Value-Based Fees

3rd edition

How to Charge
What You're Worth
*and Get
What You Charge*

WILEY

The solo consulting industry has experienced dramatic developments that have reshaped the profession. From remote project delivery to the potential to attract a global client base, solo practitioners face challenges and opportunities barely dreamed of a decade ago. One thing that's remained constant, however, is the importance of setting appropriate and profitable fees. In the completely revised *Third Edition* of *Value-Based Fees*, the "Rockstar of Consulting," Alan Weiss, delivers a practical and effective guide to setting fees based on the value you deliver to your client. You'll learn to propose, and receive, consistently impressive fees that more accurately reflect your worth than time-and-materials pricing models.

The bestselling author walks you through how to attract new clients using a value-based fee model and how to convert existing clients to your new system. You'll get step-by-step techniques and strategies you can use to determine the monetary value of your services and how to create a "good deal" dynamic.

The book covers how to create, capitalize on, and market to trusted advisor relationships, avoid and rebut fee objections, create new consulting products, and explore lucrative new fields in the solo consulting space. *Value-Based Fees* also includes
