Cosmic Christianity and the Impulse of Michael Rudolf Steiner, 2016-03-21 At the end of his life Rudolf Steiner took up the task that was his special destiny to bring to the West a knowledge of reincarnation and karma To do this he gave over eighty lectures in 1924 in which he explicitly and concretely revealed the destinies of various individuals from one life to the next in order to show how the general laws of karma operate in individual cases He also revealed many details of the karmic streams of the members of the Anthroposophical Society These volumes constitute an immeasurable contribution to the understanding of reincarnation and karma and the tasks of the Anthroposophical Society in connection with the Archangel Michael First printed in English in 1953 with the title Cosmic Christianity and the Impulse of Michael Karma in the Life of Individuals and the Evolution of the World Six lectures given at Torquay and London England between 12th and 27th August 1924

The Redemption of Thinking Rudolf Steiner, 1983-04 3 lectures Dornach May 1920 CW 74 Steiner begins these three lectures by depicting the background of early Christian thought from which scholastic philosophers arose He focuses on the unanswered question of the scholastic movement How can human thinking be made Christlike and develop toward a vision of the spiritual world A study of subsequent European thought especially that of Kant leads to the possibility of deepening into spiritual perception the scientific thinking that arose from scholasticism Steiner explains that since the beginning of the twentieth century this is true Christianity This volume is a translation of Die Philosophie Des Thomas von Aquino GA 74

Anthroposophy, 1927

The Archangel Michael Rudolf Steiner, 1994-07 The Michael age has dawned Hearts begin to have thoughts Enthusiasm no longer flows from mystical obscurity but from the inner clarity that thought conveys To grasp this is to receive Michael into one's soul Thoughts that today seek to grasp the spirit must spring from hearts that beat for Michael as the fiery cosmic prince of thought Rudolf Steiner For centuries the tradition of the mystical chronology of the world's seven archangelic regents has been part of Western esoteric teaching According to this tradition

1879 marked the return of the solar spirit Michael the archangel of the Sun to oversee earthly evolution Steiner always placed his life and work in the service of Michael s evolutionary task And he recognized that at the beginning of the twentieth century humanity emerged from the Kali Yuga the Dark Age and entered the Age of Light Against this background Steiner described the ascent of Michael as cosmic ruler his battle with the dragon of the spirits of darkness and his roles as the countenance of Christ and the guardian of cosmic intelligence He also gave many profound indications of how Michael s evolutionary task depends on the free and independent collaboration of human coworkers Speaking on behalf of Michael Steiner laid out the essentials for a new Michaelic path to full humanity Among the elements of this path are the development of selfless individuality cosmopolitanism the practice of the presence of Christ fearlessness the transformation of thinking and perception in a new synthesis of science art and religion the spiritualization of space and the separation of thought from language The Archangel Michael gathers most of Steiner s statements on this subject making it an important source for coming to terms with today s political social psychological and spiritual crises Karmic Relationships Rudolf Steiner,1971 At the end of his life Rudolf Steiner took up the task that was his special destiny to bring to the West a knowledge of reincarnation and karma To do this he gave over eighty lectures in 1924 in which he explicitly and concretely revealed the destinies of various individuals from one life to the next in order to show how the general laws of karma operate in individual cases He also revealed many details of the karmic streams of the members of the Anthroposophical Society These volumes constitute an immeasurable contribution to the understanding of reincarnation and karma and the tasks of the Anthroposophical Society in connection with the Archangel Michael
