2ND EDITION

BY JOHN MITTENDORF

Fire Engineering

The background of the book cover is a dramatic illustration. It shows the silhouettes of two firefighters in full protective gear, including helmets and oxygen tanks. They are positioned in the foreground, looking towards a massive, intense fire that fills the upper half of the frame. The fire is bright yellow and orange, with thick smoke rising from it. The scene is set at night or in a dark environment, with the fire providing the primary light source. The overall tone is serious and professional, reflecting the nature of the book's content.
