Tsedaka Isaac Lipschits, 1997-01-01 Reappraising the History of the Jews in the Netherlands Hans Blom, David J. Wertheim, Hetty Berg, Bart T. Wallet, 2021-09-15 The two decades since the last authoritative general history of Dutch Jews was published have seen such substantial developments in historical understanding that new assessment has become an imperative This volume offers an indispensable survey from a contemporary viewpoint that reflects the new preoccupations of European historiography and allows the history of Dutch Jewry to be more integrated with that of other European Jewish histories Historians from both older and newer generations shed significant light on all eras providing fresh detail that reflects changed emphases and perspectives In addition to such traditional subjects as the Jewish community's relationship with the wider society and its internal structure its leaders and its international affiliations new topics explored include the socio economic aspects of Dutch Jewish life seen in the context of the integration of minorities more widely a reassessment of the Holocaust years and consideration of the place of Holocaust memorialization in community life and the impact of multiculturalist currents on Jews and Jewish politics Memory studies diaspora studies postcolonial studies and digital humanities all play their part in providing the fullest possible picture This wide ranging scholarship is complemented by a generous plate section with eighty fully captioned colour illustrations Translated by David McKay *The Jews are Coming Back* David Bankier, 2005 In 14 papers delivered at or sent to a May 2001 conference in Jerusalem historians specializing in Jews in various European countries examine the views about the return or prospective return of the Jews to their countries of origin after World War II Among the countries are France the Netherlands Italy Poland and Hungary Places and names are *Jewish Honor Courts* Laura Jockusch, Gabriel N. Finder, 2015-06-15 Scholars of Jewish European and Israeli history as well as readers interested in issues of legal and social justice will be grateful for this detailed volume The Poet and the World Joachim Yeshaya, Elisabeth Hollender, Naoya Katsumata, 2019-07-08 A collection of seventeen essays on pre modern Hebrew poetry in honor of Wout van Bakkum The articles in this volume all seek to examine how the religious cultural and social context in which the poet functioned impacted on and is visible either explicitly or more elliptically in their poetical oeuvre For this purposes a broad understanding of world has been accepted including both the natural world and the constructed one society culture language as well as the spiritual and emotional world History a pillar of the man made constructed world has been used to determine the boundaries from Late Antiquity to the Middle Ages and in instances where the topic connects to older traditions to Early Modern Judaism i e pre modern Hebrew and Aramaic poetry The articles in this volume in the breadth of their temporal and spatial range and their multiplicity of approaches and methodologies highlight the richness of contemporary scholarship on Hebrew poetry The volume invites the reader to engage with this astonishing body of poetry while providing a glimpse into the world of the payanim and the cultures and societies from which they drew their inspiration and to which they made such important contributions **Dutch Jews as Perceived by Themselves and**

by Others Chaya Brasz,Yosef Kaplan,2021-11-22 How did Jews in the Netherlands view themselves and how were they viewed by others This is the single theme around which the twenty five essays in this volume written by scholars from the Netherlands Israel and other countries revolve The studies encompass a variety of topics and periods from the beginning of the Jewish settlement in the Dutch Republic through the Shoah and its aftermath They include examinations of the Sephardi Jews in the seventeenth and eighteenth centuries the Jews in the periods of Emancipation and Enlightenment social and cultural encounters between Jews and non Jews throughout the ages the image of the Jew in Dutch literature in the nineteenth and twentieth centuries and the churches attitudes toward Jews Also highlighted are the second World War and its consequences Dutch Jews in Israel and Israelis in the contemporary Netherlands [A Dangerous Legacy](#) Hans Reijzer,2018-05-08 On 23rd July 1908 Sigmund Freud wrote to his colleague Karl Abraham Rest assured that if my name were Oberhuber an obviously non Jewish name in spite of everything my innovations would have met with far less resistance From its beginning psychoanalysis has been seen as a Jewish affair and psychoanalysts have always been afraid of ending up in the position of the Jew that of the outsider In [A Dangerous Legacy](#) Judaism and Psychoanalysis Hans Reijzer examines how psychoanalysts have managed that fear in the recent past and in the present During his research which led him to Vienna Paris Amsterdam London Jerusalem Hamburg and Durban Reijzer encountered malicious as well as enlightening statements situations and incidents [A Dangerous Legacy](#) is a striking study of an interesting area of research Reijzer s conclusion is surprising stereotypes about Jews are a factor not only in the everyday world but also in the psychoanalytic world as soon as Jews take part in it **Postwar Jewish Displacement and Rebirth** Françoise S. Ouzan,Manfred Gerstenfeld,2014-06-26 This volume offers insights into the major Jewish migration movements and rebuilding of European Jewish communities in the mid twentieth century Its chapters illustrate many facets of the Jews often traumatic post war experiences People had to find their way when returning to their countries of origin or starting from scratch in a new land Their experiences and hardships from country to country and from one community of migrants to another are analyzed here The mass exodus of Jews from Arab and Muslim countries is also addressed to provide a necessary and broader insight into how those challenges were met as both migrations were a result of persecution as well as discrimination **Settling the Account** Philip Staal,2015 It was 1942 in Amsterdam when Isaac and Anna Staal began noticing their Jewish neighbors disappearing Some were taken away by Dutch police Some vanished in the middle of the night As the Nazis embarked on a manhunt for Dutch Jews Isaac and Anna made the agonizing decision to entrust their children to strangers and seek another hiding place for themselves On May 21 1943 the time had come Dazed with sleep Philip and his brother were given a last hug by their parents and put in the arms of an aunt who went out the door softly got on her bicycle with the two tiny tots and disappeared in the silent night Sixty years later Philip was commissioned to work for the restoration of rights in the Netherlands When looking through archives and records he discovered the well kept secret of the war orphans guardians organization In his

compelling story that weaves between past and present Staal not only shares a heartbreaking narrative of his childhood as a toddler separated from his parents during World War II and forced to live in orphanages after years of hiding but also how he eventually made it his personal mission to reimburse assets and restore rights lost by Dutch victims of persecution and search for the legacies of war orphans parents including his own Settling the Account shares poignant personal narrative historical facts and one man s determined pursuit to bring justice to Dutch Jewish war orphans and their murdered parents and resolve the mystery of his past
