Turn The Ship Around A True Story Of Turning Followers Into Leaders

Daniel D. Terry

Turn The Ship Around A True Story Of Turning Followers Into Leaders:

Turn the Ship Around! L. David Marquet, 2013-05-16 One of the 12 best business books of all time Timeless principles of empowering leadership USA Today The best how to manual anywhere for managers on delegating training and driving flawless execution FORTUNE Marquet was a Naval Academy graduate and an experienced officer when selected for submarine command Trained to give orders in the traditional model of know all tell all leadership he faced a new wrinkle when he was shifted to the Santa Fe a nuclear powered submarine Facing the high stress environment of a sub where there s little margin for error he was determined to reverse the trends he found on the Santa Fe poor morale poor performance and the worst retention rate in the fleet Marquet ran into trouble when he unknowingly gave an impossible order and his crew tried to follow it anyway When he asked why the answer was Because you told me to Marquet realized that while he had been trained for a different submarine his crew had been trained to do what they were told a deadly combination That s when Marquet flipped the leadership model on its head and pushed for leadership at every level Turn the Ship Around reveals how the Santa Fe skyrocketed from worst to first in the fleet by challenging the U S Navy s traditional leader follower approach Struggling against his own instincts to take control he instead achieved the vastly more powerful model of giving control to his subordinates and creating leaders Whether you need a major change of course or just a tweak of the rudder you can apply Marquet s methods to turn your own ship around

Leadership Is Language L. David Marquet, 2020-02-04 Wall Street Journal Bestseller From the acclaimed author of Turn the Ship Around former US Navy Captain David Marquet comes a radical new playbook for empowering your team to make better decisions and take greater ownership As a leader in today s networked information dense business climate you don t have full visibility into your organization or the ground reality of your operating environment In order to harness the eyes ears and minds of your people you need to foster a climate of collaborative experimentation that encourages people to speak up when they notice problems and work together to identify and test solutions In Leadership is Language you ll learn how choosing your words can dramatically improve decision making and execution on your team Marquet outlines six plays for all leaders anchored in how you use language Control the clock don t obey the clock Pre plan decision points and give your people the tools they need to hit pause on a plan of action if they notice something wrong Collaborate don t coerce As the leader you should be the last one to offer your opinion Rather than locking your team into binary responses Is this a good plan allow them to answer on a scale How confident are you about this plan Commit don t comply Rather than expect your team to comply with specific directions explain your overall goals and get their commitment to achieving it one piece at a time Complete not continue If every day feels like a repetition of the last you re doing something wrong Articulate concrete plans with a start and end date to align your team Improve don t prove Ask your people to improve on plans and processes rather than prove that they can meet fixed goals or deadlines You ll face fewer cut corners and better long term results Connect don t conform Flatten hierarchies in your organization and connect

with your people to encourage them to contribute to decision making In his last book Turn the Ship Around Marquet told the incredible story of abandoning command and control leadership on his submarine and empowering his crew to turn the worst performing submarine to the best performer in the fleet Now with Leadership is Language he gives businesspeople the tools they need to achieve such transformational leadership in their organizations

SUMMARY - Turn the Ship Around!: a True Story of Turning Followers Into Leaders by L. David Marquet Shortcut Edition,2020-12-11 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes As you read this summary you will discover a new vision of leadership based on equality You will also discover that vertical management demobilizes teams and prevents them from taking advantage of their skills excellence can only be achieved through autonomy a new conception of authority requires a change of model the leader must refrain from giving orders and pass a maximum of decisions through his subordinates staff can only make the right choices if they have the necessary knowledge and clear objectives redistributing power makes for a much more resilient motivated and efficient collective Hierarchical organization the dominant model in many companies and collective structures is in crisis today Unable to capitalize on the intelligence and creative potential of individuals it leads to a strong demobilization While in the army where it is particularly present everything rests on the authority of superiors other systems exist This is what the American commander David Marquet has successfully experimented with His ambition to redistribute power at all levels Ready to reinvent management Buy now the summary of this book for the modest price of a cup of coffee

Turn The Ship Around! L. David Marquet,2015-10-08 David Marquet is the kind of leader who comes around only once in a generation his ideas and lessons are invaluable Simon Sinek author of Start With Why Captain David Marquet was used to giving orders In the high stress environment of the USS Santa Fe a nuclear powered submarine it was crucial his men did their job well But the ship was dogged by poor morale poor performance and the worst retention in the fleet One day Marquet unknowingly gave an impossible order and his crew tried to follow it anyway He realized he was leading in a culture of followers so he upended the traditional leadership model and put control in the hands of his crew Before long his team became fully engaged and the Santa Fe skyrocketed from worst to first in the fleet No matter your business or position you can apply Marquet s approach to create a workplace where everyone takes responsibility for their actions people are healthier happier and everyone is a leader

WHAT READERS ARE SAYING ABOUT

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Turn The Ship Around A True Story Of Turning Followers Into Leaders eBooks, including some popular titles.

FAQs About Turn The Ship Around A True Story Of Turning Followers Into Leaders Books

What is a Turn The Ship Around A True Story Of Turning Followers Into Leaders PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Turn The Ship Around A True Story Of Turning Followers Into Leaders PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Turn The Ship Around A True Story Of Turning Followers Into Leaders PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Turn The Ship Around A True Story Of Turning Followers Into Leaders PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Turn The Ship Around A True Story Of Turning Followers Into Leaders PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
