Tranceformers Shamans of the 21st Century John Jay Harper, 2009 Tranceformers Shamans of the 21st Century is the true story of this author's contact with a dead optics physicist colleague and the telepathic communication that sent him searching for scientific answers to his spiritual questions Harper draws from this deep well of wisdom astrology biology near death experiences paranormal psychology quantum physics as well as Egyptian and Mayan cosmology overall He does an excellent job of synthesizing massive amounts of information making this shift of the ages comprehensible to the general reader Clearly this is a necessary primer to understand the coming apocalypse of biblical proportions in consciousness climate culture and civilization However the theme of this book is that by learning to use trance the techniques employed by mystics prophets and shamans one can unlock the mysteries of existence for themselves Indeed this is the big idea behind the Eternal Return of the Sun of God in 2012 Self Empowerment

Tranceformers John Jay Harper, 2006-01 Tranceformers Shamans of the 21st Century opens with the circumstances of this author's contact with a dead optics physicist colleague that set him adrift on the ocean of other people's opinions not facts concerning life after death Desperately searching for scientific answers to his myriad spiritual questions Harper finally landed on solid intellectual ground only after he paradoxically anchored himself to the Rosetta stone of trance that unified the purpose of religion and science into one truth Indeed he learned that we are all becoming fifth dimensional beings of light with third eye open psychic solar powers once again Harper saw that what astronomers define as Solar Cycle 24 between the Venus transits in 2004 and 2012 astrologers had symbolically portrayed as the Eternal Return of the Sun of God This is an easy to read book offering words of wisdom as we enter into the Age of Aquarius The Water Bearer of cataclysmic Earth changes

Doc and the Judge Gary M Granger, 2008-12 Friendship with the Judge came at a pivotal time in Doc's life he quickly became the closest truest most generous brother Doc ever knew They were a chemical reaction when they came together with a thought an idea or a plan to pull off another coup As the saying goes There's synergy creating energy that's stronger than the sum of its parts That was Doc and the Judge the Judge was fire Doc was water The Judge was all reaction and Doc was all control Doc and the Judge redefined business as usual They didn't just break on through to the other side as Jim Morrison urged in his hypnotic sixties reverie they crashed and crashed on through They made tons of money for the grey suits that supported and funded them

and a tidy pile of cash for themselves along the way Though it was truly not about the money for them it was about being dudes They defined themselves daring the world to defy their ability to turn cultural trends into big money returns for the true believers who backed them They never compromised never shrank from a battle and never feared losing it all Their business acumen and inherent credibility was inextricably linked to their integrity and musical and business authenticity Doc watched over the Judge for his own good and the Judge knew and respected his faith The Judge was a searing shooting star flashing blindingly across the night sky and defiantly demanding acceptance on his own terms The Doc executed the business and kept it real They took on the world bought and sold it many times over laughing ALL THE WAY TO THE BANK They were inseparable during the decade of the 70 s Butch and the Kid many called them The Judge always swore he ruled his court Doc smiles at these memories suspecting that even now he s hanging out with God and is slipping a wickedly powerful toke or perhaps a St Pauli s girl to the Apostles when the big G isn t looking
