Vodka On My Wheaties:

Vodka on My Wheaties Ann Lloyd, 2011-03-17 *Vodka On My Wheaties* is like no other book you have ever read. The events that have happened to Ann Lloyd are only seen on the silver screen but all of her stories are non-fiction. Her book reads like a novel even though it is an autobiography. *Vodka On My Wheaties* is filled with a humorous potpourri of real life happenings for a wide range of people to enjoy. The beginning chapters reveal that Ann was programmed from birth to march to the beat of a different drum. She was the only child of neurotic parents and it was not in her nature to follow the herd. Married at eighteen to a prominent drug store magnate twice her age, she finds herself at the age of twenty-two a widow. From her sudden dramatic exposure to a life of opulent wealth and world travels, Ann and her second husband settled down to build an exclusive out-island scuba diving resort in the Bahamas which attracted the rich and famous. As a self-appointed liberated female, the adventures do not stop there. Join in Ann's kaleidoscopic journey down one of life's most unusual paths and her ability to make things happen. Ann's story is bursting with romance, adventure, mystery, celebrities, substance abuse, and much more. Publishers Weekly Review: Lloyd's unconventional memoir is told with gusto and packed with honest, entertaining episodes. Raised by intense and neurotic parents, the quirky narrator with a mind and a will of her own endures a lonely childhood and tumbles through her colorful life. Tying the knot with her handsome boyfriend results in a dangerous marriage that threatens her life. Her second marriage leads the author to support her new husband's many failed business enterprises and then maintain a resort in the Bahamas. Her brief third marriage leads to substance abuse as she starts drowning her depression in vodka. Eventually, Lloyd discovers a 12-step program to maintain sobriety, filling the empty void left by the removal of alcohol with the fruits of spirituality. But the onset of an autoimmune disease changes everything and forces Lloyd to remake her life yet again.

We Can't Be Friends Cyndy Etler, 2017-10-03 The companion to *The Dead Inside*. An unnerving and heartrending memoir. Publishers Weekly: This is the story of my return to high school. This is the true story of how I didn't die. High school sucks for a lot of people. High school extra sucks when you believe deep in your soul that every kid in the school is out to get you. I wasn't popular before I got locked up in Straight Inc., the notorious tough love program for troubled teens. So it's not like I was walking around thinking everyone liked me. But when you're psychologically beaten for sixteen months, you start to absorb the lessons. The lessons in Straight were: You are evil. Your peers are evil. Everything is evil except Straight Inc. Before long, you're a true believer. And when you're finally released, sent back into the world, you crave safety. Crave being back in the warehouse. And if you can't be there, you'd rather be dead.
