Susan Stewart

Try It Buy It Vintage Adverts:

Try It! Buy It! British Library, 2015 This is a colorful collection of more than 200 classic advertisements drawn from the British Library's rich collection of vintage ephemera. It includes colorful amusing and sometimes bizarre advertising from the late 19th and early 20th centuries. This book reproduces for the first time dozens of adverts that were printed in fashion magazines and newspapers or appeared as posters and trade cards. It offers a unique pictorial introduction to the history of print culture in Britain and shows the deep roots of consumerism as well as the surprisingly familiar ways: catchy slogans, strong typography and bright colors in which advertisers have always fought for our attention. This illustrative sourcebook will inspire and entertain graphic designers, typographers and anyone with an interest in Victorian and 20th century print culture. *Vintage Advertising Art and Design* J. N. Halsted, 2014-04-23 This comprehensive volume contains all the essentials for creating ads with a retro look and feel. Drawn from typographic sourcebooks as well as sign painting manuals of the early 20th century, the contents include a wealth of borders, frames, images and typographic elements for re-creating authentic styles of the 1890s-1920s. Painted Faces Susan Stewart, 2017-12-15 Susan Stewart guides the reader through the bewildering, fascinating and complex story of cosmetics from the ancient world to the present day. **WALNECK'S CLASSIC CYCLE TRADER, APRIL 2008** Causey Enterprises, LLC, *Printers' Ink; the ... Magazine of Advertising, Management and Sales*, 1900 *Planet Funny* Ken Jennings, 2019-07-09 A Kirkus Reviews Best Book of the Year. The witty and exuberant New York Times bestselling author and record setting Jeopardy champion Ken Jennings relays the history of humor in lively, insightful and crawling with goofy factlings. Maria Semple author of *Where'd You Go, Bernadette* from fart jokes on clay Sumerian tablets to the latest Twitter gags and Facebook memes. Where once society's most coveted trait might have been strength or intelligence or honor, today in a clear sign of evolution sliding off the trails, it is being funny. Yes, funniness. Consider Super Bowl commercials: don't try to sell you anymore; they try to make you laugh. Airline safety tutorials: those terrifying laminated cards about the possibilities of fire, explosion, depressurization and drowning have been replaced by joke-filled videos with multimillion-dollar budgets and dance routines. Thanks to social media, we now have a whole Twitterverse of amateur comedians riffing around the world at all hours of the day and many of them even get popular enough online to go pro and take over TV. In his smartly structured, soundly argued and yes, pretty darn funny booklist, starred review *Planet Funny*, Ken Jennings explores this brave new comedic world and what it means or doesn't to be funny in it now. Tracing the evolution of humor from the caveman days to the bawdy middle-class antics of Chaucer to Monty Python's game-changing silliness to the fast-paced meta-humor of *The Simpsons*, Jennings explains how we built our humor-saturated modern age where lots of us get our news from comedy shows and a comic figure can even be elected President of the United States purely on showmanship. Fascinating, entertaining and I'm being dead-serious here, important. A.J. Jacobs author of *The Year of Living Biblically*. *Planet Funny* is a full taxonomy of what spawned and defines the modern sense of humor.
