World Tourism Organizatio, 2017-03-28 Each Trade Policy Review consists of three parts a report by the government under review a report written independently by the WTO Secretariat and the concluding remarks by the chair of the Trade Policy Review Body A highlights section provides an overview of key trade facts 15 to 20 new review titles are published each year The reviews consist of detailed chapters examining the trade policies and practices of the member and describing trade policy making institutions and the macroeconomic situation these chapters are preceded by the Secretariat s Summary Observations which summarize the report and presents the Secretariat s perspective on the member s trade policies The Secretariat report and the member s policy statement are published after the review meeting along with the minutes of the meeting and the text of the Chairperson s Concluding Remarks **The Trade Policy Review Mechanism** Mathias Kende, 2018-02-09 The WTO s

Trade Policy Review Mechanism which reviews the trade policies and practices of each WTO member at regular intervals is generally considered to function well In this day and age complacency is unwise Examining trade policy reviews throughout the lifetime of the TPRM this book details its evolution from Article X of the General Agreement on Tariffs and Trade to the proposed modifications resulting from the mechanism s latest appraisal examining the budgetary capabilities and technical performance of all the main entities who participate in the reviews On the basis of these considerations the author concludes that in order to remain relevant especially in times of increased global protectionism the TPRM could and should do better

and provides unique and timely suggestions for reform *The Freest Market in the World* Gonzalo Villalta Puig, Eric Ip, 2023-02-22 On the 25th anniversary of the establishment of the Hong Kong Special Administrative Region of the People's Republic of China this book presents the first monographic study of the Hong Kong Basic Law as an economic document The Basic Law codifies what Gonzalo Villalta Puig and Eric C Ip call free market constitutionalism the logic of Hong Kong's economic liberty as the freest market economy in the world This book which is the outcome of several years of study with the financial support of the General Research Fund of Hong Kong's Research Grants Council evaluates the public choice rationale of the Basic Law and its projection on the Hong Kong economy with a focus on the policy development of economic liberty both internally and externally In the academic tradition of James M Buchanan's constitutional political economy the book opens with a conceptualisation of free market constitutionalism in Hong Kong It studies the origins of this concept in the 19th century classically liberal common law and how it developed into a Hayekian laissez faire convention under British colonial rule was codified into the Basic Law and is interpreted and applied by the branches of the Government of the Region The book closes with remarks on the future of Hong Kong's free market constitutionalism in face of recent challenges as the year 2047 approaches and the 50 years of unchanged capitalist system under the Basic Law pass This book will appeal to students scholars and practitioners of law economics political science and public administration It will especially appeal to those with an interest in Hong Kong law international economic law or comparative constitutional law *Asian Yearbook of International Law, Volume 20 (2014)* Kevin YL Tan, 2019-07-01 Launched in 1991 the Asian Yearbook of International Law is a major internationally refereed yearbook dedicated to international legal issues as seen primarily from an Asian perspective It is published under the auspices of the Foundation for the Development of International Law in Asia DILA in collaboration with DILA Korea the Secretariat of DILA in South Korea When it was launched the Yearbook was the first publication of its kind edited by a team of leading international law scholars from across Asia It provides a forum for the publication of articles in the field of international law and other Asian international legal topics The objectives of the Yearbook are two fold First to promote research study and writing in the field of international law in Asia and second to provide an intellectual platform for the discussion and dissemination of Asian views and practices on contemporary international legal issues Each volume of the Yearbook contains articles and shorter notes a section on Asian state practice an overview of the Asian states participation in multilateral treaties and succinct analysis of recent international legal developments in Asia a bibliography that provides information on books articles notes and other materials dealing with international law in Asia as well as book reviews This publication is important for anyone working on international law and in Asian studies *Asian Leadership in Policy and Governance* Evan Berman, M. Shamsul Haque, 2015-09-03 *Asian Leadership in Policy and Governance* examines contemporary challenges facing public leaders in Asia providing insight into leadership processes and contexts past practices affecting effective governance and policy leadership *Territorial Leasing in Diplomacy and International Law* Michael J.

Strauss, 2015-05-19 Territorial Leasing in Diplomacy and International Law focuses on an unexplored but relatively common practice in which states reallocate their rights on territory without altering formal boundaries or resorting to definitive cessions. As products of diplomacy, leases address a frequent situation that in extreme cases can lead to war: the desire by more than one state to exercise sovereign authority in the same place. As instruments of international law, they paradoxically reinforce the territorial integrity of states while raising questions about the nature of their sovereignty. This book draws from a large number of leases to examine the practice from historic to modern times, describing their elements in detail and assessing them from both political and legal perspectives.
