Sen,27-02-15 Can one car transform a nation The Ford Model T did do so a century ago when it replaced the horse brought
about a revolution in agriculture became a stimulus to urbanization that eventually changed the landscape of America
Though the Maruti 800 the Tata Indica the Hyundai Santro and the Maruti Alto became engines of growth for India these
cars neither drove away the cow nor changed the way Indians travelled Tata s Nano was expected to change all that and
become the ultimate people s car capturing the imagination of the middle class across nations and cultures In spite of its
petite dimensions the Nano was meant to stand tall Yet it did not What caused it to fail and fall from grace despite being
lauded as the right product at the right time and the most significant new car since the Ford Model T was introduced 100
years ago But is it really all over or is there still hope for India s little wonder What will the people s cars of tomorrow be like
A Million Cars for a Billion People delves into the questions concerns and doubts as well as the many misconceptions and
myths that have gathered momentum over the years about India s automotive history and the industry s mission to create a
true people s car The very first cars that came to India the early beginnings of the industry the nascent history of the
automobile across nations like Germany France US the UK Italy Japan and South Korea is narrated with authority and charm
