## **Toward An Exegetical Theology Biblical Exegesis For Preaching And Teaching:**

Toward an Exegetical Theology Walter C. Kaiser, Jr.,1998-08-01 Proposes a method of biblical interpretation consisting of contextual syntactical verbal theological and homiletical analysis      **Toward an Exegetical Theology** Walter C. Kaiser,1981

Toward an exegetical theology [Chinese] ,1985      **Antiochene Theoria in the Writings of Theodore of Mopsuestia and Theodoret of Cyrus** Richard J. Perhai,2015-03-01 Biblical scholars have often contrasted the exegesis of the early church fathers from the eastern region and school of Syrian Antioch against that of the school of Alexandria The Antiochenes have often been described as strictly historical literal exegetes in contrast to the allegorical exegesis of the Alexandrians Patristic scholars now challenge those stereotypes some even arguing that few differences existed between the two groups This work agrees that both schools were concerned with a literal and spiritual reading But it also tries to show through analysis of Theodore and Theodoret s exegesis and use of the term theoria that how they integrated the literal theological readings often remained quite distinct from the Alexandrians For the Antiochenes the term theoria did not mean allegory but instead stood for a range of perceptions prophetic christological and contemporary It is in these insights that we find the deep wisdom to help modern readers interpret Scripture theologically      **Biblical Exegesis, Fourth Edition** John H. Hayes,Carl R. Holladay,2022-10-04 This is a beginner s guide to biblical exegesis providing exegetical methods practices and theories This book provides simple helpful information and guidance about doing exegesis without being overly prescriptive succinctly introduces students to various methods provides basic bibliographies that take students beyond an introductory discussion and emphasizes exegesis as an everyday activity based on commonsense principles rather than as an esoteric enterprise This revised edition of this perennially best selling textbook includes discussions of emerging methods of interpretation aimed at a contemporary audience Several chapters have been updated and improved and readers will find an incisive new chapter on exegesis with a focus on identity and advocacy Holladay has also written a new concluding chapter on exegesis as the art of seeing Bibliographies are updated and a helpful glossary is included in this new edition      A Handbook to the Exegesis of the New Testament Stanley E. Porter,2022-02-07 This handbook provides a substantial theoretical and practical guide to the multi faceted discipline of exegesis of the New Testament After an introduction to exegesis and a bibliographic essay on the basic tools the volume has two major parts The first focuses on method and includes essays on the major approaches to exegesis including textual criticism language genre and backgrounds The second part applies exegetical method to the various literary units of the New Testament Most exegetical handbooks are either too short and brief thereby failing to cover the requisite current topics in sufficient depth or too technically difficult failing to provide a useful methodology This coordinated volume offers succinct and well informed essays with plenty of bibliography written by experts in their respective fields The handbook will serve well as a textbook as well as a reference book to the major tools and topics in the area This publication has also been published in paperback please click here for details

*Secrets of the Prince of Expositors* Michael Hawk Mills, 2025-04-25 Crowds thronged to hear Alexander Maclaren. Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit. What drew so many to travel to Manchester, England, to hear a preacher Maclaren knew how to apply the text to real life. His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon. His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties. Every Sunday people go to a Bible study, listen to a sermon, or read Scripture and they leave without transforming any part of their lives. Despite consistently studying the Bible, some people show little difference between the way they act now and the way they acted years ago. This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture. Maclaren's sermons, as well as his essay *An Old Preacher on Preaching*, teach expositors today how to make the Bible's truths come alive and be applicable. Equipped for Good Work Joe H. Cothen, Th.D., 2014-11-21 A practical handbook for today's pastors. Extensively updated to aid in meeting the increased demands and challenges of twenty-first century ministry, this edition includes expanded indexes, reading lists, and technological suggestions. Covering everything from policy programming to organizational management, each invaluable chapter serves as a vital resource for ministers facing the challenges of pastoral work today. Scripture as Communication Jeannine K. Brown, 2021-07-20 Jeannine Brown, a seasoned teacher of biblical interpretation, believes that communication is at the heart of what happens when we open the Bible. We are actively engaging God in a conversation that can be life-changing. In this guide to the theory and practice of biblical hermeneutics, Brown emphasizes the communicative nature of Scripture, proposing a communication model as an effective approach to interpreting the Bible. The new edition of this successful textbook has been revised and updated to interact with recent advances in interpretive theory and practice. The Biblically-Driven Church: How Jesus Builds His Body Cliff McManis, 2016-09-20 How does a church grow? Who builds the church? What is the real, honorable church anyway? **Preaching Christ in a Postmodern Culture** K. A. Beville, 2010-04-16 Starting with some observations relating to shifts in ecclesiology and identifying them as a move beyond contextualization to syncretism, this work goes on to assess the feasibility of preaching in a postmodern culture which rejects both the idea of absolute truth and authority used as power. It traces the historical and philosophical development of postmodernism. The Enlightenment project is deemed to have failed, and Christianity is perceived as an oppressive metanarrative. In a world that is becoming increasingly sceptical and where preaching practitioners are becoming disillusioned, this book offers some guidelines about preaching to postmoderns. In a relational age, rationality is impotent, but the author distinguishes between authoritative and authoritarian preaching, allowing hope for the survival of the homiletic task. Humility is presented as preferable to certitude, and persuasion is redefined. The author suggests using an inductive mode of communication as a means of engaging postmodern listeners. He signposts a way forward in the labyrinthine complexity of the new paradigm and

demonstrates that the homiletic task is still feasible Thus this book will be of interest to teachers and students of theology as well as pastors desiring to develop a new apologetic strategy Canaan to Corinth Michael Li-Tak Shen,2010 Michael Li Tak Shen carefully examines the biblical view of God s absolute uniqueness and argues that the biblical texts are consistent in their prohibition of idolatry and its paraphernalia in whatever form a helpful point in similar pastoral situations today in a world of idols ideologies addictions and runaway consumerism The high view of the absolute nature of God warns against lax and mistaken notions of so called Christian freedom Robert Solomon Bishop the Methodist Church in Singapore Book Jacket

Cultural Contextualization of Apologetics Matt W. Lee,2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the arguments are Cultural Contextualization of Apologetics explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul s cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul s world to the forefront of contemporary apologetics preaching Cultural Contextualization of Apologetics offers a vision of apologetics communication that is both biblical and practical

**Handbook of Contemporary Preaching, 2nd Edition** Michael Duduit,2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching

*SANACS Journal 2012-2013* Young Lee Hertig, Editor,2013-06-11 Issue 4 Featuring articles from Asian American Equipping Symposium II III *Anointed Expository Preaching* Stephen Olford,2003-09 This book equips and encourages preachers of all kinds to respect their calling and minister God s inerrant Word *The Witness of Jesus, Paul and John* Larry R. Helyer,2023-07-17 This book introduces the reader to the discipline of biblical theology In part one Helyer discusses the central problem of the unity of the Bible and the various options that have been proposed He then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of God Part two takes up the theology of three major witnesses Jesus Paul and John In these three witnesses Helyer finds the center of New Testament thought He emphasizes the importance of Jesus teaching as foundational for all the other the New Testament witnesses Without overlooking the diversity and individuality of the major witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of Scripture

**Cross-Cultural Missional Partnership** Joshua Bowman, 2023-03-28 Cross cultural partnerships in today's global environment are both challenging and necessary. Misunderstanding and miscommunication often lead to conflict between culturally diverse groups. Christians must understand and evaluate their own culture, the culture of others, and the text of Scripture itself while remaining faithful to Scripture and relevant to culture. Unmediated tensions combined with relational isolation lead to a myriad of problems. This study proposes cross cultural missional partnership as a relationship that mediates these tensions, thereby encouraging mutual faithful engagement in the mission of God. Cross cultural tensions may never disappear, but within a healthy partnership, partners can assist one another in understanding and responding faithfully to Scripture. Partners help one another more faithfully interpret and apply Scripture, leading to obedience to God's will and engagement in God's mission within unique and diverse contexts. *Thoughtful Proclaimer* Elizabeth Wright

Anderson, 2017-10-23 *Thoughtful Proclaimer* takes you from passage choice to proclamation. This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class. Aimed at those who proclaim the Word of God in a variety of church and parachurch settings, the *Thoughtful Proclaimer* method uses a contemplative question-based technique to determine the Commander's intent. God's purpose for every passage of Scripture. God's intent for a passage becomes the point for proclamation of a redemptive and relevant message. Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners.

*Hermeneutics* Henry A. Virkler, Karelynn Gerber Ayayo, 2023-10-24 This textbook provides students and general readers with clear, accessible guidance for interpreting the Bible. With nearly 120,000 copies sold, it has become a trusted resource for serious students of the Bible. The authors' successful approach shows how proper theory leads to sound practice. This book gives readers not only an understanding of the principles of proper biblical interpretation but also the ability to apply those principles in sermon preparation, personal Bible study, or writing. The authors outline a seven-step hermeneutical process that includes: 1. historical/cultural analysis, 2. written contextual analysis, 3. lexical/syntactical analysis, 4. literary analysis, 5. theological analysis, 6. comparison with other interpreters, and 7. application. The third edition has been updated throughout to account for new developments in the field and to incorporate feedback from professors and students. Exercises have also been updated and streamlined.
