Turkish Foreign Policy Since The Cold War:

Suits and Uniforms Philip Robins, 2003 *Turkish Foreign Policy Since 1774* William M. Hale, 2013 This revised and updated version of William Hale's *Turkish Foreign Policy 1774-2000* offers a comprehensive and analytical survey of Turkish foreign policy since the last quarter of the eighteenth century when the Turks' relations with the rest of the world entered their most critical phase. In recent years Turkey's international role has changed and expanded dramatically and the new edition revisits the chapters and topics covered in light of these changes. Drawing on newly available information and ideas, the author carefully alters the earlier historical narrative while preserving the clarity and accessibility of the original. Combining the long historical perspective with a detailed survey and analysis of the most recent developments, this book fills a clear gap in the literature on Turkey's modern history. For readers with a broader interest in international history, it also offers a crucial example of how a medium-sized power has acted in the international environment. *Turkish Foreign Policy in Post Cold War Era* İdris Bal, 2004 With the end of Cold War discipline, the world has entered a new era. Parameters have changed, new handicaps as well as new opportunities have been created for countries. Turkey, as a neighbor of former USSR, a member of NATO and located at the center of a sensitive region covered by Caucasus, Balkans and Middle East, has been affected by the end of Cold War radically. Turkey has lost some of her bargaining cards in the new era and therefore has needed new arguments. This need encouraged Turkey to take active steps in Post Cold War era. This book analyzes Turkey's relations with US, EU, Balkans, Middle East, Caucasus, Central Asia, Russia, China and Japan. At the same time, effects of economic crises and domestic developments on foreign policy, Turkish model in Turkish foreign policy, water conflict and Kurdish problem are analyzed as well. To conclude, it is possible to argue that although Turkey lost some of her bargaining cards in Post Cold War era, new developments pushed Turkey to the center of world politics rather than to periphery.

Contributors: Meliha Benli, Altunisik Deniz, İke Aribogan, H. Seyin Bağcı, İdris Bal, Zeyno Baran, Fulya Kıp, Barnard Erol Bulut, İbrahim S. Canbolat, Saziye Gazioglu, Ramazan G. Zengin, Saban Kardaş, H. B. İnter Olcay, Cengiz Okman, Henry E. Paniev, Victor Panin, Dirk Rohtus, Faruk S. Nmezoglu, G. İ. Turan, İlter Turan, Mustafa T. Rkes, Nasuh Uslu. *Suits and Uniforms* William Richard Mead, Philip Robins, 2003 This is a personal memoir which follows the author's idiosyncratic but admired *The Experience of Finland*. It is dedicated to Anglo-Norse friends and is a celebration of more than 50 years of Norwegian experiences. *Turkish Foreign Policy Since the Cold War* Philip Robins, 2002 *Turkish Foreign Policy in an Age of Uncertainty* F. Stephen Larrabee, Ian O. Lesser, 2003-01-14 The authors describe the challenges and opportunities facing Turkey in the international environment during a time of extraordinary flux. Special emphasis is given to the strategic and security issues facing Turkey, including a number of new issues posed by the terrorist attacks of September 2001 and the subsequent international response. They conclude by offering some prognostications regarding the country's future and their implications on Turkey's western partners. ***Turkish Foreign Policy, 1943-1945*** Edward Weisband, 2015-03-08 As it became evident that the

Allies were winning World War II Turkish policy makers struggled to achieve their objectives in the shifting circumstances of wartime diplomacy Edward Weisband's detailed description of Turkish foreign policy from 1943 to 1945 reveals that it was complicated by the fact that its two principal aims dictated contradictory positions The first aim was the priority of peace over expansionism this implied a noninterventionist policy On the other hand the belief that the Soviet Union represented the primary threat to the security of the Republic often made intervention to contain Russia seem necessary for national defense Turkish officials became determined to influence the postwar settlement towards an equilibrium among the great powers that would limit Soviet expansionism which the Turks assumed they could not do alone Consequently they were among the first to envision the contours of the Cold War After outlining the historical origins of the ideology that lay behind Turkish diplomacy the first part of the book concentrates on the policy making process in Ankara and assesses the relative influence of individual leaders and institutions The second part analyzes both Turkey's responses to the exigencies of war and the general nature of small state diplomacy Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Identity and Turkish Foreign Policy Umut Uzer, 2011 Focusing on the annexation of Hatay from Syria in 1939 Turkey's involvement in Cyprus culminating in a military operation in 1974 and its policy toward the Karabagh dispute between Azerbaijan and Armenia in the 1990s this title is suitable for those interested in Middle East politics and international relations as well as Turkey specifically
