Noel B. Salazar, 2010-11-01 As tourism service standards become more homogeneous travel destinations worldwide are conforming yet still trying to maintain or even increase their distinctiveness Based on more than two years of fieldwork in Yogyakarta Indonesia and Arusha Tanzania this book offers an in depth investigation of the local to global dynamics of contemporary tourism Each destination offers examples that illustrate how tour guide narratives and practices are informed by widely circulating imaginaries of the past as well as personal imaginings of the future **Momentous Mobilities** Noel B. Salazar, 2018-07-20 Grounded in scholarly analysis and personal reflection and drawing on a multi sited and multi method research design *Momentous Mobilities* disentangles the meanings attached to temporary travels and stays abroad and offers empirical evidence as well as novel theoretical arguments to develop an anthropology of mobility Both focusing specifically on how various societies and cultures imagine and value boundary crossing mobilities elsewhere and drawing heavily on his own European lifeworld the author examines momentous travels abroad in the context of education work and spiritual quests and the search for a better quality of life **Envisioning Eden** Noel B. Salazar, *Conceptual Histories of "tourism"* Noel B. Salazar, 2018

Tourism Imaginaries at the Disciplinary Crossroads Maria Gravari-Barbas, Nelson Graburn, 2016-06-23 Providing a unique analysis of current multidisciplinary research on the complex relationships between tourism and the imaginaries of tourist destinations this book traces the links between tourism imaginaries and their religious heaven and political utopia antecedents The substantive chapters are organised into three main thematic sections the first

explores the touristic production and consumption of place imaginaries the second analyses the way places are practiced through imaginaries and the role imaginaries play in the tourist experience and the final section explores the way images and the media participate in the creation of tourism imaginaries *Seeing the "other"* Noel B.
