Davis,2024-04-08 Now more than ever before pastors and ministers should make sure the Word of God goes forth in a world that has lost its moral and spiritual way In America we are living on the edge When we go to the marketplaces schools churches outside activities we don t know if a mass shooting might take place We don t know what to expect in public places because violence and killings have become commonplace Many of our youth are dying from drug poisoning gun shootings and suicide Racial hatred is on the rise and kids are taking guns to school causing lockdowns and distress All around us is sorrow sadness and senselessness The only hope light and transformation is God s Word and its application These thematically arranged Bible lessons can help in the process of humanity finding their way back to God through Jesus Christ **Enduring the End** Afton Zapata,2012-07-12 No one grows up saying I think Ill get sick and spends the rest of their life trying to survive a constant battle between life and death Instead we grow up believing were invincible We believe nothing bad could ever happen to us because we have hopes and dreams to fulfill Theres never a good time to have poor health In 2002 my husband Juan contracted valley fever which disseminated into fungal meningitis causing irreparable scarring on his brain For nine years our time was primarily focused on my husbands illness and disability Our three children lived with the uncertainty of their fathers mortality As a family we learned to live as if each day was the last but to have hope for the future We made memories and made plans There were times we didnt know if we could survive but as a family we found the strength in God to stay together We were blessed with many tender mercies from the Lord as we

traveled what appeared to be an endless road We understood that even though our trials seemed long they were merely a short segment of mortality and that our lives will continue to exist beyond the grave Most importantly we learned that love heals all and serving one another is truly a blessing for ourselves As a married couple Juan and I witnessed countless miracles touch our lives as we exercised faith for enduring the end *Overcomers Don't Quit, Quitters Don't Overcome* Loxley John,2023-02-06 Overcomers Don t Quit Quitters Don t Overcome Don t Quit By Loxley John There will always be challenges What matters most is the attitude you display when those challenges come Living today is difficult and many are finding it hard to cope to the point where suicide has become popular People are quitting on their dreams because they feel helpless in dealing with their problems To combat this issue author Loxley John reminds readers that perseverance is critical if they are to be overcomers Are you an overcomer Find out how you can be An overcomer is someone who has faced difficult situations but refused to quit and thereby overcame those difficulties This book highlights stories of overcomers throughout history and from the Bible people who showed perseverance and courage and ultimately achieved victory It also offers ten rules for overcomers and breaks down the ten toughest obstacles to overcoming With clear takeaways and examples this book makes it easy for readers to remember key points **Never Die Easy** Walter Payton,Don Yaeger,2001-01-18 Never die easy Why run out of bounds and die easy Make that linebacker pay It carries into all facets of your life It s okay to lose to die but don t die without trying without giving it your best His legacy is towering Walter Payton the man they called Sweetness for the way he ran remains the most prolific running back in the history of the National Football League the star of the Chicago Bears only Super Bowl Championship eleven times voted the most popular sports figure in Chicago s history Off the field he was a devoted father whose charitable foundation benefited tens of thousands of children each year and who faced with terminal liver disease refused to use his celebrity to gain a preferential position for organ donation Walter Payton was not just a football hero he was America s hero Never Die Easy is Walter Payton s autobiography told from the heart Growing up poor in Mississippi he took up football to get girls attention and went on to become a Black College All American at tiny Jackson State during which time he was also a finalist in a Soul Train dance contest Drafted by the Bears in 1975 he predicted that he would last only five years but went on to play thirteen extraordinary seasons a career earning him regular acknowledgment as one of the greatest players in the history of professional football And when his playing days were over he approached business and charity endeavors with the same determination and success he had brought to the football field always putting first his devotion to friends and family His ultimate battle with illness truly proved him the champion he always had been and prompted a staggering outpouring of love and support from hundreds of thousands of friends and admirers Written with veteran journalist and author Don Yaeger in the last weeks of Walter Payton s life Never Die Easy presents Walter s singular voice warm plainspoken funny self aware along with the voices of the friends family teammates and business associates who knew him best at all stages of his life including his wife Connie and their children Brittney and
