Donovan,2008-09 Francis J Donovan grew up as a poor Irish American but managed to climb his way up the social ladder becoming a lawyer and district court judge in Nassau County New York As someone who pulled himself up by his own bootstraps however he s never been told how the political game is played So when Donovan defies the Republican Party boss of Long Island Joseph Margiotta he finds himself fighting just to hold onto his job In order to beat the boss Donovan must call on all his judicial know how and personal wherewithal Against all odds he wins one battle after another as he learns how to work within the system to fulfill his personal goals Now after decades of public service Donovan tells all and he provides A snapshot of Nassau County history during a most important time Details on how politics really work Tips on how to analyze issues Advice on how to seek political office And much more Travel with Donovan as he climbs up the political ladder and find out what the politicians don t disclose in *The Judge Talks Politics* **The Little Engine That Did It** Dr. Richard John Tscherne,2013-10-24 This book is about a journey Every one of us is on a journey that leads us into a labyrinth The roads we travel on are not always straight they have curves bumps and cracks and travel is not easy Even so we continue on that road trusting that it will lead us to someplace that answers the questions we hold Once we get there we understand why the path was not straight The detours that we took were our greatest learning lessons My journey is one of self love Once I started to appreciate who I was my life began to change I stopped pushing against my brick wall which was in my case being born with cerebral palsy and fighting it for as long as I

can remember Accepting that I have cerebral palsy has enabled my life to evolve I became humble and empowered and began to understand love What is your journey Has it been a straight road or a meandering one Reflect on that for a moment See your truth as you read through the pages of this book and find your aha moment to lead you to your own empowerment
