Troubling the Line TC Tolbert, Trace Peterson, Tim Trace Peterson, 2013 The first ever collection of poetry by trans and genderqueer writers TROUBLING THE LINE: TRANS AND GENDERQUEER POETRY AND POETICS. T.C. Tolbert,

Since I moved in Trace Peterson, 2019 Poetry LGBTQIA Studies Introduction by Joy Ladin A new the voice too that knows how troubling it feels to be a voice to be nothing other than voice among readers and listeners who claim in that early 2000s way to hate voice because they cannot hear their own There is a Hartford in her heart no broken glass in it though the map is not the map and alongside it there lurks or flourishes an inability to be where I am This is a voice that sees that sees the boys at lavender the girls in show a voice of experiment a voice wearing your socks I recommend it to anyone like me and also to people who are nothing like me who want to know how it has been Stephanie Burt I will forever praise the day in 2010 when I discovered SINCE I MOVED IN at a friend s house and sat down and read it cover to cover Almost a decade later my skull still humming from a gift received The experience of recognition which is to say the benevolence of awareness which is different from the more distant more dangerous act of seeing being seen that transpired in the initial hours with this book altered the trajectory of my life in simple and extraordinary ways As Joy Ladin s introduction to the new edition makes clear SINCE I MOVED IN s 2007 publication was revolutionary and foundational for what would become a beautiful groundswell of trans and nonbinary poetry Even the boundaries were drawn up temporarily Trace tells us And how deeply true this is between so many so much of us on any given day Thank you Trace for this 2nd edition a kind of textual transition a gift to trans and nonbinary writers past present and future Here is The Pleasure of Arriving a poetry of integrity smart hilarious frustrated and tender TC Tolbert *Gephyromania* TC. Tolbert, 2014 Poetry LGBT Studies In GEPHYROMANIA literally an addiction to or an obsession with bridges Tolbert s choice isn t between female and male lover and self or loss and relief but rather to live willingly intentionally in the places where those binaries meet Questions arise Is a bridge simply an attempt to connect one seemingly stable body back to itself Whose body which embodiment is absent when we say I miss you And who is adored when we say I love Sensing the parallels between a lover who leaves and his own female body as it chooses as he chooses for it to recede the poems in GEPHYROMANIA explore the spaces between among across and even within bodies

The Valleys Are So Lush and Steep Trace Peterson, 2025-10-15 The second book of poems by Trace Peterson The Valleys Are So Lush And Steep attempts to answer the question what do you do after you ve introduced yourself Modeling aspects of trans interiority embodied experiences struggles and desires from the era before the trans tipping point to our present state of emergency this book also speaks to universal issues of how self imagination language and the environment are intertwined how gender can structure anyone s experience as both limiting and enabling Through lyric poems prose poems serial poems and texts that disrupt prosody and invent new forms Peterson uses humor non sequitur equanimity and anger to critique deserving targets and celebrate trans joy where she can glimpse it *A Companion to American Poetry*

or translingual dialogues between cisgendered and transgendered people Drawing on a wide range of LGBT scholars philosophers sociologists sexologists and literary voices Robinson sets up cis trans dialogues on such issues as being born in the wrong body binary vs anti binary sex gender identities and the nature of transition and transformation Prominent voices in the book include Kate Bornstein C Jacob Hale and Sassafras Lowrey The theory of translation mobilized in the book is not the traditional equivalence based one but Callon and Latour s sociology of translation as speaking for someone else which grounds the study of translation in social pressures to conform to group norms In addition however Robinson translates a series of passages from Finnish trans novels into English and explores the translingual address that emerges when those English translations are put into dialogue with cis and trans scholars

Terror Matrix Zoe Tuck,2014 Poetry California Interest Women s Studies LGBT Studies Politics Occult With spells by Z Ozma For all its gnostic scholarship the writing of Zoe Tuck always sounds absolutely contemporary In TERROR MATRIX we witness drones tracking the smell of cooking onions Amazon putting its books to death the queer body dragged to a xenophobic Liam Neeson vehicle and everywhere everywhere witches on the torture rack again It couldn t be more 2014 Zoe s privileged form is the interruption the break within the break another glaring condition of the now This bare life s made possible by constant rupture Not wonderful not horrible just possible Zoe has a crystalline sense of rupture as hope as eventful change as the fractures in the boundaries of identity but at the same time understands it as a most useful tool for state terror as the violent partitioning of bodies as the multi media cloud cutting into and across itself in order to splinter resistance and distract from its own amorality All who share a sense of rupture s ambiguity will treasure this safe poetic exercise in S M Brent Cunningham
