Moore,2004-11-02 I started a project to assemble a collection of my poetry but as I began to assemble this collection I realized that there was more to tell Because I am a spirit filled Christian my love for God is reflected in most of my works Some of my works come from my fantasies and illusions of how life and love should be and some come from the people that I have been privileged to know and call my friends My poetry is a gift from God given to me through the people places and circumstances that make up my life God puts the inspiration in my life and puts the words in my heart I just put it down on paper So I decided to include stories about some of the poems and what inspired them As I started adding these stories it was clear that I was sharing the testimony of how God has worked in me and through me I wanted to provide the reader with scriptures that support my testimony So I added Bible study topics with room provided for taking notes A note about the Study Topics included in the book As a new Christian I was always hungry to learn more about God about His word and His will for my life I found that a study edition bible was an invaluable resource for me to learn more and grow in my faith and in my understanding The study Bible that I have includes almost 300 different thematic articles for study I chose only a few topics that I believed to be relevant for inclusion in this book I referenced my study Bible for information for chapters verses to reference and for quotes but the study topics included here are written to express my understanding of the Bibles teaching to express my opinion and my beliefs Since I am not a theologian or educated in the seminary I did ask my own Pastor to review these study topics for accuracy and completeness For any of my readers who dont already have that personal relationship with God these bible study topics are a starting point for learning more about His awesome love for us all Just as they have been a starting point for me in my infancy as a Christian This is by no means all there is to know or learn as Christians we should always be hungry to learn more about Gods word and His will

for us Because none of us can ever know everything there is to know about God we should continually seek knowledge of His will for us It is my sincere hope that this collection of works will move and inspire But most of all I pray that it will bring others to salvation in Christ

Untangling Terrorism from Religion: A Deeper Look into the Roots of Violent Extremism Sarwat Parvez,2025-06-08 Terrorism has long haunted modern societies capturing the attention of governments media outlets and the public alike In the rush to explain the inexplicable many turn to religion as the root cause But this simplistic and often biased interpretation overlooks the true complexity behind acts of terror Terrorism is not born from faith alone it is deeply entangled with political social and psychological conditions No single religion has a monopoly on violence and framing terrorism as inherently religious only hinders our understanding and our ability to respond effectively

**Marriage** Pastor Jeremy Markle,2018-03-01 The Word of God boldly declares that if the foundations be destroyed what can the righteous do Ps 11 3 It has long been understood and in virtually every culture that the family is the foundation upon which every society is built As the family breaks down so does society Today perhaps as never before God s plan for marriage and the family are under vicious attack not just in America but around the world But even in the darkness of a sin soaked and morally perverse culture there is light That blessed light offers hope to the sinner and the society in which he lives for that light comes from the Word of God the Bible There we are told that the Lord Jesus Christ is the true Light which lighteth every man that cometh into the world We are further told that the light shineth in darkness John 1 5 9 In his book Marriage A Covenant Before God Pastor Jeremy Markle presents in a beautiful yet practical way the Biblical Light that offers real hope for a happy fulfilling Christian marriage He basically presents in written form a complete marriage counseling class Sad to say but there are numbers of couples who marry with little or no marriage counseling from their pastor In this book couples like that will now have access to a biblical formula for a happy Christian marriage Pastor Markle deals with the intimacy of marriage in a very discreet and delicate manner One of the things that makes this book unique is the set of serious thought provoking questions he asks at the end of each chapter with a place for the reader to write an answer I highly recommend this book to every fundamental pastor for use as a marriage counseling textbook I urge every young person contemplating marriage to prayerfully and carefully read the advice that is presented in this much needed work Evangelist Ken Lynch Taylors SC 2014
