Toxic Churches Restoration From Spiritual Abuse:

Toxic Churches Marc Du Pont, 2004-01-01 Spiritual abuse devastates its victims perhaps more than any other form of violation because it targets those who are most unprepared and vulnerable This book aims to reach out to those who have given their time money and talents to the Body of Christ only to find themselves hurting frustrated and confused *Toxic Churches* Marc Dupont, 2004-02-01 Spiritual abuse devastates its victims perhaps more than any other form of violation because it targets those who are most unprepared and vulnerable In *Toxic Churches* Marc Dupont reaches out to those who have given their time money and talents to the Body of Christ only to find themselves hurting frustrated and confused He also writes to Christian leaders who may have inadvertently hurt the flock of God entrusted to their care This book explores all aspects of spiritual abuse in the church With care and tenderness Dupont offers help and hope to those caught in abusive situations people who might even be blaming themselves He provides a healing balm to those with residual pain from past abuse And he warns those engaging in abusive behavior flagging telltale signs of warped and broken patterns Those who have been used or abused by church leaders will find a deeper understanding of God's healing grace both for themselves and for those who hurt them ***Toxic Faith*** Stephen Arterburn, Jack Felton, 2011-04-13 Experiencing Healing from Painful Spiritual Abuse When religion becomes a means to avoid or control life it becomes toxic Those who possess a toxic faith have stepped across the line from a balanced perspective of God to an unbalanced faith in a weak powerless or uncaring God They seek a God to fix every mess prevent every hurt and mend every conflict *Toxic Faith* distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion It shows how unbalanced ministries misguided churches and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair *Toxic Faith* shows readers how to find hope for a return to genuine healthy faith that can add meaning to life In the words of the author I want to help you throw out that toxic faith and bring you back to the real thing ***Breaking the Silence on Spiritual Abuse*** L. Oakley, K. Kinmond, 2013-10-17 Providing a balance of empirical research and practical concerns this book explores the definitions and historical context of spiritual abuse outlines a process model for the different stages of spiritual abuse and includes strategies for therapists working with survivors of spiritual abuse ***Healing the Wounds of Spiritual Abuse*** Mike Antony Case, 2017-02-21 This book *Healing the Wounds of Spiritual Abuse* bears a very close resemblance to the author's previous 2015 publication *Deadly Toxins of Unhealthy Churches* It carries a similar message as the earlier volume Many victims of spiritual abuse are in greater need of healing than of learning about the intricacies of abusive churches and so after much thought and prayer it was decided to publish another related volume that puts greater emphasis on the healing process and less on the dynamics of toxic churches So if you have already read the earlier volume you may want to consider whether or not to purchase this one Having come to the realization that they were involved with an abusive church many victims of such churches find themselves in an unending

loop of distress anger resentment grief and feelings of abandonment Their sojourn in a cultic group is over but the pain remains This publication emphasizes the process of departing such churches healing the emotional wounds forgiveness trust reconciliation personal restoration and a modern day transformation of a cultic church towards orthodoxy As a friend of mine recently reminded me Jesus came not just to save the lost but to set the captives free as well This book emphasizes and points the way to freedom for anyone who has ever been hurt by toxic Christianity

Understanding The Fivefold Ministry Matthew D Green,2015-01-26 The ministry gifts are alive and well today When Jesus ascended to heaven He left gifts behind apostles prophets evangelists pastors and teachers But their operation has often been surrounded by neglect confusion and outright controversy Jack Hayford Cindy Jacobs Reinhard Bonnke C Peter Wagner Fuchsia Pickett Tommy Barnett and many others combine decades of experience reflection and biblical study to uncover the true purpose for the fivefold ministry Find answers to these questions regarding the release and shepherding of the fivefold ministry Who are the modern day apostles and why does the church still need them What are the marks of an authentic prophet and how should we judge prophecy How do you know if you're called to be an evangelist and what's the most effective method for leading an unbeliever to Christ Why are teachers so influential and how do we discern false doctrine What is the role of the pastor in the twenty first century and how is it changing How do the five ministry gifts cooperate in the local church and who's in charge when all five are active God is building His body around the world in the most unexpected ways through the most unexpected people Take a self test to find out where your gifts lie and what area of ministry God may have custom designed you for

Shepherding Women in Pain Beverly Hislop,2010-04-01 Infertility divorce domestic violence eating disorders all have become part of a day's work for women and men in ministry to women Yet most are not prepared for this aspect of ministering to women in real pain over real issues Designed to give leaders and caregivers greater understanding insights for shepherding and referral resources *Shepherding Women in Pain* is a compilation from contributors who have expertise and experience with women on the given issue For example Stacey Womack founder and executive director of Abuse Recovery Ministry Services wrote the chapter on domestic violence and Kimberley Davidson founder of Olive Branch Outreach authored the chapter discussing eating disorders The reader will be provided concise practical and grace infused information designed to help women deal constructively with the trauma of their life experiences This book will serve as a key resource read and re read often to those who serve women in pain

Culture of Fear Revisited Frank Furedi, 2006-10-26 Fear has become an ever expanding part of life in the West in the twenty first century We live in terror of disease abuse stranger danger environmental devastation and terrorist onslaught We are bombarded with reports of new concerns for our safety and that of our children and urged to take greater precautions and seek more protection But compared to the past or to the developing world people in contemporary Western societies have much less familiarity with pain suffering debilitating disease and death We actually enjoy an unprecedented level of personal safety When confronted with events like the destruction of the World Trade Centre fear for the future is inevitable But what happened on September 11th 2001 was in many ways an old fashioned act of terror representing the destructive side of the human passions Frank Furedi argues that the greater danger in our culture is the tendency to fear achievements representing a more constructive side of humanity We panic about GM food about genetic research about the health dangers of mobile phones The facts often fail to support the scare stories about new or growing risks to our health and safety Our obsession with theoretical risks is in danger of distracting society from dealing with the old fashioned dangers that have always threatened our lives In this new edition Furedi relates his own thinking on the sociology of fear to the thought of earlier thinkers such as Darwin and Freud and to the sociological tradition of Durkheim C Wright Mills Anthony Giddens and others

Practicing Presence Rob O'Lynn, 2015-02-03 This book draws on the combined experience of a located minister pastoral scholar and former hospital chaplain First it introduces the basic elements of pastoral care in a clear and concise way It then discusses the basic tenants of crisis theory and provide guidelines for performing and effective intervention and referral The first unit concludes by focusing on some special issues that occur in pastoral care e g grief and burnout Second it introduces several tools and ideas that can be used practically in a number of pastoral care and crisis situations These are not offered as a checklist agenda for a minister to follow when you visit someone in the hospital or are called upon to intervene in a crisis Yet they are offered as a way of easing our internal fears about sitting with someone in the midst of their pain and suffering

Toxic Faith Stephen Arterburn, Jack Felton, 2001 When religion becomes a means to avoid or control life it becomes toxic Toxic Faith shows how unbalanced ministries and

misguided churches and leaders can lead followers away from God into a desolate experience of religion Now Arterburn wants to bring readers back to the real thing
