

TRACING DOMINICAN IDENTITY

THE WRITINGS OF PEDRO HENRÍQUEZ UREÑA

JUAN R. VALDEZ

Tracing Dominican Identity The Writings Of Pedro Henriquez Urena

Vanessa K. Valdés

Tracing Dominican Identity The Writings Of Pedro Henriquez Urena:

Tracing Dominican Identity J. Valdez, 2011-01-31 The author analyzes and discusses the socio historical meanings and implications of Pedro Henriquez Ure a s 1884 1946 writings on language This important twentieth century Latin American intellectual is an unavoidable reference in Hispanic Linguistics and Cultural Studies **Narratives of Migration and Displacement in Dominican Literature** Danny Méndez, 2012-03-12 Establishing an interdisciplinary connection between Migration Studies Post Colonial Studies and Affect Theory Méndez analyzes the symbolic interplay between emotions cognitions and displacement in the narratives written by and about Dominican and Dominican Americans in the United States and Puerto Rico He argues that given the historic place of creolization as a marker of national cultural and social development in the Caribbean and particularly the Dominican Republic this cultural process is not magically annulled in Caribbean immigrations to the U S Instead this book illustrates the numerous ways in which Dominicans subjective interpretation of their experiences of migration and incorporation into U S society seen through the filter of multiple creolizations of the past are woven into their written works as a series of variations on Americanness and Dominicaness Through close readings of selected writings by Pedro Henriquez Ure a Jos Luis Gonz lez Junot D az Josefina B ez Loida Maritza P rez among others Méndez argues that emotional creolizations operate as a psychological parameter on immigrant populations as they negotiate their transcultural status against the ideological norms of assimilation in their new host country Consequently he proposes that this emotional creolization is dialectical that is it not only affects diasporic populations but also changes the norms and terms of assimilation as well **Vernacular Latin Americanisms** Fernando Degiovanni, 2018-12-01 In *Vernacular Latin Americanisms* Fernando Degiovanni offers a long view perspective on the intense debates that shaped Latin American studies and still inform their function in the globalized and neoliberal university of today By doing so he provides a reevaluation of a field whose epistemological and political status has obsessed its participants up until the present The book focuses on the emergence of Latin Americanism as a field of critical debate and scholarly inquiry between the 1890s and the 1960s Drawing on contemporary theory intellectual history and extensive archival research Degiovanni explores in particular how the discourse and realities of war and capitalism have left an indelible mark on the formation of disciplinary perspectives on Latin American cultures in both the United States and Latin America Questioning the premise that Latin Americanism as a discipline comes out of the tradition of continental identity developed by prominent intellectuals such as Jos Mart Jos E Rod or Jos Vasconcelos Degiovanni proposes that the scholars who established the discipline did not set out to defend Latin America as a place of uncontaminated spiritual values opposed to a utilitarian and materialist United States Their mission was entirely different even the opposite giving a place to culture in the consolidation of alternative models of regional economic cooperation at moments of international armed conflict For scholars theorizing Latin Americanism in market terms this meant questioning nativist and cosmopolitan narratives about identity it also meant

abandoning any Bolivarian project of continental unity or of socialist internationalism *The Oxford Handbook of Comparative Political Theory* Leigh K. Jenko, Murad Idris, Megan Christine Thomas, 2020 Chapters emphasize exploration of substantive questions about political life in a range of global contexts with attention to whether and how those questions may be shared contested or reformulated across differences of time space and experience An interdisciplinary volume that bridges the gaps between various traditions regions and concerns regarding political theory Provides tags and keywords to aid navigation of the handbook and help readers trace disruptions thematic connections and conceptual contrasts across entries

Mapping Hispaniola Megan Jeanette Myers, 2019-08-16 Because of their respective histories of colonization and independence the Spanish speaking Dominican Republic has developed into the largest economy of the Caribbean while Haiti occupying the western side of their shared island of Hispaniola has become one of the poorest countries in the Americas While some scholars have pointed to such disparities as definitive of the island's literature Megan Jeanette Myers challenges this reduction by considering how certain literary texts confront the dominant and at times exaggerated anti Haitian Dominican ideology Myers examines the antagonistic portrayal of the two nations from the anti Haitian rhetoric of the intellectual elites of Dominican dictator Rafael Trujillo's rule to the writings of Julia Alvarez Junot Diaz and others of the Haitian diaspora endeavoring to reposition Haiti on the literary map of the Dominican Republic and beyond Focusing on representations of the Haitian Dominican dynamic that veer from the dominant history Mapping Hispaniola disrupts the magnification and repetition of a Dominican anti Haitian narrative *Blacks, Mulattos, and the Dominican Nation* Franklin Franco, 2015-04-24 Blacks Mulattos and the Dominican Nation is the first English translation of the classic text *Los negros los mulatos y la naci n dominicana* by esteemed Dominican scholar Franklin J Franco Published in 1969 this book was the first systematic work on the role of Afro descendants in Dominican society the first society of the modern Americas where a Black Mulatto population majority developed during the 16th century Franco's work a foundational text for Dominican ethnic studies constituted a paradigm shift breaking with the distortions of traditional histories that focused on the colonial elite to place Afro descendants slavery and race relations at the center of Dominican history This translation includes a new introduction by Silvio Torres Saillant Syracuse University which contextualizes Franco's work explaining the milieu in which he was writing and bringing the historiography of race slavery and the Dominican Republic up to the present Making this pioneering work accessible to an English speaking audience for the first time this is a must have for anyone interested in the lasting effects of African slavery on the Dominican population and Caribbean societies **On Tropical Grounds**

Francisco-J. Hernandez Adrian, 2024-10-11 On Tropical Grounds develops a new approach to the avant garde and Surrealism in Caribbean and Atlantic studies The book examines how islands and their tropical associations figure in the cultural and political imaginaries of the Caribbean and the Atlantic and identifies genealogies of local responses to continental fantasies of exotic insularity Examining written and visual works that reflect on the Hispanic and Francophone Caribbean and the

Canary Islands as well as critical debates around discourses of insularity in island and metropolitan spaces this book considers notions of ethnic purity originality imitation appropriation cosmopolitanism and self exoticism to challenge the idea that avant garde practices were pre eminently urban and metropolitan cultural forms The book argues that attention to the relational dimension implicit in exchanges around ideas of anticolonial struggle radical social transformation and anti fascist resistance should inform analyses of cultural production in Caribbean and Atlantic insular spaces On Tropical Grounds develops a persuasive critical model for the investigation of politically and aesthetically situated archipelagic relations that transgresses disciplinary boundaries and reconfigures our conception of the avant garde as a global movement that was overdetermined by racial gender and colonial conflicts This book will be of value to anyone interested in Caribbean and Atlantic studies avant garde and visual culture studies and literary and cultural studies **The Dominican Republic**

Reader Eric Paul Roorda, Lauren H. Derby, Raymundo Gonzalez, 2014-04-28 Despite its significance in the history of Spanish colonialism the Dominican Republic is familiar to most outsiders through only a few elements of its past and culture Non Dominicans may be aware that the country shares the island of Hispaniola with Haiti and that it is where Christopher Columbus chose to build a colony Some may know that the country produces talented baseball players and musicians others that it is a prime destination for beach vacations Little else about the Dominican Republic is common knowledge outside its borders This Reader seeks to change that It provides an introduction to the history politics and culture of the country from precolonial times into the early twenty first century Among the volume s 118 selections are essays speeches journalism songs poems legal documents testimonials and short stories as well as several interviews conducted especially for this Reader Many of the selections have been translated into English for the first time All of them are preceded by brief introductions written by the editors The volume s eighty five illustrations ten of which appear in color include maps paintings and photos of architecture statues famous figures and Dominicans going about their everyday lives Diasporic Blackness Vanessa K. Valdés, 2017-04-01 Examines the life of Arturo Alfonso Schomburg through the lens of both Blackness and latinidad A Black Puerto Rican born scholar Arturo Alfonso Schomburg 1874 1938 was a well known collector and archivist whose personal library was the basis of the Schomburg Center for Research in Black Culture at the New York Public Library He was an autodidact who matched wits with university educated men and women as well as a prominent Freemason a writer and an institution builder While he spent much of his life in New York City Schomburg was intimately involved in the cause of Cuban and Puerto Rican independence In the aftermath of the Spanish Cuban American War of 1898 he would go on to cofound the Negro Society for Historical Research and lead the American Negro Academy all the while collecting and assembling books prints pamphlets articles and other ephemera produced by Black men and women from across the Americas and Europe His curated library collection at the New York Public Library emphasized the presence of African peoples and their descendants throughout the Americas and would serve as an indispensable resource for the luminaries of the Harlem Renaissance

including Langston Hughes and Zora Neale Hurston By offering a sustained look at the life of one of the most important figures of early twentieth century New York City this first book length examination of Schomburg s life as an Afro Latino suggests new ways of understanding the intersections of both Blackness and latinidad **We Dream Together** Anne Eller,2016-12-09 In this thorough social and political history Anne Eller breaks with dominant narratives of the history of the Dominican Republic and its relationship with Haiti by tracing the complicated history of its independence between 1822 and 1865 showing how the Dominican Republic s political roots are deeply entwined with Haiti s

Whispering the Strategies of Language: An Emotional Quest through **Tracing Dominican Identity The Writings Of Pedro Henriquez Urena**

In a digitally-driven earth where displays reign great and instant conversation drowns out the subtleties of language, the profound strategies and psychological nuances concealed within words often get unheard. Tracing Dominican Identity The Writings Of Pedro Henriquez Urena Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Tracing Dominican Identity The Writings Of Pedro Henriquez Urena free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Tracing Dominican Identity The Writings Of Pedro Henriquez Urena free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles

or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Tracing Dominican Identity The Writings Of Pedro Henriquez Urena free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Tracing Dominican Identity The Writings Of Pedro Henriquez Urena. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Tracing Dominican Identity The Writings Of Pedro Henriquez Urena any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Tracing Dominican Identity The Writings Of Pedro Henriquez Urena Books

1. Where can I buy Tracing Dominican Identity The Writings Of Pedro Henriquez Urena books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
