Hitmen Scott M. Deitche,2022-06-15 From the author of the star reviewed Garden State Gangland comes an in depth expos on East Harlem s notorious Purple Gang whose murderous exploits became a media obsession and Mafia lynchpin In the late 1970s a string of seemingly unconnected murders had Harlem police and federal authorities at their wits end until they realized several commonalities The victims were all either Mafia members or potential witnesses of Mafia activity and they d all been shot from 22 pistols traced back to a single private sale in Florida From these details the FBI and police were able to build a profile of a rogue sect of Mafia hitmen known as the East Harlem Purple Gang Starting on the fringes of Mafia families the Purple Gang members became indispensable and installed members in the highest ranks of the Genovese Bonanno and Lucchese families Often serving as freelance hitmen kidnappers and drug traffickers the Purple Gang s exploits quickly crossed into mythology as media outlets scrambled to keep up with new murders and the law s crusade to bring the gang members to justice Sifting through the mystery and mythos author Scott M Deitche brings readers into Harlem s gritty streets to experience the Purple Gang s reign of terror the investigators who tried to bring them down and the gang members who either suffered violent ends or are still at large today The Ministry of Music Carlos D. The Diary of Audrey Malone Frayer Jason Medina, 2014-03-10 When four friends get together to use a mystical Ouija board they are astonished when they come into contact with the restless spirit of a teenage girl from New Jersey who lived her life during the 1970s They soon find themselves wandering through the woods at night in search of her diary However once they begin to read it they are treated to an unexpected tale filled with unspeakable acts and heinous brutal crimes It becomes apparent that the restless soul of young Audrey Malone Frayer has unfinished business which she needs tending to and it appears she s chosen them to help her In this second novel by Jason Medina author of *No Hope for the Hopeless at Kings Park* we are treated to a special story that ties an adolescent girl s troubled times of the 1970s with the lives of four young people in the present particularly the character named Jay who feels especially attached to Audrey s spirit Somehow he forms a bond with her while reading her diary which takes control of him making him obsessed with trying to help her take care of her unfinished business He feels like there is a connection between

them that he cannot ignore although the meaning of that connection remains a mystery to him It begins to haunt him almost immediately from the moment he first made contact with her spirit Will he be able to figure out the connections between the past and the present in time before it is too late Someone s life may very well depend upon it and it could be his own
