Bailey, 2005-08-17 Clearly something is dreadfully wrong with our society when we compare the inner societal performances against the documented foundational biblical principles on which our nation is purportedly built It is not just a national problem we face rather an international crisis due to the absence of understanding of what spiritual repercussions await us for the lack of performance to God's dictates We are distracted and sidelined by childish malice over skin color races and a stockpile of other nonessentials as in essence the angels of God gradually push shut the great stone hinged door of

time allotted us to establish true God fearing relationships in the final hour of this 6th dispensation God used one blood His blood in the creation of man upon the face of the earth The dominion and power of Gods human creatures were bestowed upon and within man by the blessing of the Creator Mans failure in lack of obedience to God imposed a chronological timeframe upon humankind that was already operating in the reproductive realm from initiation of pregnancy to full term for birth but would now directly impact the lifespan of humans and sub species from birth to death The life of every God conscious creature is in the blood a transfusable non transmutable generation transcending God breathed biomaterial A goodly portion of the God conscious segment of society is visually aware but functionally asleep God who has given us dominion has also given us time to get our domain in order to His specifications in fact He has given us six allotments or dispensations of time wherein we have control to do so The Lord will attend and manage personally the 7th dispensation in His vesture dipped in blood Gods blood has its role throughout all of the 7 dispensations Catalog of Copyright Entries.
