohistorical forces that have engendered ethnicity and nationalism Through case studies the contributors bring into sharp focus an array of ethnic cleavages the difficulty of the struggle for national rights where language and religion draw a hard ethnic divide and the actual corrosiveness of ethnicity and nationalism on the state The enduring value of Global Convulsions lies in its global reach and the patterns that it calls out It makes plain that the state is no salvation in relation to national chauvinism ethnic exclusivism and or racial paranoia Indeed the state if not the cause is often a consummative force perpetuating these phenomena Still according to the contributors to this volume the state has much potential to transcend the divides of race ethnicity and nationalism And so in Global Convulsions does one discern the possibility of us them becoming us together Integrated Marketing

Communication Robyn Blakeman,2014-07-10 Now in its second edition this comprehensive text offers a classroom tested step by step approach to the creative processes and strategies for effective IMC It also details changes in traditional advertising and marketing principles Blakeman covers key areas from marketing plans branding positioning and creative briefs to copywriting design and considerations for each major media format Throughout she explores visual and verbal tactics along

with the use of business theory and practices and how these affect the development of the creative message This user friendly introduction walks students through the varied strands of IMC including advertising PR direct marketing and sales promotion in a concise and logical fashion Several new chapters address the latest additions to the mix Internet social mobile and alternative media plus guerrilla marketing The text builds students skills in developing a creative idea employing the correct message and placing it appropriately and will continue to serve as a handy reference to using the most effective communications approaches throughout their careers
