Expressive Love Of God: Book 2 Dr. Thomas L. Driver, Ph.D., DMIN, 2025-10-09 Expressive Love of God explores the profound nature of God's love as it is revealed through Scripture and demonstrated vividly through the life, death, and resurrection of Jesus Christ. This concept emphasizes that God's love is not just abstract or remote but is alive and palpable, showing itself through active, personal, and sacrificial actions. It highlights that God's love involves a deep, intentional connection with individuals, demonstrated through tangible acts of sacrifice and personal engagement, making it a real and powerful force in people's lives. It emphasizes that God's love involves deliberate actions, personal sacrifice, and a dedication to humanity's well-being, making it understandable and relatable to believers. The passage aims to deepen our understanding of God's steadfast love and how it manifests in both divine and personal situations.
