House of Darkness House of Light Andrea Perron, 2014-08-11 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970 The Arnold Estate located just beyond the village of Harrisville Rhode Island seemed the idyllic setting in which to raise a family The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse Secrets were kept and then revealed within a space shared by mortal and immortal alike Time suddenly became irrelevant fractured by spirits making their presence known then dispersing into the ether The house is a portal to the past and a passage to the future This is a sacred story of spiritual enlightenment told some thirty years hence

The family is now somewhat less reticent to divulge a closely guarded experience Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf They consider the Perron family saga to be one of the most compelling and significant of a famously ghost storied career as paranormal researchers During a seance gone horribly wrong they unleashed an unholy hostess the spirit called Bathsheba a God forsaken soul Perceiving herself to be the mistress of the house she did not appreciate the competition Carolyn had long been under siege overt threats issued in the form of fire a mother's greatest fear It transformed the woman in unimaginable ways After nearly a decade the family left a once beloved home behind though it will never leave them as each remains haunted by a memory This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery an eternal journey for the living and the dead *Door to Glory* Douglas Grady, 2017-05-22 Our destiny after death is the foundation of our religious thought Religious taboos have spoiled man's pleasures and delights by inconveniencing him to obtain religious comfort Religion is based on the interaction between the etheric and physical worlds Psychic science was mysterious to our ancestors and as a consequence they misunderstood and misinterpreted it The Apostle John helps to clear up these issues in this book John was a medium for his book of Revelation Angels like John were formerly human beings who have lived on earth and died Now they continue functioning in another world of finer vibrations Marilyn is the medium for this book In the past Moses Joshua King David prophets and biblical writers were all mediums As we are entering a new age the Apostle John shed the light of the coming changes for our world This addresses the question of how the world transforms to a more loving environment for the future and how soon it will happen Also John revealed the ending of control by the behind the scenes Dark Side that has caused an endless succession of bloody conflicts and devastating turmoil throughout human history The Apostle John also gave the following explosive revelations When the soul enters a baby The church's control of divorce The life of Jesus after the crucifixion The assassinations of John F Kennedy and Robert Kennedy Civilization on Mars Reincarnation and its removal from the Bible Earthbound souls Find out these and other fascinating truths from the Apostle John regarding the perplexing questions that have pervaded mankind through the ages *Beyond the Light* Marisa St. Clair, 1997 **Light**, 1901 *Illuminating the Narrow Gate* Karl R. Luther, 2022-01-17 Do you desire the truth about God our foremost religions the purpose of life and the future of our planet If so Illuminating the Narrow Gate will guide and empower you to fulfill your destiny of transcending the darkness and embracing an enlightened spirituality Blessed with astonishing insights and revelations this revolutionary book heralds a global awakening and the inevitable doom of institutional religion Volume II contains 15 appendixes that substantiate and enhance the revelations of Volume I Appendixes A Reincarnation and B Spirit Possession present scientific and clinical evidence that demonstrates the reality of those phenomena The next three appendixes are primarily dedicated to dating the Book of Daniel Leveraging the breakthrough of Illuminating the Narrow Gate's paradigm shift Appendix D

Redirecting the Debate About Daniel decimates the prevailing scholarly conclusion that Daniel's prophecies were a hoax written in the 2nd century BCE. Instead, this book within a book proves they were penned as advertised in the 6th century BCE while debunking the fundamentalist view that the biblical book is inerrant. The next six appendixes primarily present ancient history that demonstrates the fulfillment of prophetic passages from Daniel. Four of them: Appendix F The Beast With Ten Horns, Appendix G Constantine the Great, Appendix J The King of the End Times, and Appendix K Understanding the 69 Sevens, deliver the spine-tingling details of how the future was foretold with stunning accuracy and precision for five centuries after the date when all scholars agree Daniel was on the historical record: 160s BCE. Appendix L The Catholic Church in the 20th Century shows that although the Church no longer champions crusades, sequesters Jews in ghettos, or tortures and kills those who believe differently, its underlying darkness has continued unabated. The majority of this other book within a book details how the Vatican helped Benito Mussolini and Adolf Hitler gain dictatorial power and then made strategic alliances with them, ignored their pre-war crimes and assaults upon the Jews, sanctioned their predatory aggression upon other nations, and turned a blind eye to the Holocaust. After illuminating the essence of the papal choices before and during World War II, the appendix exposes the criminal nature of the Vatican's subsequent financial affairs. It shows how the sudden death of Pope John Paul I in 1978 was most likely a blackmail-enabled murder by the Vatican Bank's underworld partners. After two short appendixes explain passages from Revelation, the book concludes with Appendix O The Impact on Islam. It shows how the book's insights are also inscribing the writing on the wall for Islam. You don't need to purchase Volume II if you only want the book's core insights and revelations. A PDF document of the end matter published in Volume II, Endnotes, Bibliography, Index, et al., can be downloaded for free from the book's website to make Volume I a self-standing book.

Death Walkers David Kowalewski PhD, 2015-08-19. It may be one of the most complex questions ever asked: What really happens to the soul after death? Some disincarnate souls may cross over; others may stay in the earthy realm to help or protect family members. And other earthbound souls may need to work through psychospiritual dilemmas before being escorted to the Other Side. With help from a shaman psychopomp, Dr. David Kowalewski relies on personal experiences and his studies with shamans of many continents to illuminate the mysterious worlds of life, death, and afterlife, and share an inside look at the ancient craft of psychopomping. While presenting over ninety cases of psychopomp work, Dr. Kowalewski offers statistics that explain why souls become earthbound, relay how often unfamiliar spirits show up during journeys, and provide reasons why shamanic protocols, practices, and adventures with the dead in daily life can help the task along. Included are other fascinating examples of psychopomp practices of indigenous peoples from around the world. *Death Walkers* shares compelling stories and evidence for why there are ghosts around us and the important role shamans play in guiding these earthbound souls to their final resting places. Drawing on first-hand accounts and cross-cultural research, David Kowalewski offers us an engaging Western perspective on the art and methods of the psychopomp.
