Trails Of Enchantment Sisters Of The Hunt:

Trails of Enchantment Paul Brandreth, 2003 For hunters who love the north woods the past glory of the wilderness is recorded here Paulina Brandreth who wrote under the pseudonym Paul Brandreth was a woman who hunted and photographed deer in the Adirondacks with noted deer hunters Roy Chapman Andrews General Black Jack Pershing and Reuben Cary She began writing for the acclaimed sportsmen's journal *Forest and Stream* in 1894 at the age of nine Her material in the magazine was credited to Camp Good Enough Brandreth Lake a major deer camp on land purchased by her grandfather specifically for hunting and fishing One of only a few women writing about hunting at that time Brandreth chose to continue to write under a pseudonym publishing *Trails of Enchantment* in 1930 She was passionate about still hunting whitetail bucks evident in a hunt with her guide and friend Reuben Cary Side by side we knelt in the snow waiting for the buck to appear from behind the intervening trunk of a big birch The suspense was harrowing And then at last he loomed suddenly before us

Humans, Animals, and U.S. Society in the Long Nineteenth Century: A Documentary History Dominik Ohrem, 2025-11-18 Volume V covers three key areas of interaction and concern that shaped Americans' relations with wild animals The sources in section one focus on hunting a practice that among early republicans was still associated with the savage existence of Indigenous peoples and regarded as incompatible with the agrarian virtues they deemed essential yet which eventually became emblematic of settler identity and masculinity and tangled up in the politics of race and class The second section examines practices and sites of animal display natural history museums zoological gardens and circus menageries for commercial or educational purposes highlighting the evolution of such displays from the private collections and traveling exhibitions of the early republican and antebellum decades into significant institutions that shaped American perceptions of wild animals A third section discusses the growing awareness of anthropogenic species extinction in U.S. society focusing especially on the dramatic decline of the American bison and the passenger pigeon and the cultural and political responses to these losses tracing a long nineteenth century arc that began with opposition to the very idea of extinction and concluded with Progressive Era campaigns that managed to save the bison from the brink but amounted to too little too late for the pigeon

Birney's *The Grimké Sisters* is a profound exploration of the lives and activism of Sarah and Angelina Grimké two 19th century women who emerge as trailblazers in abolitionism and women's rights Birney's narrative weaves biographical detail with social critique illustrating the sisters' unyielding commitment to justice through eloquent prose steeped in the moral fervor of the antebellum era The book situates the Grimké sisters within the broader context of the burgeoning reform movements revealing how their Southern upbringing and Quaker influences shaped their passionate advocacy for freedom and equality Birney a noted historian and advocate for women's rights herself draws from a wealth of

primary sources including letters and speeches to illuminate the struggles that the Grimk s faced as outspoken women in a patriarchal society Her own background in social activism parallels the sisters journey imbuing her work with a sense of purpose and urgency Birney s deep engagement with feminist and abolitionist literature enriches the text positioning it as an essential part of the scholarly discourse surrounding these crucial social movements This compelling study is not only a testament to the indomitable spirit of the Grimk sisters but also serves as a clarion call for contemporary readers to reflect on the intersections of race gender and justice Recommended for anyone interested in American history women s studies or social justice The Grimk Sisters offers invaluable insights and inspires a renewed commitment to activism in the face of ongoing inequality In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read
