James Shoch

Trading Blows Party Competition And Us Trade Policy In A Globalizing Era:

Trading Blows James Shoch,2001 For the past two decades trade policy has been high on the American political agenda thanks to the growing integration of the United States into the global economy and the wealth of debate this development has sparked Although scholars have explored many aspects of U S trade policy there has been little study of the role played by party politics With **Trading Blows** James Shoch fills that gap Shoch offers detailed case studies of almost all of the major trade issues of the Reagan Bush and Clinton eras including administrative and legislative efforts to curb auto steel and other imports and to open up markets in Japan and elsewhere as well as free trade initiatives such as the North American Free Trade Agreement NAFTA the General Agreement on Tariffs and Trade GATT treaty that concluded the Uruguay Round of international trade talks the extension of presidential fast track trade negotiating authority and the approval of permanent normal trade relations with China In so doing he explains the complex patterns of party competition over U S trade policy since 1980 and demonstrates the significant impact that party politics has had on the nation s recent trade policy decisions

Corporate versus National Interest in US Trade Policy Richard L. Bernal,2020-10-31 This book provides a history of the WTO US EU banana dispute through the lens of a major actor the US owned multinational firm Chiquita Brands International It documents and explains how Chiquita succeeded in having the Clinton administration pursue a trade policy of forcing the European Union to dismantle its preferential banana import regime for exports from the small English speaking Caribbean ESC countries The export of bananas was critically important to the social stability and economic viability of these countries and that was in the national security interest of the United States The experience indicates that succeeding in this goal was detrimental to U S national security interest in the Caribbean

Congressional Ambivalence Jasmine Farrier,2010-04-30 Is the United States Congress dead alive or trapped in a moribund cycle When confronted with controversial policy issues members of Congress struggle to satisfy conflicting legislative representative and oversight duties These competing goals along with the pressure to satisfy local constituents cause members of Congress to routinely cede power on a variety of policies express regret over their loss of control and later return to the habit of delegating their power This pattern of institutional ambivalence undermines conventional wisdom about congressional party resurgence the power of oversight and the return of the so called imperial presidency In **Congressional Ambivalence** Jasmine Farrier examines Congress s frequent delegation of power by analyzing primary source materials such as bills committee reports and the Congressional Record Farrier demonstrates that Congress is caught between abdication and ambition and that this ambivalence affects numerous facets of the legislative process Explaining specific instances of post delegation disorder including Congress s use of new bills obstruction public criticism and oversight

to salvage its lost power Farrier exposes the tensions surrounding Congress's roles in recent hot button issues such as base closing commissions presidential trade promotion authority and responses to the attacks of September 11 She also examines shifting public rhetoric used by members of Congress as they emphasize in institutionally self-conscious terms the difficulties of balancing their multiple roles With a deep understanding of the inner workings of the federal government Farrier illuminates a developing trend in the practice of democracy

Guide to U.S. Economic Policy Robert E. Wright, Thomas W. Zeiler, 2014-06-30 Guide to U S Economic Policy shows students and researchers how issues and actions are translated into public policies for resolving economic problems like the Great Recession or managing economic conflict like the left right ideological split over the role of government regulation in markets Taking an interdisciplinary approach the guide highlights decision making cycles requiring the cooperation of government business and an informed citizenry to achieve a comprehensive approach to a successful growth oriented economic policy Through 30 topical operational and relational essays the book addresses the development of U S economic policies from the colonial period to today the federal agencies and public and private organizations that influence and administer economic policies the challenges of balancing economic development with environmental and social goals and the role of the U S in international organizations such as the IMF and WTO Key Features 30 essays by experts in the field investigate the fundamental economic political social and process initiatives that drive policy decisions affecting the nation's economic stability and success Essential themes traced throughout the chapters include scarcity wealth creation theories of economic growth and macroeconomic management controlling inflation and unemployment poverty the role of government agencies and regulations to police markets Congress vs the president investment policies economic indicators the balance of trade and the immediate and long term costs associated with economic policy alternatives A glossary of key economic terms and events a summary of bureaus and agencies charged with economic policy decisions a master bibliography and a thorough index appear at the back of the book This must have reference for students and researchers is suitable for academic public high school government and professional libraries

A Fabulous Failure Nelson Lichtenstein, Judith Stein, 2023-09-12 How the Clinton administration betrayed its progressive principles and capitulated to the right When Bill Clinton was elected president in 1992 he ended twelve years of Republican rule and seemed poised to enact a progressive transformation of the US economy touching everything from health care to trade to labor relations Yet by the time he left office the nation's economic and social policies had instead lurched dramatically rightward exacerbating the inequalities so troubling in our own time This book reveals why Clinton's expansive agenda was a fabulous failure and why its demise still haunts us today Nelson Lichtenstein and Judith Stein show how the administration's progressive reformers people like Robert Reich Ira Magaziner Laura Tyson and Joseph Stiglitz were stymied by a new world of global capitalism that heightened Wall Street influence undermined domestic manufacturing and eviscerated the labor movement Robert Rubin Larry Summers and Al Gore proved champions of this

financialized world Meanwhile Clinton divided his own party when he relied on Republican votes to overhaul welfare liberalize trade and deregulate the banking and telecommunications industries Even the economic boom Clinton ushered in which tamed unemployment and sent the stock market soaring in what Alan Blinder and Janet Yellen termed a fabulous decade ended with a series of exploding asset bubbles that his neoliberal economic advisors neither foresaw nor prevented A Fabulous Failure is a study of ideas in action some powerfully persuasive others illusionary and self defeating It explains why and how the Clinton presidency s progressive statecraft floundered in a world where the labor movement was weak civil rights forces quiescent and corporate America ever more powerful

No Globalization Without Representation Paul Adler, 2021-05-28 How consumer and environmental activists became significant players in U S and world politics Amid the mass protests of the 1960s another less heralded political force arose public interest progressivism Led by activists like Ralph Nader organizations of lawyers and experts worked inside the system They confronted corporate power and helped win major consumer and environmental protections By the late 1970s some public interest groups moved beyond U S borders to challenge multinational corporations This happened at the same time that neoliberalism a politics of empowerment for big business gained strength in the U S and around the world No Globalization Without Representation is the story of how consumer and environmental activists became significant players in U S and world politics at the twentieth century s close NGOs like Friends of the Earth and Public Citizen helped forge a progressive coalition that lobbied against the emerging neoliberal world order and in favor of what they called fair globalization From boycotting Nestl in the 1970s to lobbying against NAFTA to the Battle of Seattle protests against the World Trade Organization in the 1990s these groups have made a profound mark This book tells their stories while showing how public interest groups helped ensure that a version of liberalism willing to challenge corporate power did not vanish from U S politics Public interest groups believed that preserving liberalism at home meant confronting attempts to perpetuate conservative policies through global economic rules No Globalization Without Representation also illuminates how professionalized organizations became such a critical part of liberal activism and how that has affected the course of U S politics to the present day

Imagined Economies and the Re-Framing of Trade Policy: Chiao, Yuan-Ming, 2017-01-01 In 2010 Taiwan and China concluded a landmark trade agreement the Economic Cooperation Framework Agreement ECFA that sought to pave the way for closer commercial ties by lowering tariffs on several trade items Just a decade earlier both sides of the Taiwan Strait were ratcheting up rhetoric that seemed to point to growing political uncertainty across a region once a hotspot during the Cold War What was behind this political sea change The paradox of state policy in the cross Strait political economy over the past three decades is that despite increased economic activity between both sides national identity remains an important barometer in framing the prospects and limits of policymaking In accounting for this paradox and how actors have dealt with it through problem definition and trade policy adjustment this research utilizes economic imaginaries a discursive field that shapes the conceptualization of economic life

As discourse and structure are dialectical in relation to one another an economic imaginary represents an analytical concept to map out ideational shifts concerning economic life and national identity Specifically the author aims to address the following questions with the regard to the reconceptualization of cross Strait commerce in Taiwan government policy What ideas and practices are selected and drawn upon by political elites in Taiwan to create new economic imaginaries How are these ideas being negotiated and resisted in rebuilding of social relations What are the areas of unevenness and contradictions within the discursive process This research utilizes a combined methodological approach toward navigating economic imaginaries including critical discourse analysis analysis of collective action frames and the critical junctures that challenge their hegemonic power Drawing upon expert interviews key policy texts from political and intellectual elites critical discourse analysis demonstrates the linkage between imaginaries and framing actions by revealing the cognitive mapping of the cross Strait political economy the dominant discourses that inform them and the ways in which hegemonic ideas are reproduced within the discourse

Party Position Change in American Politics David Karol, 2009-11-23 In this book David Karol explains important variations in party position change enhancing our understanding of parties interest groups and representation

Trade and American Leadership Craig VanGrasstek, 2019-01-03 The global trading system lies at the intersection of US power and wealth but is today in grave danger of collapse

Trading Blows Party Competition And Us Trade Policy In A Globalizing Era Introduction

In the digital age, access to information has become easier than ever before. The ability to download Trading Blows Party Competition And Us Trade Policy In A Globalizing Era has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Trading Blows Party Competition And Us Trade Policy In A Globalizing Era has opened up a world of possibilities. Downloading Trading Blows Party Competition And Us Trade Policy In A Globalizing Era provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Trading Blows Party Competition And Us Trade Policy In A Globalizing Era has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Trading Blows Party Competition And Us Trade Policy In A Globalizing Era. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Trading Blows Party Competition And Us Trade Policy In A Globalizing Era. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Trading Blows Party Competition And Us Trade Policy In A Globalizing Era, users

should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Trading Blows Party Competition And Us Trade Policy In A Globalizing Era has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Trading Blows Party Competition And Us Trade Policy In A Globalizing Era Books
